This section moves past raw data representation, but engages deeply with the conceptual goals that were outlined earlier in the paper. *Are You My Mother* shows a strong command of narrative analysis, weaving together quantitative evidence into a coherent set of insights that support the research framework. One of the distinctive aspects of this analysis is the method in which *Are You My Mother* navigates contradictory data. Instead of dismissing inconsistencies, the authors acknowledge them as points for critical interrogation. These critical moments are not treated as errors, but rather as springboards for revisiting theoretical commitments, which enhances scholarly value. The discussion in *Are You My Mother* is thus grounded in reflexive analysis that embraces complexity. Furthermore, *Are You My Mother* intentionally maps its findings back to existing literature in a strategically selected manner. The citations are not token inclusions, but are instead intertwined with interpretation. This ensures that the findings are not detached within the broader intellectual landscape. *Are You My Mother* even identifies tensions and agreements with previous studies, offering new framings that both confirm and challenge the canon. Perhaps the greatest strength of this part of *Are You My Mother* is its ability to balance empirical observation and conceptual insight.
