

Who Was Jesus

Who Was Jesus?

This fascinating addition to the best-selling Who Was...? series does not settle questions of theology. Instead, it presents young readers with a biography that covers what is known historically about Jesus and places in his life in the context of his world when Jerusalem was part of the Roman Empire. In an even-handed and easy-to-read narrative, this title—illustrated with eighty black-and-white drawings—also explains the early origins of Christianity and how it became a major religion.

Who is Jesus?

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

What Did Jesus Look Like?

Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all the relevant problems and answers all the relevant questions. He deliberately avoids polemic and speculation, and sticks so far as possible to the known facts and to rational inferences from the facts.

Did Jesus Exist?

In this fascinating "CSI-style" investigation, Murdock, author of the controversial book "The Christ Conspiracy," examines evidence for the life of Jesus Christ, revealing that with Christianity what is seen is not always what one gets. (Christian)

Who Was Jesus?

The orderliness of the universe and the existence of human beings already provides some reason for believing that there is a God - as argued in Richard Swinburne's earlier book *Is There a God?* Swinburne now claims that it is probable that the main Christian doctrines about the nature of God and his actions in the world are true. In virtue of his omnipotence and perfect goodness, God must be a Trinity, live a human life in order to share our suffering, and found a church which would enable him to tell all humans about this. It is also quite probable that he would provide his human life as an atonement for our wrongdoing, teach us how we should live and tell us his plans for our future after death. Among founders of religions, Jesus satisfies uniquely well the requirement of living the sort of human life which God would need to have lived. But to give us adequate

reason to believe that Jesus was God, God would need to put his 'signature' on the life of Jesus by an act which he alone could do, for example raise him from the dead. There is adequate historical evidence that Jesus rose from the dead. The church which he founded gave plausible interpretations of his basic message. Therefore Christian doctrines are probably true.

Was Jesus God?

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Gospel According to Matthew

This is How Jesus Became God.

How Jesus Became God

The only book you'll ever need to read about Christianity. This remarkable book provides a critical overview of Christian beliefs and the evidence for them. Where did these beliefs come from? Are there good reasons to believe Christianity is true? Bill Zuersher clearly explains each of Christianity's major beliefs. He then proceeds to demonstrate significant difficulties with each of them. The book tackles these beliefs in a logical order, beginning with the problems at the root of virtually all religions, suffering and death, and culminating in their supposed resolution through Jesus. Mr. Zuersher also examines the evidence for Christianity, namely religious writings and the historical fact of the early Jesus movement. He makes the case that this evidence does not support the religion's claims and he provides naturalistic alternative explanations for how its core beliefs arose. In these pages we see the coalescence of Jewish and Zoroastrian religious ideas with those of Greek philosophy and mystery cults, to form the belief system we recognize as Christianity today. The result, Mr. Zuersher argues, is not revealed truth, but rather a human patchwork which contains unwarranted assumptions and logical flaws, all founded upon questionable evidence. Entertaining throughout, it is must-reading for skeptics, apologists, and anyone interested the world's largest religion or the culture wars behind today's politics -- an invaluable resource for students and teachers, writers and debaters.

Seeing through Christianity

The Bible is accurate and without error! Demolishing Supposed Bible Contradictions Volume 2 offers 40 powerful explanations to prove it. There is an increasing focus in our culture on dismissing the Bible and its authority. Generations of skeptics and the religion of evolution have influenced even some Christian leaders. By highlighting supposed errors or inconsistencies in the Bible, doubt is created in the minds of believers and stumbling blocks are put up for those trying to present the Gospel. But Biblical evidence disproves the toughest of critics while bringing to light the indestructible power of God's Word. Tim Chaffey, Ken Ham, and Bodie Hodge of Answers in Genesis highlight the answers to these debates and more: Is all Scripture inspired by God, or is some of it the opinion of the writers of Scripture? After His resurrection, did Jesus first appear to the eleven disciples on a mountain in Galilee or in Jerusalem behind closed doors? Can God be tempted? Why don't Christians follow all the Old Testament laws? Demolishing Supposed Bible Contradictions Volumes 1 and 2 are must-have references for every believer who wants to have an answer to give to those who ask a reason for their hope (1 Peter 3:15). Join the battle armed with the sword of Spirit, the truth that will defeat the lies aimed for this generation and those to follow.

Demolishing Supposed Bible Contradictions Volume 2

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

God the Son Incarnate

The Old Testament both tells the story of Israel and points to the coming Messiah. Kaiser distinguishes between Old Testament passages that describe national Israel's glorious future and those that point to Christ and his kingdom. Kaiser's chronological approach traces Israel's developing concept of Messiah through different time periods.

The Messiah in the Old Testament

Foreword written by Nancy Pearcey \ "Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." —J. Warner Wallace \ "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation.\ " —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics® is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will demolish your arguments"? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

Mama Bear Apologetics

In Did Jesus Exist? historian and Bible expert Bart Ehrman confronts the question, \ "Did Jesus exist at all?\ " Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus' mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular "mythicist" arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In Did Jesus Exist?: The Historical Argument for Jesus of Nazareth, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

Did Jesus Exist?

For the past forty years, but for only the first time in history, Christian scholars fluent in Hebrew and living in the land of Israel have collaborated with Jewish scholars to examine Jesus' sayings from a Judaic and Hebraic perspective. The result of this research confirms that Jesus was an organic part of the diverse social and religious landscape of Second Temple-period Judaism. He, like other Jewish sages of his time, used specialized methods to teach foundational Jewish theological concepts such as God's abundant grace. Jesus'

teaching was revolutionary in a number of ways, particularly in three areas: his radical interpretation of the biblical commandment of mutual love; his call for a new morality; and his idea of the Kingdom of Heaven. *Jerusalem Studies in the Synoptic Gospels*, the initial volume, focuses on the Passion Narratives in a search for the Historical Jesus. It also reexamines the synoptic problem in light of recent historical and archaeological research. The volume represents the first attempt by members and associates of the Jerusalem School to apply collectively the methodology pioneered by Robert Lindsey and David Flusser. Included in the volume is the final article written by the late Professor Flusser, *The Synagogue and the Church in the Synoptic Gospels*.

Jesus' Last Week

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Holy Bible (NIV)

No person in history has provoked more difference of opinion than Jesus of Nazareth. Some say He was a cunning fraud, while others say He must have been out of His mind. In many cases, His story is altered to suit people's agendas. While there are many ideas about Jesus, to truly understand Him, we must go to the Bible. In this booklet, Dr. R.C. Sproul presents a compelling portrait of Christ as the Son of God as he examines the biblical account. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

Who Is Jesus?

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Cold-Case Christianity

A biography of the historical figure of Jesus. The book studies the relationship between Judaism and Christianity, distinguishing the certain from the improbable, and assessing the historical and religious context of Christ's time. The spread of Christianity is also discussed.

The Historical Figure of Jesus

The book consists primarily of interviews between Strobel (a former legal editor at the *Chicago Tribune*) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, “Can the Biographies of Jesus Be Trusted?”), scientific evidence, (“Does Archaeology Confirm or Contradict Jesus' Biographies?”), and “psychiatric evidence” (“Was Jesus Crazy When He Claimed to Be the Son of God?”). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

The Case for Christ

Looks at the Gospels and examines what Christ requires of his followers in a redemptive-historical context. New and seasoned believers will see God's loving plan for their ultimate satisfaction.

What Jesus Demands from the World

Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. *Unlikely Fighter* is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

Unlikely Fighter

A True History of Jesus, his birth, death and what it means, which also goes into symbolic interpretation of his second coming and how it relates to black people in America. This title was originally written by Elijah Muhammad in the Nation of Islam's official newspaper, *Muhammad Speaks* as a 22 part series. This book is the complete series. The history of Jesus, Joseph (his real father) and mother, Mary, is given an exceptional analysis in the excellently written book.

The True History Of Jesus

The Incarnate Lord, then, considers central themes in Christology from a metaphysical perspective. Particular attention is given to the hypostatic union, the two natures of Christ, the knowledge and obedience of Jesus, the passion and death of Christ, his descent into hell, and resurrection. A central concern of the book is to argue for the perennial importance of ontological principles of Christology inherited from patristic and scholastic authors. However, the book also seeks to advance an interpretation of Thomistic Christology in a modern context. The teaching Aquinas, then, is central to the study, but it is placed in conversation with various modern theologians, such as Karl Barth, Karl Rahner and Hans Urs von Balthasar. Ultimately the goal of the work is to suggest how traditional Catholic theology might thrive under modern conditions, and also develop fruitfully from engaging in contemporary controversies.

The Incarnate Lord

Do you share your faith often--or at all? All Christians are called to be evangelists. But many believers ask: What is an evangelist? How do I begin to talk to someone about Jesus? What must I say? This book offers answers about evangelism straight from the pages of Scripture.

Jesus the Evangelist

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Jesus the Man

LIFE Books managing editor, Robert Sullivan, has twice been awarded the Wilbur Award for best religion feature in a national magazine and has authored LIFE's New York Times best-selling biography of Pope John Paul II. He brings to this book his expertise on the subject of Christianity a long with text informed by the world's great scholars, theologians and religious figures. Jesus emerged from nowhere to become, in his short

life—perhaps as few as 32 years—a thinker, teacher and preacher whose words and deeds would change the world and become the foundation for the world's largest religion. But the biography as outlined in the New Testament and apocryphal writings only tells us so much. LIFE's editors go, in words and pictures, in search of Jesus of Nazareth, the carpenter's son who would one day influence all. The great photographer Denis Waugh once made a thorough, colorful and moving pictorial pilgrimage to the Holy Land exclusively for LIFE, and those images will anchor our quest. We will travel, as well, to the Vatican, to the missions of Africa, to the Glide Memorial Church in San Francisco—to all that has risen in Jesus, name. In the book's final section, we will look at Christianity today: Its still vastly influential place in our tumultuous world.

LIFE Jesus

Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. *A Stranger in the House of God* addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith.

A Stranger in the House of God

In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to *Hillbilly Elegy*” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, *New York Times* bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a “toxic faith,” the other into a self-destructive spiral. *Where the Light Fell* is a gripping family narrative set against a turbulent time in post-World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. “I truly believe this is the one book I was put on earth to write,” says Yancey. “So many of the strands from my childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward.”

Where the Light Fell

Jesus was a Jew who was born, lived, and died within first-century Judaism. His lifestyle was characteristic of the Jews of that day. Since the New Testament is highly Hebraic- background, writers, culture, religion, traditions, concepts, etc.- any full understanding needs this perspective.

Yeshua

The author discusses the geneology of Jesus Christ and his family, especially the image that he was Black.

Jesus Silences His Critics

\ "Argues that Mark's author used the genre of biography to extend the gospel from an earlier narrow focus on the death and resurrection of Jesus so that it included the way of life of its founding figure\"--

Simply Jesus

The mystery of a newly translated “gospel”—filled with startling revelations and fascinating detail about the life and times of Jesus—is now revealed in this ground-breaking follow-up to the New York Times bestseller *The Jesus Family Tomb*. Waiting to be rediscovered in the British Library is an ancient manuscript from early Christianity, copied by an anonymous monk. This document is at least 1,450 years old, possibly dating to the first century, but it has never been properly translated or decoded. Until now. Working with an expert team of translators and digital imaging experts, acclaimed authors Simcha Jacobovici and Barrie Wilson provide the first-ever translation, from Syriac into English, of this unique document, which tells the inside story of Jesus’ social, family and political life. *The Lost Gospel* takes readers on an unparalleled historical adventure through this paradigm-shifting text. What the authors eventually discover is as astounding as it is unexpected: the confirmation of Jesus’ marriage to Mary the Magdalene; the names of their two children; a previously unknown plot on Jesus’ life more than a decade prior to the crucifixion; an attempt to abduct Mary and kill the children; the politics behind the crucifixion; and a religious movement that antedates that of Paul’s—the Church of Mary the Magdalene. Part detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia. Jacobovici and Wilson’s surprising discovery and vigorous scholarly research position this ancient text alongside the Dead Sea Scrolls and Gnostic writings as a pillar of our evolving understanding of the historical Jesus. Translation of ancient text by Tony Burke

What Color was Jesus?

Craig Greenfield has dedicated his life to following the most subversive teachings of Jesus. These amazing stories of a young family living obedient to God's radical call will inspire and challenge readers as they dare to reconsider how Jesus might be calling all of us to love our world.

The First Biography of Jesus

Born a humble girl in what is now Albania, Agnes Bojaxhiu lived a charitable life. She pledged herself to a religious order at the age of 18 and chose the name Sister Teresa, after the patron saint of missionaries. While teaching in India, where famine and violence had devastated the poor, Teresa shed her habit and walked the streets of Calcutta tending to the needs of the destitute. Her charity work soon expanded internationally, and her name remains synonymous with compassion and devotion to the poor.

The Lost Gospel

The whole of Scripture, Old Testament and New, is being published in a single volume, featuring the beautiful Revised Standard Version Second Catholic Edition (RSV2CE) translation along with introductions, outlines, and explanatory notes for each biblical book, extensive cross references to the Catechism of the Catholic Church, and an array of visual and educational aids to bring the message of Scripture into clear focus for Catholic readers. More than any other study edition of the Bible on the market, the Ignatius Catholic Study Bible is \"like a householder who brings out of his treasure what is new and what is old\" (Mt 13:52). It draws insights from the best of modern scholarship as well as the best of the Catholic tradition of

interpretation through the ages. It explains the historical, cultural, literary, and archaeological background of Scripture, while at the same time looking to the Fathers, Doctors, and Councils of the Church for insight into its theological and spiritual teachings. The result is a veritable library of Bible study resources, all under one cover, designed to help readers understand the written Word of God and apply its lessons to their lives today. It is simply the most ambitious undertaking of its kind in our generation. Key Features: Introductions and Outlines for every book of the Bible 17,500+ explanatory footnotes for every chapter of the Bible 20+ topical essays on major topics in the Bible 140+ word studies on the most important vocabulary in the Bible 25+ charts on the chronology, kings, parables, and other features of the Bible 50+ maps on the geography of the Bible 1,700+ cross-references to the Catechism of the Catholic Church 9 point type size, 7 point type for footnotes The Ignatius Press Study Bible has been developed by leading Scripture scholars: Scott Hahn, Ph.D., General Editor, St. Paul Center Curtis J. Mitch, M.A., Co-Editor Contributing Authors: Kelly Anderson, S.S.L., Ph.D., Saint Charles Borromeo Seminary Michael Barber, Ph.D., Augustine Institute John Bergsma, Ph.D, Franciscan University and St. Paul Center Mark Giszczak, S.S.L., Ph.D., Augustine Institute John A. Kincaid, Ph.D., University of Mary Jeffrey L. Morrow, Ph.D., St. Paul Center James B. Prothro, Ph.D., Augustine Institute Andrew Swafford, S.T.D., Benedictine College LeeAnne Thomas, M.A. Matthew J. Thomas, D.Phil., Dominican School of Philosophy & Theology David Twellman, Ph.D., Sacred Heart Major Seminary André Villeneuve, Ph.D., Sacred Heart Major Seminary & Jerusalem Center for Biblical Studies

Subversive Jesus

"The book harvests the work of numerous scholars on early Christology to equip laypersons and students with a solid understanding of how the pages of Scripture reveals Jesus Christ to be fully divine. It seeks to show that orthodox Trinitarian Christianity was not invented later but is rooted in both the Old and New Testaments"--
