Angel

One of Silicon Valley's most successful angel investors shares his rules for investing in startups. There are two ways to make money in startups: create something valuable—or invest in the people that are creating valuable things. Over the past twenty-five years, Jason Calacanis has made a fortune investing in creators, spotting and helping build and fund a number of successful technology startups—investments that have earned him tens of millions of dollars. Now, in this enlightening guide that is sure to become the bible for twenty-first century investors, Calacanis takes potential angels step-by-step through his proven method of creating massive wealth: startups. As Calacanis makes clear, you can get rich—even if you came from humble beginnings (his dad was a bartender, his mom a nurse), didn't go to the right schools, and weren't a top student. The trick is learning how angel investors think. Calacanis takes you inside the minds of these successful moneymen, helping you understand how they prioritize and make the decisions that have resulted in phenomenal profits. He guides you step by step through the process, revealing how leading investors evaluate new ventures, calculating the risks and rewards, and explains how the best startups leverage relationships with angel investors for the best results. Whether you're an aspiring investor or a budding entrepreneur, *Angel* will inspire and educate you on all the ins and outs. Buckle up for a wild ride into the world of angel investing!

Stalking the Angel

Meet Elvis Cole, L.A. private eye . . . he quotes Jiminy Cricket and carries a .38. He's a literate, wisecracking Vietnam vet who is determined never to grow up. The blonde who walked into Cole's office was the best-looking woman he'd seen in weeks. The only thing that kept her from rating a perfect "10" was the briefcase on one arm and the uptight hotel magnate on the other. Bradley Warren had lost something very valuable—something that belonged to someone else: a rare thirteenth-century Japanese manuscript called the Hagakure. Just about all Cole knew about Japanese culture he'd learned from reading *Shogun*, but he knew a lot about crooks—and what he didn't know his sociopathic sidekick, Joe Pike, did. Together their search begins in L.A.'s Little Tokyo and the nest of notorious Japanese mafia, the yakuza, and leads to a white-knuckled adventure filled with madness, murder, sexual obsession, and a stunning double-whammy ending. For Elvis Cole, it's just another day's work. Praise for *Stalking the Angel* "Stalking the Angel is a righteous California book: intelligent, perceptive, hard, clean."—James Ellroy "Out on the West Coast, where private eyes thrive like avocado trees, Robert Crais has created an interesting and amusing hero in Elvis Cole."—The Wall Street Journal "Devotees of the rock 'em, sock 'em school should find [*Stalking the Angel*] tasty."—The San Diego Union

The Angel Numbers Book

"Have you ever noticed yourself waking up at exactly the same time every night? Or find yourself stuck on a certain page number of a book? What about seeing those very numbers repeated on signs and license plates while you travel? Numbers repeated throughout your day are one major way that angels communicate guidance, warning, and praise to let you know whether the path you are on is right for you. The *Angel Numbers Book* can help you decipher these messages. Here you'll receive the tools to understand the meaning of each number and number pattern sent by your angel guides. You'll also find space to record and reflect on the numbers you see, cultivating meanings that are personal to you and your experiences. You'll learn to turn your attention toward the communications of your angel guides, strengthen your understanding of the messages they are sending, and stay more tune in whenever they're trying to speak to you. Unlock your

potential -- and light the way to a more satisfying, meaningful life -- with The Angel Numbers Book!\

Angel

A darkly witty classic about literary worth, ambition, and romantic idealism set in turn-of-the-century England, with an introduction from Hilary Mantel (Wolf Hall) “A delicious satire on the career of schoolgirl sensation Angelica Devereell. She's a truly magnificent comic creation: petulant, paranoid and frighteningly prolific.” –The Guardian Angelica Devereell lives above her diligent, drab mother’s grocery shop in a dreary turn-of-the-century English neighborhood, but spends her days dreaming of handsome Paradise House, where her aunt is enthroned as a maid. But in Angel’s imagination, she is the mistress of the house, a realm of lavish opulence, of evening gowns and peacocks. Then she begins to write popular novels, and this fantasy becomes her life. And now that she has tasted success, Angel has no intention of letting anyone stand in her way—except, perhaps, herself. Now back in print after 20 years, this under-recognized classic is (unlike Angel's own novels) self-aware, funny, and subtly layered. It both sharply satirizes its protagonist and acknowledges the intensity of her imagination and the rigor of her work, all the while seeing her as fully human, complicated, and even sympathetic.

The Angel Book

Charles and Frances Hunter describe their own personal encounters with angels and what the Bible tells us about these messengers of God.

Emmanuel's Book III

The inspiring words of Emmanuel, brought to us through channel Pat Rodegast, have opened the way to wisdom for thousands of people. In our troubled world, his loving message, so beautifully expressed, has been balm for the hurting soul as well as clear guidance for living—both with others on this earth and within the Self. Now Emmanuel focuses on a special topic, the question of Angels. Do they exist? What do they do? Where are they? Are there fallen angels? What do they mean for our lives? His answers tell us not about the mystical creatures “out there.” But about the marvelous, powerful being “in here,” the eternal, omnipresent Angel who is always with us and waiting to be found. In moments of need, despair, pain, and terror, when we cry out for help and for truth, Emmanuel shows us where the doorway lies that leads away from fear and toward the way Home.

Angels in Our Midst

Angel healing in your pocket This is the ultimate angel health reference book. The premise here is that we are not alone. Each of us has access to divine healing and guidance from the first responders of the heavenly realm: the angels. This is a book that explains how to tap into the healing power of angels and how angel power can help overcome specific ailments and expand consciousness. Also included here are over 25 “personal angel cures” that help readers overcome real-life challenges. The cures include meditations, visualizations, prayers, and specific action plans. The book is organized into three sections: Access angel power: tips and tools for connecting with the angelic realm Your personal angel cures: an entire range of angelic healing modalities and blessings as well as 27 specific angel prescriptions for healing a wide range of ailments How to make angels an integral part of your daily life This is a book of hope, help, and healing. It is for anyone who is looking for a little assistance from the heavenly realms.

The Little Book of Angel Healing

In Book Two of L. A. Weatherly’s wildly romantic, action-packed trilogy, the angels are back with a vengeance . . . and they don’t have heaven in mind. In the wake of the Second Wave, the angel menace has

exploded, and Alex and Willow are on the lam. Willow's prophetic dream points them to Mexico City, where they connect with a fledgling group of angel killers led by the exotically beautiful Kara, an Angel Killer from Alex's past. But the team remains suspicious of Willow, even after the more-experienced Alex takes over as leader, training them hard for a rush attack on the Seraphic Council, or "The Twelve." This elite group of all-powerful angels is also under the scrutiny of Willow's angel-father, Raziel, who has his own sinister plan to defeat them. What Willow hasn't told Alex is that there was also a mysterious boy in her dream, one she felt overpoweringly attracted to. When brooding, gorgeous Seb shows up in the flesh, he turns out to be another — possibly the world's only other — half angel. He's been searching for Willow all his life, and when Alex enlists this rival to help keep Willow safe, he can't predict what chemistry will pass between them . . . or how far Willow might go to keep Alex safe. Will their love endure or spell doom for the human race?

Angel Fire

Wrestling with the Angel is a meditation on contemporary political, legal, and social theory from a psychoanalytic perspective. It argues for the enabling function of formal and symbolic constraints in sustaining desire as a source of creativity, innovation, and social change. The book begins by calling for a richer understanding of the psychoanalytic concept of the symbolic and the resources it might offer for an examination of the social link and the political sphere. The symbolic is a crucial dimension of social coexistence but cannot be reduced to the social norms, rules, and practices with which it is so often collapsed. As a dimension of human life that is introduced by language—and thus inescapably "other" with respect to the laws of nature—the symbolic is an undeniable fact of human existence. Yet the same cannot be said of the forms and practices that represent and sustain it. In designating these laws, structures, and practices as "fictions," Jacques Lacan makes clear that the symbolic is a dimension of social life that has to be created and maintained and that can also be displaced, eradicated, or rendered dysfunctional. The symbolic fictions that structure and support the social tie are therefore historicizable, emerging at specific times and in particular contexts and losing their efficacy when circumstances change. They are also fragile and ephemeral, needing to be renewed and reinvented if they are not to become outmoded or ridiculous. Therefore the aim of this study is not to call for a return to traditional symbolic laws but to reflect on the relationship between the symbolic in its most elementary or structural form and the function of constraints and limits. McNulty analyzes examples of "experimental" (as opposed to "normative") articulations of the symbolic and their creative use of formal limits and constraints not as mere prohibitions or rules but as "enabling constraints" that favor the exercise of freedom. The first part examines practices that conceive of subjective freedom as enabled by the struggle with constraints or limits, from the transference that structures the "minimal social link" of psychoanalysis to constrained relationships between two or more people in the context of political and social movements. Examples discussed range from the spiritual practices and social legacies of Moses, Jesus, and Teresa of Avila to the political philosophy of Hannah Arendt and Jacques Rancière. The second part is devoted to legal and political debates surrounding the function of the written law. It isolates the law's function as a symbolic limit or constraint as distinct from its content and representational character. The analysis draws on Mosaic law traditions, the political theology of Paul, and twentieth-century treatments of written law in the work of Carl Schmitt, Walter Benjamin, Sigmund Freud, Pierre Legendre, and Alain Badiou. In conclusion, the study considers the relationship between will and constraint in Kant's aesthetic philosophy and in the experimental literary works of the collective Oulipo.

Wrestling with the Angel

The popular image of a midcentury adwoman is of a feisty girl beating men at their own game, a female Horatio Alger protagonist battling her way through the sexist workplace. But before the fictional rise of Peggy Olson or the real-life stories of Patricia Tierney and Jane Maas came Jean Wade Rindlaub: a female power broker who used her considerable success in the workplace to encourage other women—to stick to their kitchens. *The Angel in the Marketplace* is the story of one of America's most accomplished advertising executives. It is also the story of how advertisers like Rindlaub sold a postwar American dream of capitalism and a Christian corporate order. Rindlaub was responsible for award-winning, mega sales-generating

advertisements for all things domestic, including Oneida silverware, Betty Crocker cake mix, Campbell's soup, and Chiquita bananas. Her success largely came from embracing, rather than subverting, the cultural expectations of women. She believed her responsibility as an advertiser was not to spring women from their trap, but to make that trap more comfortable. Rindlaub wasn't just selling silverware and cakes; she was selling the virtues of free enterprise. By following the arc of Rindlaub's career from the 1920s through the 1960s, we witness how a range of cultural narratives—advertising chief among them—worked powerfully to shape women's emotional and economic behavior in support of the free market system. Alongside Rindlaub's story, Ellen Wayland-Smith provides a riveting history of how women were repeatedly sold the idea that their role as housewives was more powerful, and more patriotic, than any outside the home. And by buying into the image of morality through an unregulated market, many of these women helped fuel backlash against economic regulation and socialization efforts throughout the twentieth century. The Angel in the Marketplace is a nuanced portrayal of a complex woman, one who both shaped and reflected the complicated cultural, political, and religious forces defining femininity in America at mid-century. This compelling account of one of advertising's most fervent believers is a tale of a Mad Woman we haven't been told.

The Angel in the Marketplace

In our fast-paced world, it is easy to forget how much a simple "I love you" means to a child. This is why the author of this beautifully written and illustrated masterpiece put together this collection of creative and loving words.

If I Were Your Angel

New York Times-bestselling authors Marc and Angel Chernoff deliver instant inspiration and powerful advice for becoming our best selves. Millions of readers turn to Marc and Angel Chernoff for fresh, intimate insights for a fulfilled life. 1000+ Little Things Happy Successful People Do Differently

In this captivating double life, Adam Gopnik searches for the men behind the icons of emancipation and evolution. Born by cosmic coincidence on the same day in 1809 and separated by an ocean, Lincoln and Darwin coauthored our sense of history and our understanding of man's place in the world. Here Gopnik reveals these two men as they really were: family men and social climbers, ambitious manipulators and courageous adventurers, grieving parents and brilliant scholars. Above all we see them as thinkers and writers, making and witnessing the great changes in thought that mark truly modern times.

Angels and Ages

INTERNATIONAL BESTSELLER • In this uplifting autobiography, a modern-day Irish mystic shares her vivid encounters and conversations with the angels and spirits she has known her entire life. With an afterword on angels and America and a bonus chapter on how to connect with your angel Lorna Byrne physically sees and talks with angels every day and has done so ever since she was a baby. As a young child, she assumed everyone could see the angels who always accompanied her. Adults, however, were often skeptical, concerned that Lorna did not seem to be focusing on the world around her. Today, sick and troubled people from all around the world are drawn to her for comfort and healing, and theologians of different faiths seek her guidance. Angels in My Hair is a moving and deeply inspirational chronicle of

Lorna's remarkable life story. Invoking a wonderful sense of place, she describes growing up poor in Ireland and marrying the man of her dreams—only to have the marriage cut short by tragedy. *Angels in My Hair* has garnered overwhelming responses from readers from many walks of life, giving them hope and helping them to realize that no matter how alone they might feel they always have a guardian angel by their side.

Angels in My Hair

CERN Institute, Switzerland: a world-renowned scientist is found brutally murdered with a mysterious symbol seared onto his chest. The Vatican, Rome: the College of Cardinals assembles to elect a new pope. Somewhere beneath them, an unstoppable bomb of terrifying power relentlessly counts down to oblivion.

Angels and Demons

Jade is so used to being with and agreeing with Vicky, her larger-than-life best friend, that when a tragic accident occurs, she can hardly believe that Vicky's gone. But Vicky is a spunky girl who's not going to let a small thing like death stop her from living life to the fullest. Whether Jade is in school, running, or tentatively trying to make new friends, Vicky makes her presence felt, and it's not always a good thing.

Vicky Angel

What does the Bible really tell us about the heavenly host? Everyone knows that angels have wings, usually carry harps, and that each of us has our own personal guardian angel, right? We all have some preconceptions about angels from movies, television shows, and other media, but you might be surprised to know that a lot of those notions aren't based on anything from the Bible. If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings, you're not getting that picture from anything the Bible itself says. What the Bible really says about angels is overlooked or filtered through popular myths. This book was written to help change that. It's a book about the loyal members of God's heavenly host, and while most people associate them with the word "angel," that's just one of many terms the Bible uses for supernatural beings. In *The Unseen Realm*, Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in. In his latest book, *Angels*, Dr. Heiser reveals what the Bible really says about God's supernatural servants. Heiser focuses on loyal, holy heavenly beings because the Bible has a lot more to say about them than most people suspect. Most people presume all there is to know about angels is what has been passed on in Christian tradition, but in reality, that tradition is quite incomplete and often inaccurate. *Angels* is not guided by traditions, stories, speculations, or myths about angels. Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host; he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world. The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period--Jewish writings from around the 5th century BC to the 1st century AD. This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways. With that important background established, the book focuses on what the New Testament tells us about God's holy ones. Finally, the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today.

Angels

Do your heart and soul need encouragement, refreshment, and inspiration? Anne Neilson's *Angels* is an exquisite, artful 40-day devotional inviting you to experience joy and comfort through an original angel painting, a thoughtful reflection, Bible verse, and prayer. Anne Neilson's Angels

Meet a guardian angel like no other, from a writer like no other. Bold, rising star Victoria Schwab returns with the second book in this whimsical, inspiring, and clever middle-grade series. There's more to Aria than meets the eye. She's a guardian angel. And to earn her wings, she'll have to help three different girls. . . .This time, Aria comes to Caroline Mason. At her all-girls' prep school, Caroline is being bullied. She eats lunch alone and is picked on by her classmates every day. The ringleader of the mean girls is Lily Pierce. But Lily isn't an ordinary bully: she used to be Caroline's best friend. When Aria arrives, she can see Caroline is suffering. But, to Aria's surprise, so is Lily. What is the story behind Lily's cruel actions? And can Aria help guide Caroline out of the darkness . . . and into better, brighter future?

Second Chances (Everyday Angel #2)

As the mother of one of the children who died at Sandy Hook school in Newtown, Connecticut, in 2012, Alissa Parker had her world shattered by a mass murderer's rampage. She was left to make sense of her daughter's life and death and to rebuild, seeking a deeply spiritual path to carry on with her life and find new meaning and purpose. As a co-founder of SafeandSoundSchools.org, a touring national advocacy group that helps people take action to make schools safer, Alissa has talked to hundreds of parents around the country about her ordeal and how she was able to endure the unspeakable horror of Sandy Hook. An Unseen Angeltakes readers through Alissa's complete journey, chronicling the moment-by-moment account of the day that began with every parent's worst nightmare: hearing, \"There's been a shooting at your child's school.\" It follows her faith-filled spiritual path to coping, healing, forgiving, and eventually feeling gratitude for the life and love of her daughter Emilie. She describes a bond of love between a mother and daughter that is so profound it transcends the physical body and touches Alissa and the people who loved Emilie who feel her presence every day. And she articulates her deep Christian faith, which guided the answers to Alissa's gut-wrenching, post-tragedy questioning: \"Where is Emilie now?\" \"Can love transcend the physical body?\" \"How can I know that Emilie is in a better place?\" \"How do I deal with the 'here and now' when the pain and anger I feel is so overwhelming?\" This is the first book about the school-shooting tragedies with a focus on faith and spirituality. As we learn Alissa's story, we are introduced to a special little girl who was wise beyond her years and whose lessons about life and the transcendent power of love continued even after she had passed away.\"

An Unseen Angel

Max Ride and her best friends are up against a deadly force, but Fang is gone just when they need him most. Will they be ready for the ultimate showdown? Max Ride and her best friends have always had one another's backs-no matter what. Living on the edge as fugitives, they never had a choice. Angel

This is the entire series put into one book. Paperback edition. They took too much. Left too little. I had nothing to lose...until him. ~~~~~~Lana~I didn't expect him. I didn't want to fall in love. But I can't let him go. Logan Bennett makes the world a safer place. He's brilliant. He's a hero. He locks away the sick and depraved. But while he's saving lives, I'm taking them. Collecting the debts that are owed to me. Ten years ago, they took from me. They left me for dead. They should have made sure I stayed dead. Now I'm taking from them. One name at a time. I've trained for too long. I've been patient. I can't stop now. Revenge is best served cold... They never see me coming, until I paint their walls red. Logan doesn't know how they hurt me. He doesn't know about the screams they ignored. He doesn't know how twisted that town really is. He just knows people are dying. He doesn't know he's in love with their killer. No one suspects a dead girl. And Logan doesn't suspect the girl in his bed. They're looking for a monster. Not a girl who loves red. Not a girl in love. I'm a faceless nightmare. At least until I tell them the story they've pretended never happened. But in the end, will Logan choose them? Or will we watch them burn together? **Graphic** Adult language** Some triggers could be too much for the easily disturbed reader** Sexual content** Fucked up moral compass; read at your own risk.

The Mindf*ck Series

'Peoples are strange! The things they are doing and saying - sometimes they make no sense. Did their brains fall out of their heads?' Angel, not fond of people at the best of times and having an identity crisis, is about to meet Zola - a talkative young girl who makes herself at home in Angel's tower in a village high in the Swiss Alps. 'This Zola is a lot bossy,' Angel thinks. But out of their bickering an unexpected friendship forms, which benefits the entire village, reminding us that magic can be found in even the most ordinary acts of kindness.

The Unfinished Angel

In this practical Qand A format, bestselling author and pastor Robert J. Morgan uncovers the mystery of angels---in the teachings of the Bible, in their role in relation to Christ, how they impact Christians throughout history, and especially in personal accounts of our present-day lives.

The Angel Answer Book

Not fit to be a daughter. Not fit to be a friend. Not fit to be an angel. Two girls are inextricably linked by destiny, not choice. Stephanie is friendless, strange, a misfit. Freya can't stop seeing angels. But when one of those angels begins to stalk her, its shadow following her everywhere, Freya is forced to make decisions from which there is no turning back.

Angel's Inferno

A vacation to Jamaica changes a woman's life forever when she is reunited with her long-ago love. Now she must decide if she will trust him again with her heart. Original.

Angel

Ten-year-old Angel finds plenty to worry about when she learns that her mother's new boyfriend is a clown.

Angel's Paradise

Throughout the ages and stages of American history, grandmothers have been the guardians of the generations, the dispensers of wisdom, the instillers of pride and dignity, the conveyors of important religious

values, the financial and emotional supporters of the family during times of need, and the promoters of cultural standards and traditions. From Maya Angelou to Martin Luther King Jr. to Oprah Winfrey, the success of many African Americans can be traced back to the love and support of a grandmother. Author Reginald E. Hicks is no exception. For Hicks, *An Angel's View* began as a labor of love to chronicle the life of his own beloved grandmother, from her birth on the family farm in rural New Kent County, Virginia in 1923; through her personal, social, and political trials and tribulations; to her quickly approaching eighty-ninth birthday. However, his humble commemoration eventually blossomed into an emotional story of love, betrayal, triumph, and tragedy embedded in a riveting and dynamic Southern history. Through this exceptional work, Hicks makes a unique and valuable contribution to his family and to the world of black literature.

Angel's Mother's Boyfriend

Can a simple penny of no extraordinary value bring a blessing on a person's life? A traveling, poor stranger affects the social structure of a town called Profitville and begins turning it upside down at the point of his arrival.

An Angel's View

Spiritual beings populate the stories of Scripture. Angels singing. Demons infecting. Heavenly hosts fighting . . . Ignore the armies of God and Satan and you ignore the heart of Scripture. Ever since the snake tempted Eve in Eden, we've known: there is more to this world than meets the eye. In this classic Christmas novella, best-selling author Max Lucado imagines the spiritual conflict that surrounded the coming of Christ. Surely there was much. If Satan could pre-empt Christ in the cradle, there'd be no Christ on the cross. Journey back in time to the very throne of God ... and witness firsthand the glory, the wonder, and the battle that took place on the very first Christmas. E-book bonus content: *An Angel's Story*!

The Angel's Penny

X-Ray, Chicken Angel, Lights Out and Cough Cough are the only four children left in the institution known as the Bin. X-Ray and his friends may have terrible things wrong with them, but they're no fools. They know that things have been getting worse since Dr Dearly was put in charge. They have to get out - but how? Along comes hard-case Nail in his dodgy van with his posh bolshie girlfriend, Natalie. All Nail wants is to make some quick money and get off with Nats, but suddenly he has four weirdo stowaways. The children want to find the mythical Sky Boat to sail away from all their problems, but does it exist and will they survive until they reach it? X-Ray's voice is perfect and the way he and the others have created their own world based on their own experience is utterly believable. You long for them to break out and be liberated, even though you suspect the consequences will be terrible.

An Angel's Story

A thorough, comprehensive guide to the world of angels Angels, whose principal employment is the protection and encouragement of human beings, are more popular than ever. In this age of uncertainty, it is easy to understand why the concept of angels is so comforting. While much has been written about angels throughout history, no single source examines them as thoroughly or as thoughtfully as *Angels A to Z*. Written by an "angel expert" and a recognized authority on nontraditional religious movements, this enlightening resource is one of the most comprehensive books on angels and angel-related topics currently available. More than 300 entries, drawn from multiple religions, such as Christianity, Islam, and Hindu traditions, as well as from pop culture, are included. Celebrity angels, obscure angels still waiting for their big break, classifications of angels, guardian angels, fallen angels, biblical figures associated with angels, angels in art and architecture, and angels in the media and literature, how ancient, contemporary, and pop cultures represent angels in their mythology, folklore, architecture, art, literature, religion, and so much more.

Angels A to Z explores a wide assortment of topics, including ... Gabriel, Michael, Lucifer, and other biblical angels Angels in various religions (Christianity, Islam, Hinduism) Different classifications of angels such as the Valkyries from Norse mythology and Hafaza from Islamic tradition Fallen angels, guardian angels, obscure angels, and angels across religious traditions Authors who write about angels, including Frank Peretti, Joan Wester Anderson, Eileen Freeman, Terry Lynn Taylor, and others Artists who depict angels such as Michelangelo, Raphael, Glenda Green, and Karyn Martin-Karl Beloved fictional characters like Clarence from the film *It's a Wonderful Life* If you want to know more about the rich and important history of these spiritual beings, *Angels A to Z* is the answer to your prayers. With more than 130 photos and illustrations, this riveting read is richly illustrated, and its helpful bibliography and extensive index add to its usefulness.

Angel Grandma is a heartfelt poem that connects your child to their loved one who has passed on. It is a beautifully written reminder that those who are gone are never forgotten and that they are watching over us. The images in this book are magical and bring to life a stunning tribute to those we love.

Angels A to Z

Imagine not being able to talk but your smile and laughter just makes everything and everyone around you happy. Enjoy this journey with the special little girl who sees beauty in everything she does.

The Bell-Ringer of Angel's, and Other Stories

Hoping to cool off a twenty-five-year-old feud between two neighbouring families, Cassie Stuart only succeeds in pouring kerosene on the flames. Both sides have warned her to get out of Texas pronto. . .or they will burn her father's ranch to the ground. What Cassie needs is a peacemaker ut she ends up with a widow-maker instead. He is called Angel, a ruggedly handsome hired gun with eyes as black as sin. Unwanted and unwelcomed by his ungrateful employer, he would just as soon leave Cassie to fend for herself. But a stubborn sense of duty, and a desire to taste the sweetness of her kiss teels Angel's resolve to make Cassie want him, come hell or high water. . .and for more than his gun alone.

Angel Grandma

Angels are a basic tenet of belief in Islam, appearing in various types and genres of text, from eschatology to law and theology to devotional material. This book presents the first comprehensive study of angels in Islam, through an analysis of a collection of traditions (hadth) compiled by the 15th century polymath Jal^l al-Dⁿ al-Suy^utⁱ (d. 911/1505). With a focus on the principal angels in Islam, the author provides an analysis and critical translation of hadith included in al-Suyuti's al-Haba'ik fi akhbar al-mala'ik ('The Arrangement of the Traditions about Angels') – many of which are translated into English for the first time. The book discusses the issues that the hadth raise, exploring why angels are named in particular ways; how angels are described and portrayed in the hadth; the ways in which angels interact with humans; and the theological controversies which feature angels. From this it is possible to place al-Suy^utⁱ's collection in its religious and historical milieu, building on the study of angels in Judaism and Christianity to explore aspects of comparative religious beliefs about angels as well as relating Muslim beliefs about angels to wider debates in Islamic

Studies. Broadening the study of Islamic angelology and providing a significant amount of newly translated primary source material, this book will be of great interest to scholars of Islam, divinity, and comparative religion.
