Peter Sís's remarkable biography *The Pilot and the Little Prince* celebrates the author of *The Little Prince*, one of the most beloved books in the world. Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented. Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections.

The Pilot and the Little Prince

The New York Mets fan is an Amazon' creature whose species finds its voice at last in Greg Prince's *Faith and Fear In Flushing*, the definitive account of what it means to root for and live through the machinations of an endlessly fascinating if often frustrating baseball team. Prince, coauthor of the highly regarded blog of the same name, examines how the life of the franchise mirrors the life of its fans, particularly his own. Unabashedly and unapologetically, Prince stands up for all Mets fans and, by proxy, sports fans everywhere in exploring how we root, why we take it so seriously, and what it all means. What was it like to enter a baseball world about to be ruled by the Mets in 1969? To understand intrinsically that *You Gotta Believe?* To overcome the trade of an idol and the dissolution of a roster? To hope hard for a comeback and then receive it in thrilling fashion in 1986? To experience the constant ups and downs the Mets would dispense for the next two decades? To put ups with the Yankees right next door? To make the psychic journey from Shea Stadium to Citi Field? To sort the myths from the realities? Greg Prince, as he has done for thousands of loyal *Faith and Fear in Flushing* readers daily since 2005, puts it all in perspective as only he can.

Faith and Fear in Flushing

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of *Purple Rain* to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. *The Beautiful Ones* is the story of how Prince became Prince—a first-person account of a kid absorbing the

world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for *Purple Rain*—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

The Beautiful Ones

For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. I just don't know what's going on Or why it has to be But every day it's something worse What's happening to me? So begins this uproarious new story from the best-selling creator of *No Jumping on the Bed!*, *Green Wilma*, and other popular books. The young narrator has discovered a disturbing trend: There's fuzz in his belly button his toes are peeling and something just fell out of his nose. The last straw is a loose tooth, which convinces him of the awful truth his parts are coming unglued! *Parts* deals with a subject of deepest interest to every young child: the stuff our bodies shed. Parents will appreciate the reassuring message that it's all quite normal, while Tedd Arnold's comical illustrations and rhyming text are guaranteed to make young readers laugh their heads off.

Cowards mock men. Idiots mock kings. But to mock a god? To stand at the precipice of paradise and damnation, and to open thy lips, and denounce the divine as an ignorant existence unworthy of their divinity - None would dare. None, except him. For lip-service to a deity, he is reborn as a creature whose belly scrubs the earth. Reincarnating as a worm in the madness that is Alamir, the man who spat in the face of a god turns and spits in the face of destiny. He ascends, from battle and bloodshed, to find favor in a Witch of the Night just as mad, if not far madder, than he. Baptized on the eve of the genocide of her people, he is bestowed the name Janus - and is reborn with the power to explore the road not travelled. The power to eat his cake and have it, to split the timeline as he desires, and pave his own path towards his chosen future. That chosen future, awaits his bony, skeletal hands. War cometh for the defiant. War between cosmic horrors and ubermensch, apocalypse seekers and twisted messiahs, reincarnated madmen and avatars of extinction - And the man who defied a god, stands in the center. \"Hero, villain, monster, savior, king, slave, good or evil - all irrelevant when the Nightmares of Alamir come midnight, wielding a dim lantern, rasping with a croaky voice as their unholy fingers rap against your door.\" \"Now, tell the world... How shall you answer?\"
