Pier Angeli

"In Pier Angeli, a nineteen-year-old Italian girl, Hollywood has found an actress who eludes the town's traditional classifications and whose unvarnished beauty and instinctive talent have already caused her to be called 'Little Garbo'"--Theodore Strauss in Collier's, April 1952. This work is the first full-length biography of actress Anna Maria Pierangeli, from her early life in Italy to her death at the age of 39. She was discovered by Vittorio De Sica and soon after starred in her first film, *Domani e troppo tardi* (Tomorrow Is Too Late), which began her meteoric rise to fame in Italy. She arrived in Hollywood in 1950 at the age of 18, and the first thing MGM did was change her name to Pier Angeli and predict great things for its newest actress. The book covers her seven year career with MGM, her two unhappy marriages to Vic Damone and Armando Trovajoli, her love for her children Perry and Andrew, her brief and stormy relationship with James Dean, her dependent relationships with her mother and such stars as Kirk Douglas, Richard Attenborough and Debbie Reynolds, and the mystery surrounding her death.

The Door in the Wall by Marguerite de Angeli : a Novel Study

IRDA EDIZIONI La silloge poetica di Silvia Nava è primordiale, istintiva, dettata dalla necessità di dire, chiedere all'anima di parlare. Ciò si evince dalla dolcezza genuina dei suoi versi. L'opera è un soave cammino quasi accennato. È un raccontare e un raccontarsi senza nascondersi dietro a maschere o sterili parole criptiche. Tutto è! Tutto è vita, reale sentimento, voglia di rinascita. Tutto è un parlare con le lettere fondendosi al lettore. La silloge ha la voce di Dio. Poiché l'autrice sussurra l'amore con quella delicatezza che si ha quando si parla con Dio e ci si sente liberi. Quando si è genuini e puri nel cuore e nel pensiero. Un libro da leggere con emozione e con trasporto.

Esistono gli Angeli

Il presente testo affronta il tema dell'Angelologia studiando la Cabalà, le lettere ebraiche che compongono il nome di ognuno dei 72 Angeli e proponendo una spiegazione del carattere, dei talenti e dei difetti appartenenti a tutte le persone nate sotto l'influenza di ogni Angelo specifico. Inoltre ci sono capitoli introduttivi e di spiegazione sui Fiori di Bach, Fiori Australiani, Pietre, Aromaterapia e colori in quanto rimedi consigliati per creare un collegamento diretto con la propria energia Angelica specifica. Questi rimedi hanno la capacità, se usati in sinergia tra loro e con l'intenzione profonda della persona, di eliminare tutte quelle ostruzioni energetiche, psicologiche ed emotive che impediscono di contattare il flusso di energia del proprio Angelo, precludendo così le possibilità di sviluppo più profonde della persona.

Queen Alcyone; Or, Non Angli, Sed Angeli. An Allegory

\"My earliest memory is of morning stillness, the sun creeping through a little alcove touching the edge of a barrel-top and shining on boxes that stood about the room as if we had just moved in. It must have been Sunday, though I wouldn't have known that any more than I would have known that the exciting colored chalks in their neat box were called pastels. I only knew that they were enticing and that I yielded to the temptation to try them.' So begins the story of one of the pioneers of American children's book publishing. Marguerite Lofft de Angeli was born on March 14, 1889 in Lapeer, a small town in northern Michigan which she introduced to children in Copper-toed Boots. When she was thirteen, her family moved to Philadelphia, and the history of that city and the colorful customs of the surrounding countryside were later used as background material for several of her books. Although she had studied to become a concert contralto, she gave up that career when John de Angeli persuaded her to marry him and raise a family instead. While her children were young, Mrs. de Angeli began to take drawing lessons and in 1935 her first children's book, Ted and Nina Go to the Grocery Store, was published. This first book was based on the activities of two of her five children. As the years passed and her family increased to include thirteen grandchildren and one great grandchild, they in turn have served as models for such de Angeli books as Just Like David. The awards Mrs. de Angeli has received are many. In 1946 Bright April was named an Honor Book in the New York Herald Tribune's book awards. In 1950, The Door in the Wall received the Newbery Medal and in 1961 it won a Lewis Carroll Shelf Award. And the qualities that Mrs. de Angeli has been honored for are the same ones that infuse this book--honesty, curiosity, humor, an underlying sense of values, and above all genuine warmth. Everyone who has a concern for children's literature will delight in reading this lively account of a life full of interesting events and people, and in learning of the particular places and personalities that inspired Mrs. de Angeli's many popular books.\"--Dust jacket.
