Anaesthesia: An Introduction

Anaesthesia is an evolving medical speciality, with new drugs, techniques, and equipment constantly being sought to improve patient safety and outcomes. In this book, Australasian medical students, junior hospital doctors working in anaesthesia and critical care, and anaesthesia nurses and technicians will find a succinct and readable introduction to the principles and practice of anaesthesia. The book is structured as follows. It opens with an overview of general anaesthesia, regional anaesthesia, and sedation. Requisite knowledge of physiology and pharmacology is outlined. Comprehensive coverage is then provided of core topics: perioperative management of patients undergoing surgical procedures, anaesthetic techniques, anaesthetic sub-specialities, pain, anaesthetic equipment, and the anaesthetic environment. For this fifth edition of the book, all original material has been thoroughly reviewed and updated. Extensive revisions have been made to coverage of preoperative assessment, intraoperative management, anaesthetic emergencies, and postoperative care. Coverage of anaesthetic sub-specialities has been substantially expanded. The section on resuscitation includes coverage of new guidelines and equipment. The section on acute pain is new, highlighting the importance of this topic.

In 2020, some underwater fishermen hear a sound beneath the waters of Cala Tuent on the island of Mallorca. At the same time, the strandings of cetaceans, whales, and dolphins on the coasts of the archipelago increase exponentially, and during NATO military maneuvers in the Mediterranean, anti-submarine radars stop working. Toni Figueroa is an agent of the National Intelligence Center assigned to the island to investigate the origin of this mysterious echo. He soon begins a romantic relationship with Mamen Torres, who spends her youth indulging in alcohol and drugs. On the other hand, Lucius Umbert is a writer of paranormal topics who returns to the island where he lived as a child and is attracting a large number of UFO enthusiasts. One hot August afternoon, Lucius enters the bar of the Eden Hotel in Port de Sóller, where

Mamen and Toni are. The two men, despite not knowing each other, confront each other and start a fight.
