## Pure

\*\*\*Out now: Andrew Miller's new novel THE LAND IN WINTER\*\*\* 'ANDREW MILLER'S WRITING IS A SOURCE OF WONDER AND DELIGHT' Hilary Mantel 'ONE OF OUR MOST SKILFUL CHRONICLERS OF THE HUMAN HEART AND MIND' Sunday Times \*\*\*Winner of the Costa Book of the Year Award\*\*\* 'Irresistibly compelling' Sunday Telegraph \* 'Dazzling' Guardian \* 'A work of beauty' The Times An enthralling tale of an extraordinary year in pre-revolutionary Paris from the critically acclaimed author of Oxygen and The Slowworm's Song Deep in the heart of Paris, its oldest cemetery is, by 1785, overflowing, tainting the very breath of those who live nearby. Into their midst comes Jean-Baptiste Baratte, a young, provincial engineer charged by the king with demolishing it. At first Baratte sees this as a chance to clear the burden of history, a fitting task for a modern man of reason. But before long, he begins to suspect that the destruction of the cemetery might be a prelude to his own. PRAISE FOR ANDREW MILLER 'Unique, visionary, a master at unmasking humanity' Sarah Hall 'A highly intelligent writer, both exciting and contemplative' The Times 'A wonderful storyteller' Spectator

## Pure

Julianna Baggott presents her beautifully written, riveting, breakout novel, PURE, the first volume in her new post-apocalypse thriller trilogy. We know you are here, our brothers and sisters . . . Pressia barely remembers the Detonations or much about life during the Before. In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather, she thinks about what is lost-how the world went from amusement parks, movie theaters, birthday parties, fathers and mothers . . . to ash and dust, scars, permanent burns, and fused, damaged bodies. And now, at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or, if they are too damaged and weak, to be used as live targets, Pressia can no longer pretend to be small. Pressia is on the run. Burn a Pure and Breathe the Ash . . . There are those who escaped the apocalypse unmarked. Pures. They are tucked safely inside the Dome that protects their healthy, superior bodies. Yet Partridge, whose father is one of the most influential men in the Dome, feels isolated and lonely. Different. He thinks about loss-maybe just because his family is broken; his father is emotionally distant; his brother killed himself; and his mother never made it inside their shelter. Or maybe it's his claustrophobia: his feeling that this Dome has become a swaddling of intensely rigid order. So when a slipped phrase suggests his mother might still be alive, Partridge risks his life to leave the Dome to find her. When Pressia meets Partridge, their worlds shatter all over again.

## Pure

Alex longs for a normal life as a half-blood and grapples with her destiny as the second Apollyon, which is exacerbated by her infuriating connection to Seth and her forbidden feelings for pure-blood Aiden, all while she battles daimons and pures who threaten her survival.

## Pure

Now a major Channel 4 series Rose Cartwright has OCD, but not as you know it. Pure is the true story of her ten-year struggle with 'Pure O', a little-known form of the condition, which causes her to experience intrusive sexual thoughts of shocking intensity. It is a brave and frequently hilarious account of a woman who refused to give up, despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies. Eventually, the love of family and friends, and Rose's own courage and

sense of humour prevailed, inspiring this deeply felt and beautifully written memoir. At its core is a lesson for all of us: when it comes to being happy with who we are, there are no neat conclusions.

## **Pure Faith**

Authentic prayer begins when we realize that we do not know how to pray. But what do we do after this realization? Pure Faith is a hardcover devotional written to help people deepen their interior life so that they can encounter God on a daily basis. It contains prayers for every occasion, prayers before and after Mass and Confession, prayers to various saints, and a wealth of advice on how to develop a rich prayer life.

## **Fuse**

Bestselling author Julianna Baggott presents the second volume in her new post-apocalyptic, dystopian thriller trilogy. We want our son returned. This girl is proof that we can save you all. If you ignore our plea, we will kill our hostages one at a time. To be a Pure is to be perfect, untouched by Detonations that scarred the earth, and sheltered inside the paradise that is the Dome. But Partridge escaped to the outside world, where Wretches struggle to survive amid smoke and ash. Now, at the command of Partridge's father, the Dome is unleashing nightmare after nightmare upon the Wretches in an effort to get him back. At Partridge's side is a small band of those united against the Dome: Lyda, the warrior; Bradwell, the revolutionary; El Capitan, the guard; and Pressia, the young woman whose mysterious past ties her to Partridge in ways she never could have imagined. Long ago a plan was hatched that could mean the earth's ultimate doom. Now only Partridge and Pressia can set things right. To save millions of innocent lives, Partridge must risk his own by returning to the Dome and facing his most terrifying challenge. And Pressia, armed only with a mysterious Black Box containing a set of cryptic clues, must travel to the very ends of the earth, to a place where no map can guide her. If they succeed, the world will be saved. But should they fail, humankind will pay a terrible price . . .

## **Pure Nurture**

Self Care During Pregnancy: Self-care is gentle; it is not strict or regimented. It is not another line item to add to your to-do list. It is moment-by-moment, day-by-day, relaxing into what is and allowing yourself to feel loved and taken care of. Just as you will love and take care of your baby, you first give the same care and attention to you.

## **Pure Life**

A harrowing, intense, powerful new novel that reads like a classic, from one of the great writers of his generation. Nineteen battles his way into the pros, becomes the quarterback, becomes the myth. Marries the owner's daughter, touches greatness few will ever dream of, retires into what he assumes will be the promised afterlife of days on the golf course, celebrity endorsements, and cushy real estate investments. But markets tank, family disintegrates, fame fades, and the holes in his mind and memory from a career of punishment on the field become too large and frightening to ignore. When he hears of a miracle brain damage treatment forbidden in the U.S., he travels to the Mosquito Coast of Honduras in search of a chance to restore himself to the man he was. Instead, he finds himself on a journey that plunges him into a darkness more violent and horrific than he could have possibly imagined—at once a fight for his life and to hold onto the shards and fragments of the life he's fighting for. A sports saga, sprawling thriller, and existential reckoning with the rot at the core of the west, told by an unheralded, singular master, Pure Life is a daring, complex, and brutal confrontation with and demolition of our modern myths in the most primal of settings—one as perilous as it is imperiled.

## Pure Skin

Skincare is self-care. This guide book helps you get to know and improve your skin health with useful tips and recommendations for using everyday ingredients and skin products in a super simple, unique-to-you ritual. Vicky Tsai, founder of Tatcha Skin Care, is sharing generations-old, time-tested Japanese skincare traditions with you. No matter how you customize it, all you need is two minutes and four steps: Purify, Polish, Prep, and Nourish. But Pure Skin isn't just about basic skincare, it's also about a lifestyle; it begins with how you eat and even how you sleep. You'll also learn about: · East vs. West: Learn why spot treatment and quick fixes never make lasting changes · A Silken Path to Softer Skin: Pamper yourself with silk in five different ways · What's Your Skincare Psyche?: Discover your skincare personality and what treatment will work for you · Sheet Masks Demystified: Indulge in this scientifically-proven beauty trend once a week · Ingredients to Believe In: Use the six traditional ingredients found in Japanese skincare · The Japanese Diet for Clear Skin: Feed your skin with the trinity of Japanese superfoods

## Pure Soapmaking

The pure luxury of soaps made with coconut butter, almond oil, aloe vera, oatmeal, and green tea is one of life's little pleasures. And with the help of Anne-Marie Faiola, author of Soap Crafting and Milk Soaps, it's easy to make luscious, all-natural soaps right in your own kitchen. This collection of 32 recipes ranges from simple castile bars to intricate swirls, embeds, and marbled and layered looks. Begin with a combination of skin-nourishing oils and then add blueberry puree, dandelion-infused water, almond milk, coffee grounds, mango and avocado butters, black tea, or other delicious ingredients — and then scent your soap with pure essential oils. Step-by-step photography guides you through every stage of cold-process soapmaking.

## Pure Adulteration

Benjamin R. Cohen uses the pure food crusades at the turn of the twentieth century to provide a captivating window onto the origins of manufactured foods in the United States. In the latter nineteenth century, extraordinary changes in food and agriculture gave rise to new tensions in the ways people understood, obtained, trusted, and ate their food. This was the Era of Adulteration, and its concerns have carried forward to today: How could you tell the food you bought was the food you thought you bought? Could something manufactured still be pure? Is it okay to manipulate nature far enough to produce new foods but not so far that you question its safety and health? How do you know where the line is? And who decides? In Pure Adulteration, Benjamin R. Cohen uses the pure food crusades to provide a captivating window onto the origins of manufactured foods and the perceived problems they wrought. Cohen follows farmers, manufacturers, grocers, hucksters, housewives, politicians, and scientific analysts as they struggled to demarcate and patrol the ever-contingent, always contested border between purity and adulteration, and as, at the end of the nineteenth century, the very notion of a pure food changed. In the end, there is (and was) no natural, prehuman distinction between pure and adulterated to uncover and enforce; we have to decide. Today's world is different from that of our nineteenth-century forebears in many ways, but the challenge of policing the difference between acceptable and unacceptable practices remains central to daily decisions about the foods we eat, how we produce them, and what choices we make when buying them.

## Pure

From the cruelty of the playground to embarrassing parents to the trauma surrounding losing your virginity, Ray brings back all those adolescent happenings you'd rather not remember. But she makes you laugh as you do.--Kate Figes, Elle (Britain).

## In a Pure Muslim Land

Centering Pakistan in a story of transnational Islam stretching from South Asia to the Middle East, Simon

Wolfgang Fuchs offers the first in-depth ethnographic history of the intellectual production of Shi'is and their religious competitors in this "Land of the Pure." The notion of Pakistan as the pinnacle of modern global Muslim aspiration forms a crucial component of this story. It has empowered Shi'is, who form about twenty percent of the country's population, to advance alternative conceptions of their religious hierarchy while claiming the support of towering grand ayatollahs in Iran and Iraq. Fuchs shows how popular Pakistani preachers and scholars have boldly tapped into the esoteric potential of Shi'ism, occupying a creative and at times disruptive role as brokers, translators, and self-confident pioneers of contemporary Islamic thought. They have indigenized the Iranian Revolution and formulated their own ideas for fulfilling the original promise of Pakistan. Challenging typical views of Pakistan as a mere Shi'i backwater, Fuchs argues that its complex religious landscape represents how a local, South Asian Islam may open up space for new intellectual contributions to global Islam. Yet religious ideology has also turned Pakistan into a deadly battlefield: sectarian groups since the 1980s have been bent on excluding Shi'is as harmful to their own vision of an exemplary Islamic state.

## **Pure**

Anne Geddes's critically acclaimed *PURE* offers breathtaking images that intimately evoke the wonder of the first precious days and weeks of life.

## **Pure Narco**

It's a life story that reads like something out of a John Grisham or Elmore Leonard novel that it's remarkable it has remained untold for so long. Careers in the cocaine-trafficking business are usually short. It's not only a dangerous profession, fraught with the possibility of capture and long jail sentences, but it can be deadly if the cartels get to you first. Not for Luis Antonio Navia. For 25 years the Cuban-American smuggled hundreds of tons of white powder for the biggest cartels in Colombia and Mexico, including Pablo Escobar's Medellin Cartel. In a profession populated by thugs, Navia's dress sense and good manners earned him the nickname 'El Senador' (The Senator). He refused to carry a weapon. What made him good at his job was amassing trusted contacts, losing very few shipments of coke, and keeping a low profile. He also maintained a normal family life with a Colombian wife and two young children. But he was never far removed from the most brutal violence imaginable. One friend got his head cut off. Another was hit over the head, put in a 55-gallon drum full of cement and dumped in a canal. Navia himself was kidnapped three times and went close to being fed alive to crocodiles. Somehow through it all he managed to survive and spent two decades fooling the DEA and other law-enforcement agencies. That was until he came under the radar of Robert Harley, a tenacious US Customs special agent in Key West, Florida, who was determined to bring him to justice. What followed was an international game of cat-and-mouse that culminated in Navia's 2000 arrest in Venezuela in one of the biggest antinarcotics takedowns of all time, the 12-nation Operation Journey. Spanning decades, continents and featuring a who's who of the drug trade, *Pure Narco* is a fast-paced adventure ride into the dark underworld of cocaine trafficking, written with the cooperation of a dozen law-enforcement agents from the world's top antinarcotics forces in the United States and Great Britain. It also contains insider insights into how the global drug business operates and offers some cogent solutions to the never-ending 'war on drugs'. Navia served his time in jail and is now free to tell his tale. His is the rare perspective of someone who has worked on both sides of that war- as a cocaine trafficker and US Government consultant. This book is a redemption story. Luis Navia, the pure narco, has gone full circle.

## **Pure Invention**

The untold story of how Japan became a cultural superpower through the fantastic inventions that captured—and transformed—the world's imagination. "A masterful book driven by deep research, new insights, and powerful storytelling."—W. David Marx, author of *Ametora: How Japan Saved American Style* Japan is the forge of the world's fantasies: karaoke and the Walkman, manga and anime, Pac-Man and Pokémon, online imageboards and emojis. But as Japan media veteran Matt Alt proves in this brilliant

investigation, these novelties did more than entertain. They paved the way for our perplexing modern lives. In the 1970s and '80s, Japan seemed to exist in some near future, gliding on the superior technology of Sony and Toyota. Then a catastrophic 1990 stock-market crash ushered in the "lost decades" of deep recession and social dysfunction. The end of the boom should have plunged Japan into irrelevance, but that's precisely when its cultural clout soared—when, once again, Japan got to the future a little ahead of the rest of us. Hello Kitty, the Nintendo Entertainment System, and multimedia empires like Dragon Ball Z were more than marketing hits. Artfully packaged, dangerously cute, and dizzyingly fun, these products gave us new tools for coping with trying times. They also transformed us as we consumed them—connecting as well as isolating us in new ways, opening vistas of imagination and pathways to revolution. Through the stories of an indelible group of artists, geniuses, and oddballs, *Pure Invention* reveals how Japan's pop-media complex remade global culture.

## **Pure**

A single mother and her daughter move to a new city and encounter neighbors that are not your typical kind. What is it about the neighbors that are not quite right? What is it about the forest that intrigues them? This is a suspenseful story of a not so ordinary life of a teenager and the adventures and obstacles she runs into. This book is one you don't want to put down. It keeps you in suspense waiting to read what happens next.

## **Pure Fire**

In this study of self-defense as it was debated and practiced during the civil rights era, the decision to defend oneself and family is reframed in terms of a daily concern for many African Americans who faced the continual menace of white aggression.

## **Pure Delicious**

2017 James Beard Foundation Book Award nominee The most beautiful and comprehensive resource available for anyone facing food allergies — or cooking for someone who does — with 150 shockingly tasty recipes. Allergen-free cooking has never been easier or more appealing than in these recipes made entirely without dairy, soy, nuts, peanuts, gluten, seafood, cane sugar, or eggs. Created by a mother (and power blogger) whose young children were diagnosed with severe food allergies and herself has multiple food sensitivities, this collection of family-friendly recipes means no more need to make multiple meals; everyone can enjoy every single dish because all are free of the major allergy triggers. With an 8-week elimination diet to help readers identify allergens and a game plan for transitioning to a cleaner, safer way of eating that is kid-tested and parent-approved, *Pure Delicious* changes cooking for the family from a minefield to an act of love.

## **Pure Grit**

"A must-read" --Julie Dussliere, Chief of Paralympic Sport, U.S. Olympic & Paralympic Committee  
Nineteen people from across the globe, ranging in age from twenty to seventy-plus, tell their stories of living and thriving in diverse fields -- in sport, the arts, medicine, business and more. With refreshing frankness, they share their successes along with their struggles -- grit is the one characteristic they all have in common. These are not stories of people overcoming disability -- they're stories of people accommodating disability while pursuing their dreams. *Pure Grit* shines a light on boundless possibility whatever the individual challenge. "*Pure Grit* highlights the lived experience of remarkable individuals, who collectively demonstrate that growing up with a disability brings strength, perspective, and resilience." --Dr. Cheri Blauwet, Assistant Professor of PM&R, Harvard Medical School  
"An insightful collection of stories." --Dr. Christine Imms, Apex Australia Chair of Neurodevelopment and Disability, University of Melbourne  
"The stories in *Pure Grit* are a testament to human achievement no matter your ability. An extraordinary read." --Casey Wasserman, Chairperson, Los Angeles 2028 Olympic and Paralympic Games

## **Pure**

Tabitha and her four best friends all wear Purity Rings, symbols of the virginity-until-marriage pledge they made as tweens. Now 15, the girls split apart when one of them admits that she has broken the pledge.

## **Pure, White, and Deadly**

More than 40 years before Gary Taubes published *The Case Against Sugar*, John Yudkin published his now-classic exposé on the dangers of sugar—reissued here with a new introduction by Robert H. Lustig, the bestselling author of *Fat Chance*. Scientist John Yudkin was the first to sound the alarm about the excess of sugar in the diet of modern Americans. His classic exposé, *Pure, White, and Deadly*, clearly and engagingly describes how sugar is damaging our bodies, why we eat so much of it, and what we can do to stop. He explores the ins and out of sugar, from the different types—is brown sugar really better than white?—to how it is hidden inside our everyday foods, and how it is harming our health. In 1972, Yudkin was mostly ignored by the health industry and media, but the events of the last forty years have proven him spectacularly right. Yudkin's insights are even more important and relevant now, with today's record levels of obesity, than when they were first published. Brought up-to-date by childhood obesity expert Dr. Robert H. Lustig, this emphatic treatise on the hidden dangers of sugar is essential reading for anyone concerned about their health, the health of their children, and the wellbeing of modern society.

## **The Rich and the Pure**

A portrait of history's first complex Christian society as seen through the lens of Christian philanthropy and gift giving As the Roman Empire broke down in western Europe, its prosperity moved decisively eastward, to what is now known as the Byzantine Empire. Here was born history's first truly affluent, multifaceted Christian society. One of the ideals used to unite the diverse millions of people living in this vast realm was the Christianized ideal of philanthropy. In this sweeping cultural and social history, Daniel Caner shows how philanthropy required living up to Jesus's injunction to "Give to all who ask of you," by offering mercy and/or material aid to every human being, regardless of their origin or status. Caner shows how Christian philanthropy became articulated through distinct religious ideals of giving that helped define proper social relations among the rich, the poor, and "the pure" (Christian holy people), resulting in new and enduring social expectations. In tracking the evolution of Christian giving over three centuries, he brings to the fore the concerns of the peoples of Early Byzantium, from the countryside to the lower levels of urban society to the imperial elites, as well as the hierarchical relationships that arose among them. *The Rich and the Pure* offers nothing less than a portrait of the whole of early Byzantine society.

## **The Pure Food, Drink, and Drug Crusaders, 1879-1914**

Under a likeness of President Theodore Roosevelt in the Library of Congress, a plaque lists the Pure Food and Drink Law of 1906 as one of the three landmark achievements of his administration. Few authorities would disagree. Designed to ensure the safety of foods, drinks and drugs, the law was one of the first pieces of social legislation enacted in the United States. Among the most enthusiastic and persistent crusaders for the bill's passage were a wide array of women's groups, many politically active for the first time. Based in large part on primary sources, this work examines the many groups involved in the passage of the Pure Food and Drink Law and how their work affected American society. Part One examines the origins of the movement and why women became so involved. Part Two focuses on the primary groups involved in the law's passage, such as the National Woman's Christian Temperance Union and the General Federation of Women's Clubs. How it was that such diverse groups rallied around this issue is also explored. The industrial and political opposition to the law and how the crusaders overcame it is covered in Part Three, along with details on how the law's proponents were able to pressure the U.S. Congress into passing it and how they worked to see it fully implemented.

## Pure Murder

Includes excerpt from Murdered Innocents.

## Pure and the Impure

"Tomomi Hanamura, a Japanese citizen who loved exploring the rugged wilderness of the American West, was killed on her birthday May 8, 2006. She was stabbed 29 times as she hiked to Havasu Falls on the Havasupai Indian Reservation at the bottom of Grand Canyon. Her killer was an 18-year old Havasupai youth named Randy Redtail Wescogame who had a history of robbing tourists and was addicted to meth. It was the most brutal murder ever recorded in Grand Canyon's history."--Amazon.com.

## Pure Yoga

Pakistan was carved out in 1947 to protect the subcontinent's largest religious minority. But soon after Independence, political, religious and social leaders proclaimed it an Islamic State. Purifying the Land of the Pure is an analysis of the country's policies towards its religious minority populations, as well as an attempt to set the record straight about why Pakistan was created and where it moved away from Jinnah's modern pluralist vision to that of a purely Sunni Islamic nation. Farahnaz Ispahani brings to the subject an uncommon combination: the rigour of a scholar and the ground-level experience of a parliamentarian. A crucial addition to the literature on Pakistan.

## Pure Land

Do not be shaped by this world; instead be changed within by a new way of thinking. Then you will be able to decide what God wants for you; you will know what is good and pleasing to him and what is perfect. (Romans 12:2) Emotions saturate Scripture. God is an emotional God not in the same way we talk about an emotional person. But God is certainly aware of the runaway emotions we were referring to when we put a negative spin on emotions. We can't escape God's presence. That means he sees and hears alongside us, including our (often messy) emotions. And if we let him, God will replace those untruthful messages we've learned about emotions along the journey of life with the truthful messages reflecting his character, will, and commands. God didn't mess up his design of you. He created you in his image. He has a plan for your life. He even knew what mistakes you'd make throughout your life, and he still loves you and wants nothing more than to be in an ever-deepening relationship with you. He will pursue you whether you're not following him and need to make that decision or you're following him marginally or you're passionate about him. He designed you for more, and he will pursue you, tapping you on the shoulder, whispering in your ear, and knocking on the door of your heart so that your daily life including your decisions, attitudes, and yes, emotions is impacted in the purity of who he created you to be and the everyday messiness of living on Earth. If your emotions aren't reflecting the character of God well, you're probably distorting something and need to get back on track. That's what this journey is about: growing closer to God, getting to know him better, and committing to reflecting him more and more on a daily basis. Pure Emotion will dig into, reflect upon, and live out God's Word. Chapters include: Week One: The Emotional Experience Week Two: What's a Pure Emotion? Week Three: Fear Week Four: Jealousy Week Five: Anger Week Six: Anxiety and Peace Week Seven: Frustration Week Eight: Guilt and Shame Week Nine: Joy Week Ten: Living Emotionally Pure

## Purifying the Land of the Pure

READERS LOVE THE FIRST BOOK IN JLA'S ACCLAIMED STEAMY COVENANT SERIES

???\u200d? 'Left me utterly speechless!!!!' ????? 'Holy crap on a cracker this book is brilliant!' ????? 'This is right up there with Twilight, The Mortal Instruments, and Vampire Academy' ????? 'If you are in the mood for fiery, snarky characters, a fast-paced plot and a lot of swooning, go for it' ????? 'The perfect hit for those

of us who have been ailing from Vampire Academy withdrawals' ????? TROPES Love triangle ??? Forbidden romance ??? Strong FMC ? Demons ? Magic powers ? You will kill the ones you love. It is in your blood, in your fate. Seventeen-year-old Alex and her mother have spent years on the run from the Covenant, a school where the pure descendants of gods hone their powers and half-mortal teens like Alex train to kill daimons for them. But when her mom is murdered by daimons and she has nobody else to turn to, Alex finds herself back at the Covenant, where she has two options: become a servant for the pures or work twice as hard as everyone else to catch up in her training. The second option seems like an easy choice, but everything gets complicated when pure-blood Aiden volunteers to be her personal trainer. Because not only is Aiden gorgeous, but he also understands Alex in a way she's never experienced before. Unfortunately, relationships between pures and half-bloods are strictly forbidden. But falling for Aiden isn't her biggest problem. As she learns the true reason her mother whisked her away from the Covenant and daimons close in on the school, she must fight to stay alive...even if it's her fault those around her are dropping dead.

## **Pure Emotion**

Aiden fights to free Alex from her connection to Seth and prevent him from becoming the God Killer.

## **That the Blood Stay Pure**

Essays by Gilles Deleuze on the search for a new empiricism. The essays in this book present a complex theme at the heart of the philosophy of Gilles Deleuze, what in his last writing he called simply "\"a life.\" They capture a problem that runs throughout his work--his long search for a new and superior empiricism. Announced in his first book, on David Hume, then taking off with his early studies of Nietzsche and Bergson, the problem of an \"empiricist conversion\" became central to Deleuze's work, in particular to his aesthetics and his conception of the art of cinema. In the new regime of communication and information-machines with which he thought we are confronted today, he came to believe that such a conversion, such an empiricism, such a new art and will-to-art, was what we need most. The last, seemingly minor question of \"a life\" is thus inseparable from Deleuze's striking image of philosophy not as a wisdom we already possess, but as a pure immanence of what is yet to come. Perhaps the full exploitation of that image, from one of the most original trajectories in contemporary philosophy, is also yet to come.

## **Half-Blood**

All my existence, I have loved one woman. But she was never meant to be mine. I loved her when she was the intended bride for another. I betrayed him too. I loved her after they married. I took what wasn't mine. I paid my penance by dying in his stead. But it wasn't enough to restore the Balance. When the Goddess gave me a chance to make things right, to serve as a soldier of the Pure Ones, I embraced that offer. Even though what I really wanted to do was stay dead and numb. Never to be reawakened in this world. Never to feel again. To yearn and desire and seethe with jealousy and despair at my own helplessness. The Goddess warned me at the moment of my death and rebirth not to want her again. For our paths would cross in the future, though I wouldn't know the time and place. Nor would I recognize her physical incarnation. For she was never meant to be mine. Will never be mine. But the moment I realized who she was—the Pure Queen I'd been assigned to protect as the Paladin—the moment I recognized her soul, I Fell again. I wanted. I craved. I yearned. I seethed. I resisted. I pushed her away over and over again. Made her angry and confused. Made her hate me. But Goddess above! I cannot change how I feel. I cannot stop wanting her. Cannot stop loving her. All my existence, my body, heart and soul have belonged to one woman. Even though she can never be mine. I love her still. I love her forever. This is the beginning of the end of our story. Judge me if you dare.

## **Apollyon**

'Rich and moving' New York Times 'A book that expands and breaks your heart' Adelle Waldman, author of

The Love Affairs of Nathaniel P. A revelatory enquiry into selfhood, freedom, mortality, storytelling, and what it means to be a mother's daughter During one of the texting sessions that became our habit over the period I now think of as both late and early in our relationship, my mother revealed the existence of someone named Janis Jerome. So begins Michelle Orange's extraordinary inquiry into the meaning of maternal legacy - in her own family and across a century of seismic change. Jerome, she learns, is one of her mother's many alter egos: the name used in a case study, eventually sold to the Harvard Business Review, about her midlife choice to leave her husband and children to pursue career opportunities in a bigger city. A flashpoint in the lives of both mother and daughter, the decision forms the heart of a broader exploration of the impact of feminism on what Adrienne Rich called 'the great unwritten story': that of the mother-daughter bond. Through a blend of memoir, social history, and cultural criticism, *Pure Flame* pursues a chain of personal, intellectual, and collective inheritance, tracing the forces that helped transform the world and what a woman might expect from it.

## **Pure Immanence**

The Tibetan district of Tsari with its sacred snow-covered peak of Pure Crystal Mountain has long been a place of symbolic and ritual significance for Tibetan peoples. In this book, Toni Huber provides the first thorough study of a major Tibetan Buddhist pilgrimage center and cult mountain, and explores the esoteric and popular traditions of ritual there. The main focus is on the period of the 1940s and '50s, just prior to the 1959 Lhasa uprising and subsequent Tibetan diaspora into South Asia. Huber's work thus documents Tibetan life patterns and cultural traditions which have largely disappeared with the advent of Chinese colonial modernity in Tibet. In addition to the work's documentary content, Huber offers discussion and analysis of the construction and meaning of Tibetan cultural categories of space, place, and person, and the practice of ritual and organization of traditional society in relation to them.

## **Pure Providence**

In this first book featuring the breadth of Barbara Van Cleve's subject matter, readers experience her other themes, including Rodeo as Dance, striking night scenes, the Great Montana Centennial Cattle Drive series, and documentation of the Spanish Mission Trail in Baja California, Mexico.

## **Pure Flame**

The Chinese Communist Party points to the Hui--China's largest Muslim ethnic group--as a model ethnic minority and touts its harmonious relations with the group as an example of the party's great success in ethnic politics. The Hui number over ten million, but they lack a common homeland or a distinct language, and have long been partitioned by sect, class, region, and language. Despite these divisions, they still express a common ethnic identity. Why doesn't conflict plague relationships between the Hui and the state? And how do they navigate their ethnicity in a political climate that is increasingly hostile to Muslims? *Pure and True* draws on interviews with ordinary urban Hui--cooks, entrepreneurs, imams, students, and retirees--to explore the conduct of ethnic politics within Hui communities in the cities of Jinan, Beijing, Xining, and Yinchuan and between Hui and the Chinese party-state. By examining the ways in which Hui maintain ethnic identity through daily practices, it illuminates China's management of relations with its religious and ethnic minority communities. It finds that amid state-sponsored urbanization projects and in-country migration, the boundaries of Hui identity are contested primarily among groups of Hui rather than between Hui and the state. As a result, understandings of which daily habits should be considered \"proper\" or \"correct\" forms of Hui identity diverge along professional, class, regional, sectarian, and other lines. By channeling contentious politics toward internal boundaries, the state is able to manage ethnic politics and exert control.

## **The Cult of Pure Crystal Mountain**

This diverse anthology of original Buddhist texts in translation provides a historical and conceptual

framework that will transform contemporary scholarship on Pure Land Buddhism and instigate its recognition as an essential field of Buddhist studies. Traditional and contemporary primary sources carefully selected from Buddhist cultures across historical, geopolitical, and literary boundaries are organized by genre rather than chronologically, geographically, or by religious lineage—a novel juxtaposition that reveals their wider importance in fresh contexts. Together these fundamental texts from different Asian traditions, expertly translated by eminent and up-and-coming scholars, illustrate that the Buddhism of pure lands is not just an East Asian cult or a marginal type of Buddhism, but a pan-Asian and deeply entrenched religious phenomenon. The volume is organized into six parts: Ritual Practices, Contemplative Visualizations, Doctrinal Expositions, Life Writing and Poetry, Ethical and Aesthetic Explications, and Worlds beyond Sukh?vat?. Each part is introduced and summarized, and each translated piece is prefaced by its translator to supply historical and sectarian context as well as insight into the significance of the work. Common and less-common issues of practice, doctrine, and intra-religious transfer are explored, and deeper understandings of the meaning of “pure lands” are gained through the study of the celestial, cosmological, internal, and earthly pure lands associated with various buddhas, bodhisattvas, and devotional figures. The introduction by the volume editors ties the diverse themes of the book together and provides a historical background to Pure Land Buddhist studies. Scholars of Buddhism and Asian religion, including graduate and post-graduate students, as well as Buddhist practitioners, will appreciate the range of translated materials and accompanied discussions made accessible in one essential collection, the first of its kind to center on the formerly-neglected topic of Buddhist pure lands.
