

Viaggi

Ventitre Viaggi

The two renegade roustabouts from California, long-haired motorcyclists simply in search of adventure, were not initially well liked as they traversed the other states of the West during the summer of 1971. That meant that every new day they had to prove themselves anew to each new boss, as they worked a variety of odd jobs, to buy food, and to survive. All those efforts brought to them resilience, speed, grit, and the ability to pivot quickly when needed.

The incidents described in this book include the 1890 assassination of the New Orleans Chief of Police David Hennessey, the resulting Italian lynchings, and the 1906 murder of the seven-year-old child Walter Lamana. The first two incidents were the impetus for the 1999 HBO movie \"Vendetta\" and the book The Crescent City Lynchings by Tom Smith. The third incident had the most impact on many of the families documented in this book. The Walter Lamana child-killing story has not resurfaced for over a hundred years, until now. The high profile crimes of the late 1800s and early 1900s typically do not mention the places of origin of the families involved. The majority of those involved came from a small town in Sicily named Chiusa Sclafani, which is near Corleone, situated in the province of Palermo. Chiusa Sclafani is not mentioned in the movie Vendetta, nor the books covering the incidents and families involved. Fifteen years and roughly 60,000 hours of research are included in this book. This is one of most uniquely written books seen in centuries, and embodies a far-reaching and massive amount of documentation. For the most part this book is a reference material. Included are details of ancestor voyages, accounts of major incidents, the impacts those incidents had on these families, and more. There are steamer ship voyages documented for 27 families and for 795 individuals. There are 32 family trees presented. The Index includes 731 unique surnames and 2948 individuals documented in the family trees presented. The early chapters of this book describe the experience of the voyage and American citizenship process for our Sicilian immigrant ancestors, the \"incidents\" which occurred in New Orleans which caused the massive family dispersions, as well as a short description of Chiusa Sclafani and New Orleans. The middle chapters contain the steamer ship voyages for many of those who left the island of Sicily and entered America. This is the main artery of this book, which connects the present to the past and vice-versa. This chapter will help many people in their research by \"jumping the ocean\"

Storia Della Vita E Dei Viaggi Di Cristoforo Colombo Scritta Da Washington Irving Americano

Jonathan Swift has had a profound impact on almost all the national literatures of Continental Europe. The celebrated author of acknowledged masterpieces like A Tale of a Tub (1704), Gulliver's Travels (1726), and A Modest Proposal (1729), the Dean of St Patrick's, Dublin, was courted by innumerable translators, adaptors, and retellers, admired and challenged by shoals of critics, and creatively imitated by both novelists and playwrights, not only in Central Europe (Germany and Switzerland) but also in its northern (Denmark and Sweden) and southern (Italy, Spain, and Portugal) outposts, as well as its eastern (Poland and Russia, Hungary, Romania, and Bulgaria) and Western parts - from the beginning of the eighteenth century to the present day.
