## Creating Lifelike Figures in Polymer Clay

Katherine Dewey's expressive and elegantly detailed sculptures enchant all who see them. With the magical medium of polymer clay and this book, you can follow in her footsteps. Thorough instructions supported by more than 400 step-by-step color photos and 200 detailed drawings cover the entire process of sculpting realistic figures, from selecting clay and gathering essential tools to the basics of modeling the human figure, to incorporating poses, facial expressions, ethnic and gender subtleties, costumes, and painted finishing touches. Easy-to-read maps of the figure illustrate the landmarks of the body, while scale diagrams indicate the simple shapes hidden within the human form, as well as how to combine and model those shapes. For anyone who loves fantasy, romance, nature—or sophisticated crafting—this book is a must-have.

## Creating Life-Like Animals in Polymer Clay

Enchanting, exquisitely detailed and full of personality, Katherine Dewey's animal sculptures delight all who see them. With the friendly medium of polymer clay and the step-by-step instructions in this book, you can achieve the same magical results! Inside, Katherine leads you through then utterly charming projects, such as a sweet little bluebird, a basset hound and a white-tailed fawn. And that's just the start! The "Making Changes" chapter will help you create your own original animal creations by changing poses, making realistic bases, and even modeling your animals to look like bronze, fade and other materials.

## **Polymer Clay for Beginners**

Start making beautiful art with this step-by-step guide to making trinkets, animals, plants, and more using this fun, easy, and kiln-free craft. *Polymer Clay for Beginners* introduces artists, art hobbyists, and polymer clay enthusiasts to the versatile, accessible polymer clay medium. Because polymer clay does not require the use of a kiln and needs only baking in the oven, it is an easy, approachable art form for even the most inexperienced artist to learn, as well as kids, families, teachers, and anyone else looking for a fun, boredom-busting hobby or craft. Professional artist and owner of Cat Bear Express, Emily Chen, demonstrates how to make adorable animal figurines, flowers, cookies, cakes, beads, and more through easy step-by-step projects. Each project features colorful, styled photographs demonstrating how finished pieces can be used, displayed, and gifted. A comprehensive tools and materials section and detailed information on techniques, baking, and glazing guide artists in their quest to become polymer clay pros. A modern approach to sculpture art, polymer clay is the perfect choice for beginners and crafting enthusiasts. The Art Makers series is designed for beginning artists and arts-and-crafts enthusiasts who are interested in experiencing fun hands-on mediums, including embroidery and papier-mache.

## **Polymer Clay and Mixed Media-- Together at Last**

Mixed media brings lots of new possibilities to polymer clay crafting. *Polymer Clay and Mixed Media—Together at Last* is about making polymer clay figures—jewelry pieces, focal beads, décor items, knick-knacks—and incorporating beads, fibers, fabrics, glass, stones, etc. to create special effects. Embellishing polymer clay with mixed media adds a sophistication and richness without making the projects complicated or inaccessible to the average crafter.

## **The Art of Polymer Clay Creative Surface Effects**

Polymer clay has grown and grown and grown in popularity since the publication of Donna Kato's best-selling *The Art of Polymer Clay* in 1997. And there have been so many technical advances, too. Now poly-diva Donna Kato presents an all-new look at one of crafters' all-time favorite mediums. Donna Kato's *Polymer Clay Innovations* begins with the essentials of polymer clay, including its working properties, plus tools, curing, safety recommendations, and color blending (with full information on the now-indispensable Skinner Blend). Photo-packed chapters focus on exciting projects—beads, bracelets, pins, pendants, and boxes--and showcase new techniques, including image transfers, surface treatments such as stencils, stamps, paints, and inks, sculpting, inclusions, special effects, and finishing. Finished pieces by some of the biggest names in polymer clay, including Kathleen Dustin, Pier Voulkos, and Nan Roche, plus Donna Kato herself, offer ideas and inspiration.

## **The Art of Polymer Clay Millefiori Techniques**

A thousand and one ideas for making beautiful polymer clay millefiori. In Venetian glassmaking, slender rods of molten glass are shaped, then cut to reveal amazingly detailed patterns: flowers, geometric shapes, dancing colors. These slices are called millefiori, "thousand flowers," because they form a carpet of flowers when placed side by side. Now celebrity author Donna Kato shows crafters exactly how to re-create these intricate, fascinating designs in polymer clay. The Art of Polymer Clay Millefiori Techniques reveals the entire process: how to work with the polymer clay, the basics of planning and creating a cane, and using color effectively. Dozens of canes, from simple to simply stunning, are included, and everything is clearly explained and illustrated with full-color photos, the Donna Kato way. Throughout the book, examples of stunning work by such millefiori artists as Kathy Amt, Pier Voulkos, and Kathleen Dustin provide inspiration. There must be a thousand ways to make beautiful millefiori . . . explore them all in The Art of Polymer Clay Millefiori Techniques.
