

Citadel

The Citadel

A Major work of twentieth-century American Literature.

Sword & Citadel

Combining the rugged action of *Labyrinth* with the haunting mystery of *Sepulchre*, #1 bestselling author Kate Mosse's eagerly awaited *Citadel* is a mesmerizing World War II story of daring and courage, in which a group of determined women fighting for the French Resistance risk their lives to save their homeland . . . and protect astonishing secrets buried in time. France, 1942. In Carcassonne, a colorful historic village nestled deep in the Pyrenees, a group of courageous women are engaged in a lethal battle. Like their ancestors who fought to protect their land from Northern invaders seven hundred years before, these members of the resistance—codenamed *Citadel*—fight to liberate their home from the Nazis. But smuggling refugees over the mountains into neutral territory and sabotaging their German occupiers at every opportunity is only part of their mission. These women must also protect an ancient secret that, if discovered by their ruthless enemies, could change the course of history. A superb blend of rugged action and haunting mystery, *Citadel* is a vivid and richly atmospheric story of love, faith, heroism, and danger—and a group of extraordinary women who dare the impossible to survive.

Citadel

In the city of Eldra, people are ruled by ancient prophecies. For centuries, the high council has stayed in power by virtue of the prophecies of the elder seers. After the last infallible prophecy came to pass, growing unrest led to murders and an eventual rebellion that raged for more than a decade. In the present day, Cassa, the orphaned daughter of rebels, is determined to fight back against the high council, which governs Eldra from behind the walls of the citadel. Her only allies are no-nonsense Alys, easygoing Evander, and perpetually underestimated Newt. Cassa struggles to come to terms with the legacy of rebellion her dead parents have left her, and the fear that she may be inadequate to shoulder the burden. But by the time Cassa and her friends uncover the mystery of the final infallible prophecy, it may be too late to save the city--or themselves.

Beneath the Citadel

The *Meditations* of Marcus Aurelius are treasured today--as they have been over the centuries--as an inexhaustible source of wisdom. And as one of the three most important expressions of Stoicism, this is an essential text for everyone interested in ancient religion and philosophy. Yet the clarity and ease of the work's style are deceptive. Pierre Hadot, eminent historian of ancient thought, uncovers new levels of meaning and expands our understanding of its underlying philosophy. Written by the Roman emperor for his own private guidance and self-admonition, the *Meditations* set forth principles for living a good and just life. Hadot probes Marcus Aurelius's guidelines and convictions and discerns the hitherto unperceived conceptual system that grounds them. Abundantly quoting the *Meditations* to illustrate his analysis, the author allows Marcus Aurelius to speak directly to the reader. And Hadot unfolds for us the philosophical context of the *Meditations*, commenting on the philosophers Marcus Aurelius read and giving special attention to the teachings of Epictetus, whose disciple he was. The soul, the guiding principle within us, is in Marcus Aurelius's Stoic philosophy an inviolable stronghold of freedom, the "inner citadel." This spirited and engaging study of his thought offers a fresh picture of the fascinating philosopher-emperor, a fuller

understanding of the tradition and doctrines of Stoicism, and rich insight on the culture of the Roman empire in the second century. Pierre Hadot has been working on Marcus Aurelius for more than twenty years; in this book he distills his analysis and conclusions with extraordinary lucidity for the general reader.

The Inner Citadel

One nation taking a desperate gamble of war. Another fighting for survival. Two armies locked in a bloody cataclysm that will decide history. . . David L. Robbins has won widespread acclaim for his powerful and splendidly researched novels of World War II. Now he casts his brilliant vision on one of the most terrifying--and most crucial--battles of the war: the Battle of Kursk, Hitler's desperate gamble to defeat Russia, in the final German offensive on the eastern front. Last Citadel Spring 1943. In the west, Germany strengthens its choke hold on France. To the south, an Allied invasion looms imminent. But the greatest threat to Hitler's dream of a Thousand Year Reich lies east, where his forces are pitted in a death match with a Russian enemy willing to pay any price to defend the motherland. Hitler rolls the dice, hurling his best SS forces and his fearsome new weapon, the Mark VI Tiger tank, in a last-ditch summer offensive, code-named Citadel. The Red Army around Kursk is a sprawling array of infantry, armor, fighter planes, and bombers. Among them is an intrepid group of women flying antiquated biplanes; they swoop over the Germans in the dark, earning their nickname, "Night Witches." On the ground, Private Dimitri Berko gallops his tank, the Red Army's lithe little T-34, like a Cossack steed. In the turret above Dimitri rides his son, Valya, a Communist sergeant who issues his father orders while the war widens the gulf between them. In the skies, Dimitri's daughter, Katya, flies with the Night Witches, until she joins a ferocious band of partisans in the forests around Kursk. Like Russia itself, the Berko family is suffering the fury and devastation of history's most titanic tank battle while fighting to preserve what is sacred--their land, their lives, and each other--as Hitler flings against them his most potent armed force. Inexorable and devastating, a company of Mark VI Tiger tanks is commanded by one extraordinary SS officer, a Spaniard known as la Daga, the Dagger. He'd suffered a terrible wound at the hands of the Russians: now he has returned with a cold fury to exact his revenge. And above it all, one quiet man makes his own plan to bring Citadel crashing down and reshape the fate of the world. A remarkable story of men and arms, loyalty and betrayal, Last Citadel propels us into the claustrophobic confines of a tank in combat, into the tension of guerrilla tactics, and across the smoking charnel of one of history's greatest battlefields. Panoramic, authentic, and unforgettable, it reverberates long after the last cannon sounds.

Last Citadel

An interplanetary battle is renewed in an epic novel of a warring solar system by the author of Ballistic. The war should have been over. But it's not for a group of nationalists grabbing for control. It's been two weeks since a missile with a nuclear warhead tore through the planetary defenses in the most blistering large-scale attack ever committed in the history of the Gaia system. Commander Dunstan Park of the Rhodian navy has been handpicked to command an experimental cruiser that could dictate the course of the escalating conflict. All he has to do is keep the ship from falling into the wrong hands. On Gretia, the powder keg is beyond control. A terrorist attack against civilians draws Idina Chaudhary into a costly battle. It also forces a cautious Aden Jansen back into the fray. Now dedicated to a just cause, he's still keeping his past hidden. The risk of exposing his former alliance could twist not only his fate but also that of his sister, Solveig, heir to the family empire. With no time to waste, Dunstan hits the ground running. But as insurgents threaten the unstable peace, what's ahead for both sides could change the destiny of the Gaia system forever.

Citadel

Citadel of the Stars By: Aaron Simons In the spring of 1994, Jim and Tina are nonconformists with the strongest relationship imaginable. They turn eighteen, are about to graduate, go onto college, and have their lives ahead of them. But the next day, Tina goes missing... Five years later, Jim's life has almost completely fallen apart. Tina's parents have moved, he lost his family in a car accident, and he feels his life's about to

lose everything. He's with the dog Tina gave him on their birthday and her cat when he decides to give up hope... Then Jim, the dog, and the cat are brought to the magical world where Tina has been lost. She tells him that she had been abducted by a highly advanced civilization called Pralmist in a parallel dimension. But something went wrong, and she ended up on another world called Maylan, unique in that its reality is everyone has powers that humans only read about in comic books... Now, the Pralmistians are able to transport their armies to other dimensions and have invaded looking for Tina and to bring Maylan under their control. But there is a prophecy that when a woman from an unknown world appears, her abductors will invade. They must bring the Chosen One, the woman's one true love, to Maylan... Facing overwhelming odds, Jim, Tina, and the Maylan Warriors must go on a journey to find the four Sacreida Stones to form the Sacreida Sword, the one weapon on Maylan that can destroy the Pralmistians. Can a peaceful agrarian warrior society lead by a man with no military training bring an entire world together and lead them against the Pralmistians, whose army has completely conquered their entire universe?

Citadel of the Stars

The #1 New York Times–bestselling author's story about life at the Citadel in the 1960s, a profound exploration of what it means to be a man of honor. Lt. Col. Nugent Courvoisie, known to the cadets as “the Boo,” is an imposing and inspiring leader at the South Carolina military academy, the Citadel. A harsh disciplinarian but a compassionate mentor, he guides and inspires his young charges. Cadet Peter Cates is an anomaly. He is a gifted writer, a talented basketball player, and a good student, but his outward successes do little to impress his abusive father. The Boo takes Cates under his wing, but their bond is threatened when they're forced to confront an act of violence on campus. Drawn from Pat Conroy's own experiences as a student at the Citadel, *The Boo* is an unforgettable story about duty, loyalty, and standing up for what is right in the face of overwhelming circumstances.

The Boo

The Citadel of Fear (Sci-Fi Classic) emerges as a seminal anthology that delves into the intricate interplay of fear and science fiction, unmasking tales that are as diverse as they are haunting. This collection juxtaposes riveting tales of cosmic dread with imaginative, speculative narratives that push the boundaries of the genre. The works included span a tapestry of styles, from the vividly descriptive to the starkly minimalistic, each narrative a unique exploration of the unknown and the otherworldly. Through its standout pieces of psychological profundity and fantastical realms, the anthology cements its place as a landmark in speculative fiction. Behind this collection is the visionary mind of Gertrude Barrows Bennett, writing as Francis Stevens, whose work reshaped science fiction in the early 20th century. Her narratives often intersect with themes rising from the tumultuous socio-political backdrops of her time, breathing life into tales that fuse science with the supernatural. Bennett's diverse background and innovative storytelling echo throughout the anthology, aligning with movements of early feminist science fiction, thus enriching and diversifying the reader's engagement with each text. For readers eager to explore the multiplicity of perspectives inherent in speculative fiction, *The Citadel of Fear* stands as an imperative read. Not merely a collection of stories, it offers a profound expedition into the realms of fear and imagination that defined and challenged early 20th-century science fiction. Each narrative invites readers to witness the dialogue between diverse literary visions, expanding their appreciation for the educational and philosophical dialogues fostered within these pages.

The Citadel of Fear (Sci-Fi Classic)

“The Lords of Discipline is, simply, an American classic.” -- Larry King *The Lords of Discipline* is a novel about coming of age, brotherhood, betrayal, and a man's forging of his own personal code of honor. Will McLean, a senior on the cadets' honor court, is an outsider by nature: a basketball star at a school that prizes military prowess above athletics, a military man in training who dares to question the escalating Vietnam war. And yet his greatest struggle will be with the corrupt institution of which he is a part. Rich in humor and

suspense, abounding in a rare honesty and generosity of feeling, this novel established Pat Conroy as one of the strongest fictional voices in a generation. "A work of enormous power, passion, humor, and wisdom." – Washington Star "God preserve Pat Conroy." – Boston Globe

The Lords of Discipline

Weapon of the Dark Queen Against a darkened cloud it comes, framed by thunder and lightning, soaring over the ravaged land: the flying citadel, mightiest power in the arsenal of the dragon highlords. In an age of war, an evil wizard learned the secret of creating these castles in the air and sought to use them to gain power over all Krynn. Against him were ranged a red-robed magic-user, a cleric, an ancient warrior, and -- naturally -- a kender. Their battle shook the skies of Krynn.

Citadel Alumni Association

"In a dystopian magical world, a community's sworn protector struggles to keep a fracture in the populace from breaking out into violence.\"--

The Citadel

A warped dream, an overbearing father, and his son A handsome, brilliant man, the author's father-irascible, strong-willed, a compulsive womanizer-stands at the center of this strangely compelling story. In the mid-1970s, after a life in government service, which was shadowy in its depths, Ted Wertime built a fortress-like house on a mountaintop in south-central Pennsylvania. He had forged for himself a secondary career as a highly respected historian of ancient science and technology, and was convinced that it was his fate to lead a sweeping revolution that would cleanse the United States of energy abuse, political corruption, and an odd assortment of social ills. His \"citadel\" would serve as his revolutionary headquarters. He, his wife, and Joan, the last and most troubled of his succession of mistresses, lived in the house together in a bizarre ménage à trois. His dream was to recruit his four sons to take part in his cause. The author, Richard Wertime, is the second-oldest son. Citadel on the Mountain is the story of his struggle to escape from a domineering and, at times, hypnotizing father who sought to control the sexual and professional lives of his offspring.

The Chancellor and the Citadel

In the heart of South Carolina, amidst the echoes of history and tradition, stands The Citadel, a military college steeped in legacy and honor. Yet, behind the imposing walls of this storied institution, a battle was fought—a battle that would reshape the Citadel's destiny and challenge the very foundations of gender equality in America. This book chronicles the Citadel's tumultuous journey from an all-male bastion to a coeducational institution, shedding light on the legal battles, societal shifts, and personal struggles that shaped its transformation. At the center of this narrative is Shannon Faulkner, a determined young woman whose unwavering resolve shattered the Citadel's male-only admissions policy and paved the way for women to pursue careers in previously male-dominated fields. Through the lens of the Citadel's transformation, this book explores the broader implications of gender equality, leadership, and the role of tradition in a changing world. It delves into the challenges faced by women in a historically male-dominated environment, the Citadel's efforts to adapt and evolve, and the impact of these changes on the institution's identity and reputation. Beyond the Citadel's walls, this book examines the broader cultural shifts that influenced its transformation. It explores the changing attitudes towards gender roles in American society, the rise of feminism, and the legal and social battles that have shaped the landscape of gender equality. The Citadel's journey serves as a microcosm of these larger societal changes, offering a unique perspective on the evolution of American values and norms. This book is not merely a chronicle of events; it is an exploration of the human spirit, the power of perseverance, and the resilience of institutions in the face of change. It is a story of courage, determination, and the unwavering belief in the power of equality. Through the Citadel's transformation, this book offers a glimpse into the ever-evolving nature of society, the enduring power of

tradition, and the boundless possibilities that arise when barriers are broken and new paths are forged. If you like this book, write a review on google books!

Citadel on the Mountain

Short stories about character-building experiences at the storied military academy in the 1960s From its founding in 1842 the Citadel has been steeped in tradition. There have been changes through the years, but the basics of the military code and the plebe system have remained constant. Citadel graduate Tom Worley has crafted this collection of short stories about life at the South Carolina military academy during the 1960s. While the stories are fictional, they are inspired in part by his days as a student on the college campus. With humor and dramatic clarity, Worley reveals the harshness of the plebe system, how success is achieved through perseverance, and the character-building benefits of a Citadel education. These seventeen stories are told from the perspective of two main characters—cadets Pete Creger and Sammy Graham—who are members of F Company. By turns surprising and entertaining, the collected stories range from the emotional and physical trials of being a knob in the plebe system, the brutality of hazing, and the fear and fun of company pranks, to the friendship and camaraderie the system fosters and the tremendous pride shared by those who wear the coveted Citadel ring. Best known for its Corps of Cadets, the Citadel attracts students who desire a college education within a classical military system in which leadership and character training are essential parts of the overall experience. Any romanticized notion of military bravado is quickly shattered the moment students set foot on campus and their parents drive away. Many cadets are left wondering, "What have I signed up for?" Worley's stories shed light on the pain and the pride, explaining why, he says, "most cadets at the Citadel hated the place while they were there and loved everything about it once they'd graduated. They were bonded together for life. Perhaps that's the greatest thing the Citadel did for them."

The Broken Citadel

The Citadel of Dreams is the definitive guide to the Citadel of Dreams, a legendary city built within one of Providence's massive rocky spires. This ancient and enigmatic city has been a symbol of strength and resilience for centuries. The Citadel of Dreams takes you on a guided tour of the Citadel, from its bustling streets to its hidden chambers. Citadel's Legacy

"Citadel" evokes a rich mixture of associations—from images of urban centers of commerce and culture to war and the need to defend what is fortified within. Preserving its layered meanings, O. K. Werckmeister plucks the word from its usual moorings and employs it as a compelling metaphor in a brilliant retrospective of contemporary Western culture.

F Troop and Other Citadel Stories

The Halifax Citadel was a great bastion of the British Empire, the impregnable shield of the "Warden of the

North\". Today it is one of Canada's most famous landmarks: every year thousands visit the star-shaped fortress, watch the traditional firing of the noon-day gun and roam the ramparts and the fortified buildings where British soldiers were once garrisoned. They watch the re-enactment of military exercises by men and women in authentic 19th-century military uniforms, and enjoy the music of the pipe band in the Parade. This richly-illustrated history conveys the lively martial pageantry of this unparalleled attraction. This book offers background on the Halifax Citadel and its history, exploring the lives of soldiers and their families stationed in Hailfax in the 19th century.

The Citadel of Dreams

Within the tapestry of history, nestled amidst rolling hills and meandering rivers, lies a citadel—a bastion of culture, heritage, and human endeavor. Its walls, etched with the passage of time, stand as silent witnesses to the ebb and flow of civilizations. The Citadel, as it is known, is a microcosm of human experience—a kaleidoscope of stories waiting to be unraveled. As we traverse the cobblestone streets of the Citadel, we encounter a symphony of cultures, each with its own unique rhythm and melody. From the vibrant hues of traditional costumes to the tantalizing aromas wafting from culinary havens, the Citadel is a testament to the indomitable spirit of diversity. The Citadel's history is a testament to the resilience of the human spirit, a chronicle of triumph and adversity, of innovation and tradition. Ancient ruins whisper tales of forgotten empires, while modern structures soar towards the heavens, symbolizing progress and ambition. The Citadel's landscape is a canvas of natural beauty, a harmonious blend of towering mountains, tranquil lakes, and verdant valleys. Its flora and fauna, a testament to the intricate balance of life, thrive in this haven of biodiversity. The Citadel is a crucible of creativity, a haven for artists, thinkers, and dreamers. Its theaters and galleries reverberate with the melodies of music, the strokes of paint on canvas, and the eloquence of spoken word. The Citadel's markets and bazaars are a symphony of colors, sounds, and aromas, a testament to the vibrant tapestry of human enterprise. The Citadel is a beacon of learning, a sanctuary for the pursuit of knowledge. Its libraries hold volumes of wisdom, its universities echo with the voices of scholars and students, and its research centers push the boundaries of human understanding. The Citadel stands as a testament to the indomitable spirit of exploration, the relentless quest for enlightenment. Yet, the Citadel's future is not without challenges. The specter of environmental degradation looms large, threatening to mar the beauty and harmony of its natural surroundings. The Citadel's rich cultural heritage faces the risk of erosion in the face of globalization and modernization. The Citadel's citizens must navigate the delicate balance between progress and preservation, striving to embrace the benefits of modernity while safeguarding the legacy of their ancestors. But as the sun sets on the Citadel, casting long shadows across its ancient walls, there is a sense of hope and optimism in the air. The Citadel, with its indomitable spirit and unwavering resilience, stands poised to face the challenges of the future, to emerge stronger and more vibrant than ever before. If you like this book, write a review on google books!

Citadel Culture

This architectural history of the Citadel of Cairo uses indices from maps, photographs, plans of hitherto unstudied structures, and a large array of historical documents to chronologically reconstruct the Citadel's development from its foundation by Salah al-Din until it reached its most monumental form in the middle of the fourteenth century. The study analyzes the influence of Mamluk socio-political hierarchy on the conceptualization of the Citadel's spaces and forms; assesses its impact on medieval Cairo; proposes a new interpretation for the development of Mamluk royal architecture; and presents new definitions for a number of medieval architectural terms. By weaving the history of the Citadel together with the history of Cairo and the Mamluk system, this book is relevant to historians of architecture and urbanism and medieval historians.

The Halifax Citadel

Torn from the Twentieth Century by the super-science of a master being from an alien galaxy, four adventurers find themselves at Carcasilla, EARTH'S LAST CITADEL, a billion years from now. It is there

that the mutated remains of humanity are making their final stand.

Earth's Last Citadel

One Emperor's evil plan ignites old prejudices and sets the provinces on the path to war. From award winning author Susan Faw, creator of The Spirit Shield Saga, comes the first box set in this epic dragon fantasy series! HEART OF DESTINY Magic suppressed. Magic exiled. Magic murdered. During the Great Purge, those openly practicing magic were destroyed and those who could wield it were driven into exile. To keep the peace, the emperor erects a magical barrier isolating the provinces from one another. When the emperor suddenly dies, his apprentice takes his place. Benevolent and loved, Madrid is seen as a benign ruler, bridging the age-old conflicts between the provinces. However, the brazen kidnapping of ten young women shatters the accord, and the councillors of the provinces gather at the Citadel to demand that justice be served. It is a flame dropped into dry tinder. Rife with suspicion and hatred, each province accuses its neighbour of treachery, but Emperor Madrid has other plans. He alone knows who is responsible for the kidnapping of the young women, and he has no intention of sharing that knowledge. HEART OF TYR Infected elemental magic. An entombed witch with a thirst for revenge. A secret map no one can read. In a world where magic is forbidden, Elissa is gifted with a crystal heart pendant. Heirs of magic, the necklaces are not just a pretty baubles but indicative of forbidden magical blood. Heart bearer Elissa scoffed at her brother's belief in dragons. That is until one abducted her on her eleventh birthday. Flown to the isle of Jintessa in its claws, Elissa discovers that not only are dragons real, but also the shapeshifters of legend. Bonded telepathically to a Djinn Dragonmerger named Druzy and his dragon Mysty, Elissa is given a mission to return to Tyr and free her home from the tyranny of an emperor determined to control all magic. Hunted by her magically enslaved brother, can Elissa free her people and bring down the barrier, without destroying Ellas, in the process? The battle for ultimate control of magic, has begun. HEART OF SHADRA A gritty rebel with dangerous ties. A secretive mine that buries the truth. A handful of ancient bones with dark origins. Shikoba, feisty daughter of the tribal queen Aisha, has been trained since birth to defend her people. On the cusp of her final trials, she is swept away by a dragon and a Djinn shapeshifter. Bearer of a crystal heart, Shikoba has been marked to free

her people from the tyranny of Emperor Madrid. Shikoba is tasked with the destruction of the barrier that isolates her people from the other provinces, but an ancient evil stands between her and their freedom. Existing only in legend, the Naga is a fierce creature of magic and myth with a secret of its own to protect. Can one young woman gather the courage to protect all that she loves? The cost will be bitter – her death in the sacred salt mines of Shadra. Only the spirits of the ancestors can say for sure, who will prevail. IF YOU ENJOY EPIC FANTASY SERIES SUCH AS THE LORD OF THE RINGS, ERAGON, OR THE GREEN RIDER SERIES, then this series is for you!

From My Heart, The Citadel - Volume III - Assortment

Embark on a spellbinding journey to The Crystal Citadel, a place of wonder, mystery, and untold secrets. Within its crystalline walls, discover a world where magic and reality converge, where ancient artifacts whisper tales of forgotten civilizations, and where destiny awaits those who dare to seek it. As you step through the Citadel's gates, prepare to be captivated by its ethereal beauty. Its chambers shimmer with otherworldly light, revealing relics of immense power and forgotten lore. Each artifact radiates with a unique energy, beckoning you to unravel its hidden history and uncover the secrets it holds. Encounter the enigmatic guardians of the Citadel, beings of wisdom and power who guide seekers on their quest for knowledge and self-discovery. They will test your resolve, challenge your beliefs, and guide you towards your ultimate purpose within the Citadel's crystalline embrace. Explore the Citadel's hidden chambers, each revealing a new facet of its multifaceted nature. Discover the Hall of Mirrors, where reflections dance and realities intertwine, and the Chamber of Echoes, where whispers of the past resonate through time. Uncover the secrets of the Celestial Observatory, where starlight weaves celestial tapestries, and the depths of the Labyrinthine Library, where knowledge awaits those who possess the wisdom to decipher its riddles. The Crystal Citadel is a place of transformation, where seekers embark on a journey of self-discovery and enlightenment. As you delve deeper into its mysteries, you will uncover hidden truths about yourself, your purpose, and the interconnectedness of all things. Prepare to be captivated by The Crystal Citadel, a book that blends wonder, mystery, and the profound exploration of self. Within its pages, you will find a world of enchantment, where the boundaries of reality blur and the possibilities of the human spirit are revealed. Discusses Mace's life as the first of two female graduates of the Citadel.

Heart Of The Citadel Omnibus Books 1-3

****Kirkus Best Books of the Year (2013)**** If you really want to know a people, start by looking inside their bedrooms. As political change sweeps the streets and squares, the parliaments and presidential palaces of the Arab world, Shereen El Feki has been looking at an upheaval a little closer to home—in the sexual lives of men and women in Egypt and across the region. The result is an informative, insightful, and engaging account of a highly sensitive and still largely secret aspect of Arab society. Sex is entwined in religion, tradition, politics, economics, and culture, so it is the perfect lens through which to examine the complex social landscape of the Arab world. From pregnant virgins to desperate housewives, from fearless activists to religious firebrands, from sex work to same-sex relations, *Sex and the Citadel* takes a fresh look at the sexual history of the region and brings new voices to the debate over its future. This is no peep show or academic treatise but a highly personal and often humorous account of one woman's journey to better understand Arab society at its most intimate and, in the process, to better understand her own origins. Rich with five years of groundbreaking research, *Sex and the Citadel* gives us a unique and timely understanding of everyday lives in a part of the world that is changing before our eyes.

Black Hills National Forest (N.F.), Citadel Project Area

Elric along with his companion Moonglum return, in this prequel set within the early days of Elric's wanderings, in order to investigate the history of Melniboné and its dragons, known as the Phroon, in this exciting new addition to the Elric Saga from World Fantasy Lifetime Achievement Award winner Michael Moorcock. Elric is the estranged emperor of the Melnibonéan empire, struggling with his nature while desperately striving to move forward with his dying empire alongside the constant thirst of his soul-sucking sword, Stormbringer. Elric is on the hunt for the great Citadel of Forgotten Myths while traveling through the remnants of his empire with his tragic best friend Moonglum, as Elric seeks the answers to the nature of the phroon of The Young Kingdoms. Taking place between the first and second book in the Elric Saga, The Citadel of Forgotten Myths is perfect for longtime fans and those new to this epic fantasy series.

The Crystal Citadel: A Tale of Magic and Mystery

"You were only ten years old when the Whisperers came to your village looking for candidates. Their identity, like their work, is secret and unknown to most of the people who live in Elaria, a mountainous land of difficult terrain surrounded by vast oceans that few, if any, have crossed. You, Krishi, were tapped by a man disguised as a peddler and poet to join the Whisperers at the Citadel, and train in their arts of magic and combat. You are still new in your training when a mysterious new student arrives in the port, bringing with him news of imminent war."--

In the Company of Men

Another of the popular historical novels by the distinguished de Wohl, telling the dramatic story of St. Benedict, the father of Western monasticism, who played such a major role in the Christianization and civilization of post-Roman Europe in the sixth century. De Wohl weaves an intricate tapestry of love, violence and piety to recount with historical accuracy the story of St. Benedict and the tempestuous era in which he lived. Since there are no contemporary biographies of this major saint of history and the Church, de Wohl's inspired account is of significant importance on the subject of saint's lives for today's spiritual seekers. Having lived in an era of great immorality and vice, not unlike our world today, Benedict's story has a strong message for modern Christians who seek, as he did, to turn away from the wickedness of the world to find Christ in prayer, study and solitude.

Sex and the Citadel

The Monstrous Citadel is the sequel to Mirah Bolender's City of Broken Magic—a fast-paced, adventure fantasy where a bomb squad defuses the magic weapons of a long forgotten war. Amicae, City of Sweepers, survived the Falling Infestation which nearly destroyed it thanks to the efforts of Laura and Okane. While the ancient monsters have been beaten back for the moment, new and more monstrous dangers face them in the form of belligerent bureaucracy, dangerous gangs, grasping Sweepers bent on personal glory . . . And Rex, the City of Kings, who breed their own kind of monstrosity. Laura and Okane must go to Rex to reclaim the secret weaponry that keeps Amicae safe and come face to face with a horrifying truth about the Rex and their designs on all of Orien's cities. Chronicles of Amicae City of Broken Magic The Monstrous Citadel Fortress of Magi At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

South Carolina Military Academy, Charleston, South Carolina. Circular of Information

“Jordan has come to dominate the world Tolkien began to reveal.” —The New York Times on The Wheel of Time® series Explore never-before-seen insights into the Wheel of Time, including: - A brand-new, redrawn world map by Ellisa Mitchell using change requests discovered in Robert Jordan's unpublished notes - An alternate scene from an early draft of The Eye of the World - The long-awaited backstory of Nakomi - 8

page, full color photo insert Take a deep dive into the real-world history and mythology that inspired the world of Robert Jordan's *The Wheel of Time*®. *Origins of The Wheel of Time* is written by Michael Livingston, Secretary-General of the United States Commission on Military History and professor of medieval literature at The Citadel, with a Foreword by Harriet McDougal, Robert Jordan's editor, widow, and executor of his estate. This companion to the internationally bestselling series delves into the creation of Robert Jordan's masterpiece, drawing from interviews and an unprecedented examination of his unpublished notes. Michael Livingston tells the behind-the-scenes story of who Jordan was, how he worked, and why he holds such an important place in modern literature. The second part of the book is a glossary to the "real world" in *The Wheel of Time*. King Arthur is in *The Wheel of Time*. Merlin, too. But so are Alexander the Great and the Apollo Space Program, the Norse gods and Napoleon's greatest defeat—and so much more. *Origins of The Wheel of Time* provides exciting knowledge and insights to both new and longtime fans looking to either expand their understanding of the series or unearth the real-life influences that Jordan utilized in his world building—all in one, accessible text. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Citadel of Forgotten Myths

An extraordinary epic, set a million years in the future, in the time of a dying sun, when our present culture is no longer even a memory. Severian, a torturer's apprentice, is exiled from his guild after falling in love with one of his prisoners. Ordered to the distant city of Thrax, armed with his ancient executioner's sword, Terminus Est, Severian must make his way across the perilous, ruined landscape of this far-future Urth. But is his finding of the mystical gem, the Claw of the Conciliator, merely an accident, or does Fate have a grander plans for Severian the torturer . . . ? This edition contains the first two volumes of this four volume novel, *The Shadow of the Torturer* and *The Claw of the Conciliator*.

The Citadel of Whispers

An unsanctioned duel that ends with Scarzen Warrior Thorr of Hammer Forge being accused of murder. Set on Tora a level ten security world, Thorr's journey sets in motion events that ultimately affect the course of billions of lives across the superverse.
