Elena Ferrante--named one of the 100 most influential people in 2016 by Time magazine--is best known for her Neapolitan novels, which explore such themes as the complexity of female friendship; the joys and constraints of motherhood; the impact of changing gender roles; the pervasiveness of male violence; the struggle for upward mobility; and the impact of the feminist movement. Ferrante's three novellas encompass similar themes, focusing on moments of extreme tension in women's lives. This study analyzes the integration of political themes and feminist theory in Ferrante's works, including men's entrapment in a sexist script written for them from time immemorial. Her decision to write under a pseudonym is examined, along with speculation that Rome-based translator Anita Raja and her husband Domenico Starnone are coauthors of Ferrante's books.

Following the circuit of culture model, author Diana Leon-Boys teases out moments of complex negotiations by Disney, producers, and audiences as they navigate Elena's circulation. Case studies highlight how a flexible Latinidad is deployed through corporate materials, social media pages, theme park experiences, and the television series to create a princess who is both marginal to Disney's normative vision of princesshood and central to Disney's claims of diversification. This multi-layered analysis of Disney's mediated Latina girlhood interrogates the complex relationship between the U.S.'s largest ethnic minority and a global conglomerate that stands in for the U.S. on the global stage.

Elena, Princesa of the Periphery

Elena Garro and Mexico's Modern Dreams uses Elena Garro's eccentric life and work as a lens through which to examine mid-twentieth-century Mexican intellectuals' desire to reconcile mexicanidad with modernidad. The famously scandalous first wife of Nobel Prize winner poet Octavio Paz, and an award-winning author in her own right, Garro constructed a mysterious and often contradictory persona through her very public participation in Mexican political conflicts. Herself an anxious and contentious Mexican writer, Elena Garro elicited profound political and aesthetic anxiety in her Mexican readers. She confused the personal and the public in her creative fictions as well as in her vision of Mexican modernity. This violation of key distinctions rendered her largely illegible to her contemporaries. That illegibility serves as a symptom of unacknowledged desires that motivate twentieth-century views of national modernity. Taken together, Garro's public persona and critical perspective expose the anxieties regarding ethnicity, gender, economic class, and professional identity that define Mexican modernity. Blending cultural studies and detailed literary analysis with political and intellectual history, Mexico's Modern Dreams argues that, in addition to the intriguing gossip she elicited in literary and political circles, Garro produced a radical critique of Mexican modernity. Her critique applies as well to the nation's twenty-first-century crisis of globalization, state power, and pervasive violence.

"A model of academic praxis." - Public Books Elena Ferrante as World Literature is the first English-language monograph on Italian writer Elena Ferrante, whose four Neapolitan Novels (2011-2014) became a global phenomenon. The book proposes that Ferrante constructs a theory of feminine experience which serves as the scaffolding for her own literary practice. Drawing on the writer's entire textual corpus to date, Stiliana Milkova examines the linguistic, psychical, and corporeal-spatial realities that constitute the female subjects Ferrante has theorized. At stake in Ferrante's theory/practice is the articulation of a feminine

subjectivity that emerges from the structures of patriarchal oppression and that resists, bypasses, or subverts these very structures. Milkova's inquiry proceeds from Ferrante's theory of *frantumaglia* and *smarginatura* to explore mechanisms for controlling and containing the female body and mind, forms of female authorship and creativity, and corporeal negotiations of urban topography and patriarchal space. Elena Ferrante as World Literature sets forth an interdisciplinary framework for understanding Ferrante's texts and offers an account of her literary and cultural significance today.

The Unicorn Stone: Elena in the Land of Mirrios

The Russian Great Reforms of the 1860s were the last major modernizing effort by the Romanov dynasty. From 1855 to 1861, Grand Duchess Elena, born Princess Charlotte of Württemberg (1807-1873), acted as the spokeswoman for the reform-minded circles of Russian society, bringing before her nephew Emperor Alexander II a group of civic-minded experts who formed the core of the committee that prepared the greatest and most complex of the reforms, the abolition of serfdom in Russia. The Grand Duchess's

involvement in these crucial events in Russian history highlights the considerable influence aristocratic women had in Russian society, quite unlike women of the same class and status in Western Europe. A study of the Grand Duchess Elena of Russia offers a new understanding of Russian and international events of the time, the Romanovs' role in them, the degree of autonomy enjoyed by high-born women in Russia and the ways in which new ideas gained ground in the nineteenth-century Russian empire. Based on abundant and largely unused archival sources, published documents and literature of the period in French, Russian, German, Italian and English, this is the first book about Grand Duchess Elena and it expertly interweaves the story of a woman's life with that of Imperial Russian high politics.

Becoming a Romanov. Grand Duchess Elena of Russia and her World (1807–1873)

Elena Poniatowska is one of Latin America's most distinguished and innovative living writers. Advocacy of women and the poor in their struggle for social and economic justice, denunciation of the repression of that struggle, and a tendency to blur the boundaries between conventional literary forms characterize her writing practice. Asserting that Poniatowska's writing has been uniquely shaped by her experience as a journalist and interviewer, Beth Jörgensen addresses four important texts: *Palabras cruzadas* (interviews), *Hasta no verte Jesús mío* (testimonial novel), *La noche de Tlatelolco* (oral history), and *La "Flor de Lis"* (novel of development). She also treats related pieces, including *Lilus Kikus* (short fiction), *De noche vienes* (short stories), *Fuerte es el silencio* (chronicles), and several of Poniatowska's essays. Her readings incorporate a variety of critical approaches within a feminist framework.

She is an outstanding Spanish teacher and taught that language at Clearwater High School and at St. Jerome Catholic School. The Fair Elena, a Legend of the Old Fort at St. Augustine

Descended from the last king of Poland, born in France, educated at a British grade school in Mexico and a Catholic high school in the United States, Hélène Elizabeth Louise Amelie Paula Dolores Poniatowska Amor—otherwise known as Elena—is a passionate, socially conscious writer who is widely known in Mexico and who deserves to be better known everywhere else. With his subject's complete cooperation (she granted him access to fifty years of personal files), Michael Schuessler provides the first critical biography of Poniatowska's life and work. She is perhaps best known outside of Mexico as the author of *Massacre in Mexico* (*La noche de Tlatelolco*) and *Here's to You, Jesusa!* (*Hasta no verte, Jesús mío*). But her body of published books is vast, beginning with the 1954 publication of *Lilus Kikus*, a collection of short stories. And she is still writing today. Schuessler, who befriended Poniatowska more than fifteen years ago, is a knowledgeable guide to her engrossing life and equally engaging work. As befits her, his portrait is itself a literary collage, a "living kaleidoscope" that is constantly shifting to include a multiplicity of voices—those of fellow writers, literary critics, her nanny, her mother, and the writer herself—easily accessible to general readers and essential to scholars. Available in English for the first time, this insightful book includes 40 photographs and drawings and an annotated bibliography of Poniatowska's works—those that have already been translated into English and those awaiting translation.

Elena Knows

A dense forest on a dark and misty night; Elena and Ellie were so terrified they ran for their lives. The forest was pitch black. Elena and Ellie ran into trees. Under branches, not stopping for anything; GASPING for

breath. They both resisted looking behind them. They just ran as fast as they could. "This way princesses;" Came a mysterious voice. Both of them ran towards the voice. "Luis!" they both yelled. "Shhh. Follow me," whispered Luis. He took them away from the troop of army men who were mind -controlled by the devil to kill the princesses. The voices of the army men followed them, calling out "we're going to get you." The six of the man chased them through the forest. Elena and Ellie followed Luis through the tree. Behind Ellie and Elena the six men surrounded them. Luis restrained them with his left arm and drew his sword, getting ready to fight, so they were protected. Elena did the same she drew her sword and held it above her head, there was a clash of swords as they fought the army men and beat them off. "Let's go girls no time to waste." "We need to go find a place to sleep for the night." Ellie saw a cave. They went into it to see if they could sleep in it. "This seems like a good enough place to sleep," Elena suggested. "Luis agreed. Next morning Ellie woke up in a panicking reaction. "Elena wake up! Luis is gone, what are we going to do now!" Ellie Shouted. "Calm down, everything will be ok. I won't let anything happen to you ok? He might be somewhere around here we just need to wait for him to come back." Elena gave Ellie a big hug. Luis appeared. "Good morning girls." He had bunches of fruit in his hands. "This is all I could find for now. Ellie ran towards and gave him a hug. "Wow! I am here now" said Luis. "Never leave us alone like that again ok! I...I...I thought you were gone." Elena was crying with happiness to see Luis again. Luis gave Ellie a hug to make her feel safe again; he could see how strong Elena was. She didn't complain about anything. She stood there and felt sorry for her sister. She felt that her sister needed more attention and that she needed to feel safe. Luis's eye meets Elena's eyes telling her not to worry and he will make sure that Ellie felt safe and protected. "Sorry Ellie next time I'll be more careful, I'll make sure you know where I'm going and I won't leave you like that again." "You promise?" "I Promise, Ok let's eat, we need to get going before someone else sees us. The longer we stay the more risk's we will get". After breakfast they started their journey it was a fine morning and it was a long day. Ellie started to get really tired. "Luis...can we please have a brake, I'm so tired." "Ok Ellie just for a while ok" "We must hurry. The army could catch up to us if we don't hurry up." Said Elena. They both sat down and Luis was watching out for the army. "We should get moving now" said Luis. "Ok. Let's go." They both jumped up and dusted themselves. Luis led them into the forest so their harder to spot. 'STOMP, STOMP, STOMP' "they are catching up to us Come on hurry up." Elena was Worried. "Hey! You lot stop right there." The man said. "What do we do now? It's a dead end." Ellie Yelled. "Don't worry." Said Elena and hugged her sister. "There's to path ways. Luis takes care of Ellie while I distract the army men." She gave her sister one last hug. "Be brave Ellie. I'll find you later and all ways stick with Luis. If I don't find you two I'll keep looking for you. Be strong and trust yourself." "No! Don't go Elena." "I have to. It's for your own good. Find your master with Luis and train good." "Noooooooo!" "Don't worry about Ellie, I'll take good care of her." "Ok Luis I trust you." They both ran out to the different paths. "Which one do we follow boss?" "The young one won't do any good. Follow the elder one." "Eye Eye boss." "Were not pirate's you egg head." "Sorry boss." So the army men followed Elena as she ran as fast as the wi

An Episode of Gamelyn, Elena and Gerardo, and Other Poems

The nomination and appointment of Elena Kagan to the U.S. Supreme Court in 2010 offered few clues to her likely role within the Court. There was no judicial record of previous decisions on controversial issues because Kagan had no judicial experience, making her the only member of the current Court who had never been a judge. There was also very little indication of her personal views because Kagan prefers to keep her private life private. A closer look at Kagan's life and career, however, reveals a very smart, likable, hard-working, and accomplished woman with a reasoned approach to legal questions and a remarkable ability to bring together people with deeply held, conflicting views, an especially important skill on the closely-divided Supreme Court. Supporting social studies, history, and biography assignments, this informative book chronicles the life of Elena Kagan, including a number of key events: her childhood, schooling, public

service, years as a professor, positions as Dean of Harvard Law School and Solicitor General, appointment to the Supreme Court, her role in important court decisions, and other related topics. Special care is taken to explain the purpose and daily activities of SCOTUS and Kagan's responsibilities as a judge.
