Three Days Before the Sun

Three Days Before the Sun explores our origin, purpose and destiny in an eternity of time and an infinity of space! The \"holes\" and \"flaws\" acknowledged by Darwin in his evolution theory are precisely targeted with academic precision in a format designed for the general public. The scrupulously documented title dismantles the chance hypothesis, point-by-point, as a lawyer presents evidence to a jury. The 296-page, illustrated title comes salted with homey colloquialisms, methodically exposing unproven assumptions. But more than an exposé of flawed conjecture masquerading as science. Three Days Before the Sun offers a

generic Christian glimpse of the raging origins controversy. The book compliments the faith of Christian communities who believe the Genesis account of the creation miracle while asserting the Creator of the universe is the Author of science.

The Language of Blessing

Most people have no idea who they were created to be, nor what their own unique gifts and talents are. So how can we recognize and affirm these things in others—especially if we were not encouraged ourselves as we were growing up? How can we change course and learn a language of blessing that will lead to positive change in all of our key personal and professional relationships? In *The Language of Blessing*, Joe Cavanaugh gives us practical tools to recognize our own gifts and those of others and to use our newfound “language” to bless the ones we care about, breaking a destructive generational cycle and setting a new course for our loved ones’ futures.

Fearless Living

Do you want to know what the future holds? Not from a “fortune teller” standpoint, but as to what God says is coming down the pike whether we like it or not. His predictions are 100% accurate, 100% of the time. Why do we seldom hear sermons from the Book of Revelation? Because most preachers and teachers prefer to avoid controversy. And, since there are a number of interpretations, they say it is best to ignore them all.

But think about this- one-fourth of the New Testament is composed of prophecy! Does God want us to ignore one-fourth of the New Testament? No! As the book *Finally Home* explains, taking a literal interpretation of Scripture clears up virtually all of the controversy. In other words, God knows how to communicate and He lays out clearly His master plan for the end of the age. For unbelievers many of the scenes are painful, but for the Christian you are missing out if you are not looking for the outstanding times that await you! *Finally Home* tells you what to expect in the end times. It shows you the big picture so that, as world politics change, you will not be taken unawares. It will give you the encouragement to stand firm as the world continues to grow dark, knowing that your faithfulness and perseverance will deliver you --*Finally Home*!

Until *Get Up! New Mind Synergy*. *Get Up! We're all intimately acquainted with the details of the Christmas narrative, right? Who doesn't know of the startling announcement to young Mary, the Magi, the Bethlehem stable, and the shepherds keeping watch over their flocks by night? Yet, as David A. Holland reveals in this eye-opening new devotional, there is meaning, inspiration, life-transforming hope in these events that most believers have never seen. Like its predecessor devotional, *Praying Grace: 55 Meditations and Declarations on the Finished Work of Christ*, each day of this devotional illuminates a scripture or passage in a fresh and memorable way, leading readers to a deeper, fuller appreciation of all Christ accomplished for them, and of who they are in Him. Each day's entry closes with a declarative prayer that trains believers in a profoundly powerful yet underappreciated form of praying—prayer by Word-based proclamation. Readers will discover: Why the familiar titles Wonderful, Counselor, and Prince of Peace don't mean what we've assumed. What sign in the heavens the Wise Men may have seen, and how it may reveal the date of Jesus' birth. What the miracle pregnancy of Mary's cousin, Elizabeth, reveals about "slaying the giants" in your life. Key overlooked insights from the Christmas narrative that help you: rest in God's faithfulness; overcome adversity; embrace and experience God's good promises; and fall deeper in love with Jesus.

In this study on the k?bôd of YHWH biblical texts are approached from a canonical perspective, and the synchronic approach prevails over the diachronic. Ben Sira characterized Ezekiel as the prophet who saw the

appearance of the glory of God. This characterization is not based on the number of occurrences of kʾbôd in Ezekiel. The peculiarity of Ezekiel is that kʾbôd is used almost exclusively as a hypostasis of YHWH. Ezekiel's description of the kʾbôd of YHWH is more elaborate than any other Old Testament writer's, and it highlights the dual and paradoxical nature of the divine kʾbôd as both defying verbal description and being potentially visible. This research highlights especially the importance of the visible aspect.
