## Reborn

Enter Shadow Falls: After Dark and meet a vampire named Della, who's about to discover what her own story is meant to be. . . . Della had the perfect life-the family, a boyfriend, and a bright future-until she was turned, and abandoned by everyone she loves. She takes refuge at Shadow Falls, a camp for teens with paranormal powers. It's where she and her best friends, Kylie and Miranda, heal their heartbreak with laughter, and where Della is training to be a paranormal investigator-and she refuses to be distracted. That means there's no time for romance with Steve, a gorgeous shapeshifter whose kisses melt her heart. When a new vampire named Chase shows up at camp, Della's world is thrown into even more chaos. Arrogant and annoyingly sexy, Chase is a mystery . . . and the only mystery Della likes is one she can solve. She can't solve Chase, at least not while she's dealing with ghostly hauntings, vampire gangs and a web of family secrets. Can she prove herself as an investigator and keep her life-and her heart-intact? From bestselling author C. C. Hunter comes Reborn, the first book in a new series set once more in the world of Shadow Falls.

## Reborn

In our self-help, DIY culture, we love the idea of improvement. We make-over wardrobes and restore houses and commit ourselves to better habits. But we're still left feeling empty and not-quite-enough. That's because what we need is not an upgrade but a complete upending of our lives. We need to be reborn. And it's not something we can do by ourselves. With deep compassion, Clayton King shares the compelling stories of 12 broken people who came face-to-face with Jesus in the New Testament and got a second chance at life. A respected religious leader, an ostracized woman, a despised embezzler, a condemned thief--all of them flawed, sinful, full of regret--encountered Jesus and were never the same. Along with their stories, King

shares contemporary stories of people struggling with addiction, lust, greed, and depression, showing that Jesus still meets people right where they are and changes them from the inside out. If you're tired of going through the religious motions by your own power and long to experience the radical life and heart change that Jesus promised, it's time for an encounter with Jesus. It's time to be reborn.

## **Reborn**

An old flame. A magical sorority. An uncontrollable power... Siobhan Elliot's World Myths and Legends class was supposed to be an easy way to get elective credit. Instead, she gets an unexpected—and unwanted—blast from the past in the form of the course's handsome teaching assistant, Jasper Hart. He puts the cliché tall, dark and handsome to shame, but that's the least of Siobhan's worries. Because she's met him before. And he's definitely not human. Back then, their brief encounter left her with a unique but uncontrollable power, forever altering her young adult life. Now, the only person who can tell her the truth about who—and what—she really is doesn't seem to remember her. Even so, Jasper's return opens a whole new world to Siobhan, one straight from the pages of her World Myths and Legends textbook. Her already bizarre life is about to be turned upside down, and nothing—not even her sorority, Gamma Lambda Phi—is left untouched. A world where Greek mythology meets Greek life, legendary lovers reunite, and nothing is what it seems.

## **The Redeemer Reborn**

Traditionally, Wagnerian scholarship has always treated the Ring and Parsifal as two separate works. The Redeemer Reborn: Parsifal as the Fifth Opera of Wagner's Ring shows how Parsifal is in fact actually the fifth opera of the Ring. Schofield explains in detail how these five musical dramas portray a single, unbroken story which begins at the start of Das Rheingold when Wotan breaks a branch from the World Ash-tree and Alberich steals the gold of the Rhine, thus separating Spear and Grail, and ends with the reunion of the Spear and Grail in the temple of Monsalvat at the end of Parsifal. Schofield explains how and why the four main characters of the Ring are reborn in the opera Parsifal, needing to complete in Parsifal the spiritual journey begun in the Ring. He also shows how the redemption that is not attained in the process of the Ring is finally realized in the events of Parsifal.

## **Gallus Reborn**

Gallus Reborn is the first comprehensive study of the publication history and reception of the works that have been attributed to Gaius Cornelius Gallus, first canonical Roman elegist, friend of Virgil, and 'missing link' in Roman literary history. Gallus was a widely read and frequently imitated author from the Renaissance onwards, when he overcame the disadvantage of having no surviving works by putting his name to a substantial body of pseudepigrapha: misattributed, faked or forged poems. This monograph asks what Gallus was like, during that phase of his existence; how was he read, and by whom; and what impact did he have on literary history? Combining close readings of the texts with a comparative overview of their wider reception, Gallus Reborn will interest scholars and advanced students of classical reception, Neo-Latin, comparative literature and early modern studies.

## **Bloodshot Reborn #6**

Consumer Culture Reborn focuses on consumption as the point at which economy and culture combine. The book draws the often polarised discourses of political economy and cultural studies closer together in a historical context as a means of understanding our social situations as we approach the end of the millenium. Taking as its central theme the ability of the capitalist mode of production to transform the material and social world which sustains it, the book focuses on some of the ways in which this transformational impulse has altered the means by which ordinary people reproduce their life and their patterns of life. Neither a history book, nor simply a book of theory, Consumer Culture Reborn fuses elements of economic, social and cultural theory in an historical perspective.

## **The Nation Reborn**

This book is about my personal life story and how I experienced some unbelievable things that I had no idea I would ever experience or see in this lifetime. Things that deeply affected me: the drugs, alcohol, and being homeless in a world that's nothing but a death trap. It doesn't have a conscience, and it doesn't care who you are or where you come from. It will eventually destroy you if you choose not to change. We are lost, wandering souls with nowhere to go. The thought of fear had taken control of my mind, that if I did not change, something bad was going to happen to me. I went from being addicted to believing that life is a special gift to each of us and that we can learn and share with each other. I have personally experienced the love of Jesus, and what he can do in our lives gave me hope, courage, empowerment, and faith to know that there is a purpose for me being here. Most of all, to be able to maintain an open mind with the eagerness to learn that life is what we make of it. Despite my many failures had not I failed I would not be where I am today, once you learn the love Jesus has for you, your life will be forever changed. You will be richly blessed and well-prepared to live your best life, which will be an abundant life forever. I hope and pray that this book will give you strength and encouragement and will energize you to believe in yourself. I am grateful today that I don't look like what I have been through, and I am thankful that I never looked back as to want to go back to that dark and evil world from which by God's grace I was delivered. The chains that once had me bound are now broken, and I am free from the tormenting pain of agony and defeat, free from suffering that once burdened me. I have been set free by the blood of Jesus, the precious Lamb of God. Today, I am a

strong and confident person. Keep believing in yourself and the one who sent, made, and created you to know that there is nothing impossible for God to do. And that you can do all things through Christ Jesus, who strengthens you (Philippians 4:13). My dreams and goals are to be who God created me to be. Because I am wonderfully and fearfully made.

## **Bloodshot Reborn Vol. 1: Colorado**

Soursop Juice Welcome back, friends and loyal supporters of Armory Reborn! Hope you are all healthy, happy and enthusiastic. President Joko Widodo's visit to meet US President Joe Biden in Washington on November 13, 2023, has resulted in several new agreements. Marking a historic new phase in bilateral relations between the two countries, the two leaders upgraded US-Indonesia relations to a Comprehensive Strategic Partnership. Biden thanked Jokowi for Indonesia's leadership in ASEAN and underscored the US commitment to deepen cooperation in Southeast Asia and with Indonesia. Armory Reborn reviews various important aspects of Jokowi's visit, which also carries a message from the Organization of Islamic Cooperation regarding the Palestinian issue. When this foreword was written, a ceasefire between Hamas and Israel was already in effect in the Gaza Strip, Palestine. The ceasefire was realized after a military confrontation between the Islamist Hamas faction and the Israeli military, which claimed the lives of more than 14,000 civilians in Gaza. In this regard, Armory Reborn presents several scenarios about the future of the Gaza Strip, after the military confrontation (temporarily) ends. The Gaza issue certainly cannot be separated from the peace negotiation process between Palestine and Israel. Many complex issues relate to the future of Gaza and Palestine. The existence of the Islamist Hamas faction and the nationalist Fatah faction, which have difficulty uniting within the Palestinian Authority, has made the peace process stall. Israel is taking advantage of the split Palestinian leadership to continue its territorial expansion agenda in the West Bank, which according to international law is the territory of the Palestinian Authority. For those of you who are interested in aerospace technology, we provide an article about the failed launch of Starship, a spacecraft made by SpaceX. This failure occurred in the second test flight, in mid-November 2023. Starship is part of SpaceX's ambitious program, founded by Elon Musk, to send people and goods to the moon, and then to the planet Mars. We hope that Armory Reborn friends can enjoy all these articles. Satrio Arismunandar Editor in chief

## **Bloodshot Reborn Vol. 4: Bloodshot Island TPB**

The Eisner Award-winning superhero saga returns in this ongoing series picking up twenty years later with new series artist Caitlin Yarsky. In 1986, Black Hammer and the rest of Spiral City's greatest superheroes seemingly died defeating the cosmic despot known as Anti-God and saving the world. But one woman refused to believe they were truly gone: Lucy Weber, the daughter of Black Hammer. Learning that her dad had sacrificed himself to save the other heroes, Lucy soon took up the mantle of Black Hammer and carried on the legacy of her father as the world's greatest superhero. Now, it's twenty years later, and Lucy, and the world, have moved on. Living in the suburbs of Spiral City, Lucy is married and has children. But all is not blissful. Her marriage is falling apart, her job has reached a dead end, and for mysterious reasons, she hasn't picked up the hammer in years. But, as her domestic life begins to crumble, the secrets of the last twenty years, and the reasons Lucy really gave up being Black Hammer, begin to resurface, threatening her family, and the peace she has tried hard to find for herself. Black Hammer: Reborn is the next era of the Black Hammer Universe; a twelve-issue series by Jeff Lemire and Caitlin Yarsky that juxtaposes an achingly human story of domestic life, marriage, parenthood, and destiny with a pulse-pounding superhero thriller that peels back new layers of mystery, and pulls the Black Hammer history into the present. Collects Black Hammer: Reborn #1-#4.
