How to Play Scattergories - How to Play Scattergories 3 minutes, 26 seconds - RULES: The object of the game is to score the most points. You score points if no other player matches your answer.

The object of the game is to score the most points.

Setup: Separate the category cards into 6 sets of lists numbered 1-12.

To play a round, first decide which list number you want to use and clip that card in the folder so that it is facing you.

All players simultaneously quickly fill in the first column of their answer sheets.

If it is a tie, then the word is rejected.

Players, in turn, read their answers aloud.

After the 3rd round, tally up all the points from all the rounds, the player with the most points wins.

To play the extra points variation.

For a challenging game with less time, set the timer at any one of these marks.
