

Where Are My Brothers And Sisters

The Women of the Bible

In his letters, the apostle Paul commonly refers to his fellow believers as adelphoi, as his brothers and sisters. Here, Reidar Aasgaard offers the first in-depth, and by far the most profound, analysis of this sibling vocabulary in the Pauline epistles.

My Beloved Brothers and Sisters!

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

Life Story Work

This priceless and inexhaustible resource is the ultimate synthesis of \ "science, philosophy and truth, \ " of \ "reason, wisdom and faith, \ " and of \ "past, present and future.\ "

God the Son Incarnate

A job, a true love, a baby, a cure. . . We're all waiting for something from God. And the place between His answers can feel like a wasteland where dreams—and faith—go to die. When we're waiting, we wonder, "Why?", "Why me?", and "How long?" But the truth? . . . When God says, "Wait," He doesn't tell us for how long. When God says, "Wait," we face one of life's greatest tests. When God says, "Wait," we have decisions to make. When God says, "Wait," we can control only two things: how we wait, and who we become along the way. Author Elizabeth Laing Thompson invites you to walk alongside people of the Bible who had to wait on God. . . imperfect heroes like David, Miriam, Naomi, Sarah, Joseph, and others. Their stories will provide a roadmap for your own story, helping you navigate the painful, lonely territory of waiting, coming out on the other side with your faith, relationships, and sense of humor intact. They might even help you learn to enjoy the ride. This book is about the journey of waiting, the space between answers, and the people we become while we live there.

The Urantia Book

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

When God Says Wait

Evangelicals are supposed to be experts at telling their story. From an early age you are expected to have a testimony, a story of how God saved you from a life of sin and sadness and gave you a new life of joy and gladness. What happens if you don't have such a testimony? What if your story just doesn't fit the before-and-after mold? What are you supposed to do if your voice is not one usually heard? In these offbeat, witty, and often bittersweet essays, up-and-coming writers tell the truth about growing up female and evangelical. Whether they stayed in the church or not, evangelicalism has shaped their spiritual lives. Eschewing evangelical clichés, idyllic depictions of Christian upbringing, and pat formulas of sinner-to-saint transformation, these writers reflect frankly on childhoods filled with flannel board Jesuses, Christian rap music, and Bible memorization competitions. Along the way they find insight in the strangest places--the community swimming pool, Casey Kasem's American Top 40, and an Indian mosque. Together this collection of essays provides a vivid and diverse portrait of life in the evangelical church, warts and all. List of Contributors: Jessica Belt Paula Carter Kirsten Cruzen Anne Dayton Kimberly B. The Gospel According to Matthew

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Jesus Girls

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Holy Bible (NIV)

"Part workbook, part self-help guide, part Bible study, this handbook is geared toward those who experience big feelings and could use some support navigating the challenges that come with this territory. . . . Overwhelmed teens can find validation in this faith-based guide." —Kirkus Reviews No one knows about having all the feels quite like teenage girls—but few girls know what to do with all those feelings. They can flit from giddy to anxious to insecure to in love—oops, wait, just kidding, out of love—to chill to stressed to ecstatic to despairing to rebellious to penitent to cynical to naïve to independent to clingy to selfish to selfless, all with a heaping side order of angst and adorkability, all in a span of hours . . . sometimes minutes. In other words: all the feels all the time. Christian teens need Bible-based help to show them that it's okay to feel deeply (after all, God himself is the Author of all feelings), but each of us must learn to train our emotions in the ways of Christ. As they learn how to deal with all the feels, girls need scriptural foundations, practical strategies, and the assurance that they are not weird—and never alone. Includes: Quizzes and interactive charts Journal questions Prayer prompts Scripture lists for different needs Discussion starters for mothers and daughters or mentors and mentees looking to learn together All the Feels for Teens pairs great with All the Feels, a book designed for adult women.

The Late Great Planet Earth

Growing up, we typically spend more time with our brothers and sisters than we do with our parents. In an age of divorce, mobility, and alienation, the sibling bond is often the only one that really lasts. Given that brothers and sisters are such a fundamental aspect of human existence, it is remarkable that they have received so little in-depth attention in the field of psychology. Henry Abramovitch's *Brothers and Sisters* explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother-sister stories in the Bible. Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other, concluding with a very personal account of his own relationship with his brother and sister.

All the Feels for Teens

Jelline Smith lives with her husband in Decatur, Illinois. The couple has one son and seven grandchildren. She loves the Midwest but longs for her home state of Mississippi. She always said that some day she would return to Mississippi to live, but there was always something to stop her such as a better paying job or a better way of living. The main reason for staying is her family, parents and siblings, living in Decatur. She simply couldn't bear the thought of leaving them. The author believes in and loves her family, but her love for God is greater. She gives God the glory for the writing of this book. Although she knows God has brought her a long way, she tries to refrain from the phrase and points to personal motivation. Jelline always knew she wanted to be a writer ever since she was a little girl. She was always making up songs and poems, but nothing ever came of them. Some day, she told herself, she would see her name in print. "I will see my dream come true, and people enjoying it as much as I enjoyed writing it," Jelline said. A friend once told her if she ever wrote a book to make sure it was about something she knew because it takes more to write about something you don't know about than it takes to write about what you know. Jelline said her childhood was what she knew best.

Brothers and Sisters

Find academic sophistication, pastoral sensitivity, and accessibility in the award-winning BECNT series. In this addition to the award-winning BECNT series, leading New Testament scholar and bestselling author G. K. Beale offers a substantive evangelical commentary on Colossians and Philemon. Beale leads readers through all aspects of Colossians and Philemon--sociological, historical, and theological--to help them better understand the meaning and relevance of these biblical books. As with all BECNT volumes, this informative, balanced commentary features: ? Detailed interaction with the Greek text ? Extensive research ? Chapter-by-chapter exegesis ? A blend of scholarly depth and readability ? An acclaimed, user-friendly design. The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility, making it a useful tool for pastors, church leaders, students, and teachers.

My Brothers, Sisters, and Me

The stories of the families of Jonathan Randolph Gallemore and his first wife, Martha Frances Miller, and his second wife, Ella Theresa Thornhill

Colossians and Philemon (Baker Exegetical Commentary on the New Testament)

The siblings of children with special needs are often the overlooked ones in families struggling to cope. Kate Strohm is an experienced health professional and journalist who has sister with cerebral palsy. In this book she shares the story of her journey from confusion and distress to understanding and acceptance. She provides a forum for other siblings to describe their own journeys. Kate also provides strategies that siblings themselves, parents and practitioner can use to support the brothers and sisters of children with special.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Siblings

"Includes a sneak peak at book four of the Mortal Instruments, and a chapter from the new prequel series, the Infernal Devices"--P. [4] of cover.

Jesus the Man

Avul Pakir Jainulabdeen Abdul Kalam, The Son Of A Little-Educated Boat-Owner In Rameswaram, Tamil Nadu, Had An Unparalleled Career As A Defence Scientist, Culminating In The Highest Civilian Award Of India, The Bharat Ratna. As Chief Of The Country'S Defence Research And Development Programme, Kalam Demonstrated The Great Potential For Dynamism And Innovation That Existed In Seemingly Moribund Research Establishments. This Is The Story Of Kalam'S Rise From Obscurity And His Personal And Professional Struggles, As Well As The Story Of Agni, Prithvi, Akash, Trishul And Nag--Missiles That Have Become Household Names In India And That Have Raised The Nation To The Level Of A Missile Power Of International Reckoning.

City of Glass

This volume is an original and important contribution to the study of the earliest Palestinian Jewish Christianity. For the first time all the evidence for the role which relatives of Jesus played in the early church is assembled and assessed. Dr. Bauckham discusses a wide range of evidence, not only from the New Testament but also from the Church Fathers, the New Testament Apocrypha, rabbinic literature and Palestinian archaeology. The letter of Jude, in particular, proves to have much to teach us about the theology of the brothers of Jesus and their circle. It illuminates their exegetical methods and their Christology and shows both to have been influential contributions to the development of early Christianity. This study shows that this neglected New Testament book is far more important for the study of early Christianity than has hitherto been recognized. By setting the letter of Jude within the context of the evidence for the role of relatives of Jesus in the early church, new insights can be revealed into the letter and early Jewish Christianity.

The Life of Our Lord Upon the Earth Considered in Its Historical, Chronological, and Geographical Relations

The beloved and timeless King James Version is made available in an affordable quality edition for Sunday schools, Bible clubs, church presentations, and giveaways. This handsome award Bible will withstand heavy use thanks to better quality paper and supple but sturdy cover material. Includes full-color maps. A great way to honor special achievements--at a budget-conscious price!

Wings of Fire

"I welcome Chris Bruno's readable and thoroughly biblical exploration of faith and works. He sets the matter in both its wider biblical context at the same time as he makes clear its relevance and importance to faithful Christian living today." --Douglas J. Moo from the Foreword Everything you never knew about the men behind the controversy. Put James and Paul next to each other and some tough-to-answer questions come up. Paul says we're saved by faith alone, not works—and James seems to say the opposite. If you've been around the church for a while, you probably know enough to say "the right thing" if someone asked about these verses. But would your answers hold up to scrutiny? If pressed, would you know what to say?

Dive into the life stories of both apostles, learn more about the context of their letters, and discover the truth about the shared message they both proclaimed. No more canned answers or lingering questions, gain confidence and go deeper in Paul vs. James.

Jude and the Relatives of Jesus in the Early Church

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

This was Your Life!

Nadina works as a journalist on a private television in her country. She writes a series of e-mails to her father, who passed on to the other world during a war that tore apart her beloved nation. She relates her story of resilience, perseverance, and courage after a breakthrough is achieved in communication and people from this world are able to communicate with other people in the other world of the living dead. She expresses her struggles in taking care of her siblings. Technically, Nadina becomes the father of her siblings as she cares for each and every aspect of their needs. The father, who is the last to die, leaves the five children still in school. Nadina works her socks off to feed these children, to pay for their school fees, and to see them become independent. Nadina criticises some political, economic, and social structures of her country (no name is given, but it is an allegory of African states) and calls for an end to rampant poverty, wars, and conflicts. Despite being outspoken and critical of the government, Nadina is appointed minister of information. With this new status, her dream to fight poverty and bring about peace has just begun.

Gift and Award Bible-KJV

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

Paul vs. James

A warm, empathetic guide to understanding, coping with, and healing from the unique pain of sibling estrangement \ "Whenever I tell people that I am working on a book about sibling estrangement, they sit up a little straighter and lean in, as if I've tapped into a dark secret.\" Fern Schumer Chapman understands the pain

of sibling estrangement firsthand. For the better part of forty years, she had nearly no relationship with her only brother, despite many attempts at reconnection. Her grief and shame were devastating and isolating. But when she tried to turn to others for help, she found that a profound stigma still surrounded estrangement, and that very little statistical and psychological research existed to help her better understand the rift that had broken up her family. So she decided to conduct her own research, interviewing psychologists and estranged siblings as well as recording the extraordinary story of her own rift with her brother--and subsequent reconciliation. *Brothers, Sisters, Strangers* is the result--a thoughtfully researched memoir that illuminates both the author's own story and the greater phenomenon of estrangement. Chapman helps readers work through the challenges of rebuilding a sibling relationship that seems damaged beyond repair, as well as understand when estrangement is the best option. It is at once a detailed framework for understanding sibling estrangement, a beacon of solidarity and comfort for the estranged, and a moving memoir about family trauma, addiction, grief, and recovery.

What is Reformed Theology?

African-American teen Loretta Hawkins discovers music and, through it, the worth of her black identity. She navigates an urban world of poverty, overcrowding, hostile police, and feuding gangs to emerge triumphant, secure in her talent and in the love of her family and friends. Winner of the Council on Interracial Books for children award as the year's best book for older children. \"Packs a wallop Taut, fast-moving, absorbing, and believable, it probes with honest realism the problems of a wide range of unforgettable characters This powerful book deserves wide reading.\"-Book World

Father to My Siblings

What has provided me the greatest satisfaction in life has been giving birth and raising My children Reginald Lincoln and Kimberly Lincoln Gardner. Being an excellent mother, Household provider, to encourage positivity professionalism and educational values in my children. Presents a multidisciplinary theoretical model of cultural conceptualisations and language which draws on analytical tools and theoretical advancements in several disciplines, including cognitive linguistics, cognitive anthropology, anthropological linguistics, distributed cognition, complexity science, and cognitive psychology.

God, Let's Talk.....

My God, You Were There All the Time By: Edith B. Holloman *My God, You Were There All the Time* is the story of unwavering faith. From a young age, author Edith Holloman has endured many trials and

hardships, but God saw her through. It is her hope that by sharing her story, others will find strength to weather the storms by living a God-filled life, for He is always there.

Save Yourself Some Pain

Indian society is rapidly becoming more urban, and while the level of urbanization and the values associated with it have yet to correspond with those of Western societies, the traditional ethos governing sibling relations is becoming increasingly less relevant. G.N. Ramu explores this phenomenon in *Brothers and Sisters in India*, the first detailed study of adult siblings in contemporary Indian society. Based on sixteen months of field work in the city of Mysore and over three decades of research in this area, Ramu's study focuses on the three types of sibling relationships (fraternal, sororal, and cross-sibling), and examines the frequency of interaction, the level of mutual assistance, and the incidence of conflict and strain between brothers and sisters.
