

Waterfall

Waterfall

From the #1 New York Times bestselling author of the *FALLEN* series comes *WATERFALL*, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noël, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka's tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander's weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing secret: if she's strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. . . . In *Waterfall*, Eureka has the chance to save the world. But she'll have to give up everything—even love.

Waterfalls of Virginia and West Virginia

Their grandeur takes our breath away. Their gentle sound compliments periods of meditation. Regardless of their size, waterfalls create in the observer a feeling of serenity, a sense of restrained power. To discover a falls is sublime, and now *Waterfalls of Virginia and West Virginia* is available to guide willing adventurers to locate easy as well as challenging waterfalls in the Old Dominion and Mountain States. This complete and comprehensive guide offers clear directions to over 200 waterfalls open to the public. In addition to a brief description of each falls, at-a-glance information including height, type, size of watershed, and difficulty of access help readers choose which waterfall to visit and when. Directions on photography, including how to set up the best shot--from time of day, angle, direction to location--makes this book indispensable to professional and amateur photographers. From Shenandoah National Park to New River Gorge National River, from the Monongahela National Forest to the George Washington and Jefferson National Forest, this book has a waterfall to fit any readers mood or sense of adventure. *Waterfalls of Virginia and West Virginia* is the only guidebook to the waterfalls of these two states.

Hiking Waterfalls Maine

North Carolina Waterfalls

250 of the best waterfalls found in North Carolina with full descriptions, comprehensive directions, and four-color photographs.

Waterfall Hikes of Upstate South Carolina

A waterfall is a perfect destination for a day hike. In this revised and updated guide, native South Carolinian, photographer, and hiker Thomas E. King lists 147 waterfall destinations in the mountains of Upstate South Carolina. Ranging from easy-to-access roadside locations to those that require a six-mile trek, these hikes feature some of the most famous, and some of the most remote, waterfalls in the region. The guide can be used by those of all levels of hiking ability, whether expert or novice. These easy-to-reach waterfalls of Upstate South Carolina are a fun and fascinating retreat for the entire family. Most of these falls are within the ability of the average hiker to reach on a day hike. Some sites are of particularly easy access, such as the pristine falls in the Blue Ridge Mountains, which families with young children and mature adults are encouraged to visit. King has provided the most recent trail directions and waterfall locations available to the public. He also lists and catalogs many remote or hard-to-find waterfalls and waterfalls that nature has reclaimed because the trails have ceased to be maintained. Each entry includes complete driving and hiking directions, trail length and estimated hiking time, a difficulty rating, and a detailed description of the waterfall itself, including a photograph.

Waterfalls of Pennsylvania

Find Your Way to Pennsylvania's Most Beautiful Waterfalls Waterfalls create a feeling of serenity, a sense of restrained power. Their grandeur takes our breath away. Their gentle sounds complement periods of meditation. Let award-winning photographer and creator of Pennsylvania's most read travel blog Jim Cheney guide you to more than 180 of the top-ranked waterfalls in the state. Your bucket list should include these gorgeous locales that decorate Pennsylvania's landscape. The waterfalls are organized geographically and ranked by beauty. Entries include all the information you need, like directions, distance, and hike difficulty, as well as details about each waterfall, such as height, width, and the best time of year to visit. Not-to-miss sights and nearby activities are also called out, so you can make the most of every outing. Plus, Jim's incomparable photography makes this guidebook worthy of any coffee table. From the towering falls of the Poconos to the scenic gems of the Laurel Highlands and everywhere in between, experience them all with this wonderful guidebook. These natural wonders prove that the Keystone State is home to some of the most picturesque sites in America!

200 Waterfall Hikes of Ohio Revised Edition

This book contains 200 waterfalls to be seen all around Ohio. From GPS coordinates, to hiking and driving directions, and photographs of each waterfall, there is much to see and discover.

Waterfalls of Nova Scotia

An Atlantic Bestseller Nova Scotia is blessed with numerous must-see waterfalls, and this volume from self-described "waterfall addict" Benoit Lalonde brings together 100 of the province's best. Conveniently categorized by the government of Nova Scotia scenic route system, this rich compendium includes famous waterfalls such as Garden of Eden Fall, Wentworth Falls, Cuties Hollow, Annandale Falls and Butcher Hill Falls, as well as lesser-known but easy to locate gems. In addition to providing useful information on the height, type, and hiking distance of each waterfall, their degree of difficulty to reach is also assessed for the convenience of both novice and advanced hikers alike. Featuring gorgeous colour photographs and individual maps of each location, Waterfalls of Nova Scotia offers an invaluable reference as well as a tribute to the beauty of the falls and the natural splendour waiting to be discovered.

North Carolina Waterfalls

A guide to over 200 waterfalls. Over 80 black-and-white and color photographs are included.

Above the Waterfall

In this poetic and haunting tale set in contemporary Appalachia, New York Times bestselling author Ron Rash illuminates lives shaped by violence and a powerful connection to the land. Les, a long-time sheriff just three-weeks from retirement, contends with the ravages of crystal meth and his own duplicity in his small Appalachian town. Becky, a park ranger with a harrowing past, finds solace amid the lyrical beauty of this patch of North Carolina. Enduring the mistakes and tragedies that have indelibly marked them, they are drawn together by a reverence for the natural world. When an irascible elderly local is accused of poisoning a trout stream, Les and Becky are plunged into deep and dangerous waters, forced to navigate currents of disillusionment and betrayal that will force them to question themselves and test their tentative bond—and threaten to carry them over the edge. Echoing the heartbreaking beauty of William Faulkner and the spiritual isolation of Carson McCullers, *Above the Waterfall* demonstrates once again the prodigious talent of “a gorgeous, brutal writer” (Richard Price) hailed as “one of the great American authors at work today” (Janet Maslin, *New York Times*).

Minnesota Waterfalls

Guide to 70 waterfalls with directions and color photographs

The Waterfalls of England

From Northumberland in the north to the southern tip of Cornwall there are over 200 easily accessible waterfalls to admire. Each waterfall is given a unique star rating for its attractiveness and appeal together with clear directions and graded access according to the severity of the route.

Waterfall

Gabriella has never spent a summer in Italy like this one. Remaining means giving up all she's known and loved . . . and leaving means forfeiting what she's come to know--and love itself. Most American teenagers want a vacation in Italy, but the Bentarrini sisters have spent every summer of their lives with their parents, famed Etruscan scholars, among the romantic hills. In Book One of the River of Time series, Gabi and Lia are stuck among the rubble of medieval castles in rural Tuscany on yet another hot, boring, and dusty archeological site . . . until Gabi places her hand atop a handprint in an ancient tomb and finds herself in fourteenth-century Italy. And worse yet, in the middle of a fierce battle between knights of two opposing forces. And thus she comes to be rescued by the knight-prince Marcello Falassi, who takes her back to his father's castle--a castle Gabi has seen in ruins in another life. Suddenly Gabi's summer in Italy is much, much more interesting. But what do you do when your knight in shining armor lives, literally, in a different world?

Teardrop

Seventeen-year-old Eureka's life is taking on dark undercurrents that don't make sense . . . Her mother killed in a freak accident. Her best friend, Brooks, behaving like a stranger. And Ander. The boy with eyes like the ocean who is everywhere she goes. Uncovering her mother's legacy -- a stone, a locket and an ancient tale of romance and heartbreak -- Eureka begins to question everything she thought she knew. Only one thing is certain: everything she loves can be washed away.

Waterfalls

Meredith Graham's job as a children's book acquisitions editor takes her to Glenbrooke, Oregon, where she meets the only man who has ever made her heart leap: Jacob Wilde. Trouble is, his heart doesn't seem to be leaping in response to hers. But then, Jake's a movie star. Out of her league. Still, she can't get him out of her

mind. So when circumstances continue to throw the two of them together, Meri decides to pull out all the stops to win her \"dream man\" -- but all of her schemes can't prepare her for what happens when they meet again in this bestselling former Palisades release, now book six in the new Glenbrooke series by award-winning author Robin Jones Gunn. Fun-loving Meri Graham has never met her match... until now? Meredith's trip to Glenbrooke, Oregon, takes a decidedly interesting turn when she finds herself sharing a picnic with a man who makes her heart beat in triple time. Pretty, spunky, Meri has never had a problem holding her own with attractive men. But when she discovers her picnic partner is movie star Jacob Wilde, she loses her characteristic cool, puts her foot in her mouth, and ruins everything! The next time she meets Jacob, the tables are turned. He's written some children's books and wants her company to publish them. As acquisitions editor, Meri's the woman he needs to impress. She's more than willing to let him work at it. When Meri lands an unexpected walk-on role in a film, Jacob finally begins to see her in a different light—and discovers what it feels like to be starstruck himself.

Hiking Waterfalls Washington

Hiking Waterfalls Washington includes detailed hike descriptions, maps, and color photos for the area's most scenic waterfall hikes. Hike descriptions also include history, trivia, and GPS coordinates. This book takes you through state and national parks, forests, monuments, and wilderness areas, and from city parks to the most secluded corners of the area to view the most spectacular waterfalls.

Waterfall

From Niagara Falls in the United States to Angel Falls in Venezuela, Victoria Falls in Africa, and Hannoki Falls in Japan, waterfalls provide some of the world's loveliest panoramas. With their glistening spray and deafening roar, these astonishing natural wonders attract hordes of people each year who seek out, with cameras in hand, these terrifying and sublime examples of natural beauty. While waterfalls have often been considered in terms of their picturesque qualities, their rich cultural background has been neglected. In *Waterfall*, Brian Hudson portrays these marvels in a new light. He explores the many myths and legends waterfalls have inspired in cultures ranging from Native American to Celtic and Indian, and how they have been depicted in art, literature, film, and music. He also examines their influence on architecture and landscape design, as manmade waterfalls begin to be a staple of parks, gardens, and backyard landscaping. Hudson also discusses the ecology of waterfalls and the conflict that arises from their importance as both a source of hydroelectric power and tourist attractions in many countries. As erosion takes its own toll, the additional environmental impacts of human exploitation could be devastating. A superb addition to the library of any nature lover, this beautifully illustrated book provides a fascinating look at the history and value of these stunning cascades of water.

The Waterfalls of South Carolina

This unique guide is an essential exploring companion for every resident or visitor to South Carolina's spectacular mountains. Packed with stunning photographs and easy-to-follow directions, it will take you to 31 waterfalls nestled in the rugged terrain of Greenville Pickens and Oconee counties. A smash success since its first printing, this third edition includes updated information and more brand new waterfalls to take you even further off the beaten path! Book jacket.

Hiking Waterfalls Washington

Hiking Waterfalls in Washington includes detailed hike descriptions, maps, and color photos for the area's most scenic waterfall hikes. Hike descriptions also include history, trivia, and GPS coordinates. This book takes you through state and national parks, forests, monuments, and wilderness areas, and from city parks to the most secluded corners of the area to view the most spectacular waterfalls.

Hiking Waterfalls Hawaii

With over 500 recorded waterfalls, Hawaii is one of the states with the most waterfalls in the country. Many of these falls empty into swimmable pools, and the hot, tropical weather makes the payoff of a cool waterfall at the end of a hike particularly alluring. Hiking Waterfalls Hawaii takes you through state and national parks, forests, monuments and wilderness areas, and from popular city parks to the most remote and secluded corners of the area to view the most spectacular waterfalls. Look inside to find: Hikes suited to every ability Mile-by-mile directional cues Difficulty ratings, trail contacts, fees/permits, and best hiking seasons GPS location for each trailhead

The Diamond Waterfall

The Sparkling Cascade of diamonds was designed to adorn the women who married into one of England's most prominent families - a symbol of the wealth and privilege enjoyed by the Firths of Yorkshire. Instead the magnificent necklace would come to burden the women who wore it, becoming for them an emblem of bondage and inherited tragedy. Pamela Haines's enthralling new saga tells of three generations whose lives and destinies are linked through blood and inheritance of this priceless heirloom. There is Lily Greene, star of the London stage, who in 1898 weds the enigmatic sir Robert Firth, and for whom the diamond waterfall comes to symbolize a state of degradation and humiliation she never imagined possible. There is Lily's daughter, Sylvia, who is married for this fabulous legacy and leads a life of love and torment. And finally, there is Willow Gilmartin, who in the spring of 1945 removes the diamond waterfall from its bed of ivory satin-and at last claims a heritage that has for so long eluded others. Sweeping from a great Yorkshire estate to the Riviera and across Europe - from the opulence of Edwardian London to the trenches of France in World War I and back to England during one of her most dramatic hours-this panoramic novel interweaves the lives of men who would fight on the battlefields of two world wars and women who would carry forward the traditions that defined them.

Waterfalls of New York State

Features more than 100 scenic waterfall destinations throughout New York State. New York State is home to arguably the most famous waterfall in the world, Niagara Falls. But thanks to its diverse terrain and an abundance of rivers and streams, the state also boasts more than 2,000 other waterfalls. From delicate cascades to thundering cataracts, each has its own compelling story. Waterfalls of New York State is a celebration of more than 100 of the Empire State's most beautiful and interesting falls, presented by three long-time waterfall enthusiasts who know their subject matter firsthand: Edward Smathers tackles the Capital and Hudson Valley regions; Scott Ensminger reports on the Finger Lakes and Greater Niagara; and David Schryver covers the North Country. Each waterfall is presented on a two-page spread with a full-page color photograph and descriptive text that includes details about the geology of the falls, local history, driving directions, access information, suggestions for the best vantage point for viewing, as well as other area interests. Sidebars feature handy at-a-glance information, such as the nearest settlement, walk time, trail conditions, GPS coordinates and the size and type of waterfall. Filled with gorgeous photographs and featuring regional location maps, Waterfalls of New York State is a valuable regional travel guide for weekend explorers, fans of waterfalls, visitors and armchair travelers. Canadian travelers from Quebec and Ontario will appreciate the many day trips available just over the border.

Waterfalls

A vivid new history of the Battle of Midway that transforms our understanding of the iconic turning point of the Second World War. The stunning and decisive battle of Midway was perhaps the most crucial naval battle in the Pacific theater during World War II. Walter Lord explained away the US victory at Midway against a numerically superior and apparently more skilled Japanese fleet due to 'Lady Luck.' In The Silver Waterfall acclaimed historian Brendan Simms and historian and military veteran Steve McGregor show it

was no such thing. Luck had little to do with it. Instead the authors show how the forces of industrial dynamism and innovation were central to the US being able to win the war in the Pacific. Engineers, machinists, test pilots, and a willingness to experiment at scale were vital to the creation of the decisive element that would sink the hopes of Japan along with the pride of their aircraft carrier fleet: the Douglas Dauntless Dive Bomber dive bomber, whose vicious near vertical plummet from the sky to deliver a brutally accurate attack was the \"silver waterfall\" that the Japanese quickly came to dread. In a few deadly minutes they changed the course of the war in the Pacific. Equally important, the Navy drew on the skills of a wide variety of immigrants or descendants of immigrants--especially those from Germany, the principal hostile power. The engineer who designed the plane which decided the Battle of Midway was Ed Heinemann, the strategist who decided America would defend Midway Island was Chester Nimitz; and the pilot who symbolized American performance on the day was Dusty Kleiss. Without these men, America could not have designed, planned, or done what was needed to win. The Silver Waterfall offers a revelatory new history of Midway, showing that if the Americans were lucky, they made their own luck.

A New Path to the Waterfall

The Snow Sisters have one last chance to save the Everchanging Lights—and their parents—in this fourth and final installment in the magical chapter book series perfect for fans of Snow and Rose and Disney's Frozen! It's the Day of the Midnight Sun, and the evil Shadow Witch is ready to use all her power to steal the magic of the Everchanging Lights that protect the kingdom. The Snow Sisters must be braver and stronger than they ever imagined for their final quest. Only they can rescue their parents and stop the Shadow Witch from turning their world dark forever. Can they reach Silfur Falls and return the Everchanging Lights to the sky before the clock strikes midnight?

The Silver Waterfall

In August 1946, Marcel Duchamp spent 5 weeks in Switzerland, including 5 days at the Hotel Bellevue near Chexbres, on Lake Geneva, discovering the Forestay waterfall. A multidisciplinary event took place in May 2010 to attempt to understand why the artist chose this waterfall for his final masterpiece 'Étant Donnés'.

The Enchanted Waterfall

This book is the volume of "Travel Guide of Famous Waterfalls in China" among a series of travel books ("Travelling in China"). Its content is detailed and vivid.

Marcel Duchamp and the Forestay Waterfall

This comprehensive guidebook profiles more than 130 waterfalls in Michigan, all scouted by expert local photographer Greg Kretovic.

* Northern CA waterfalls reached by car, on foot, or by canoe or raft * Falls rated from one to five stars for their appeal * At-a-glance table for selecting waterfalls by scenic rating, form, how to access, best season, and waterfall type * Organized according to highway routes and popular day trip or vacation itineraries in each region On the road and seeking prime waterfall drive-up views? Feeling like a short stroll or longer hike to bask in a refreshing spray up close? Looking for a beautiful backdrop for a family picnic? Waterfall Lover's Guide to Northern California will tell you where to find the falls that fit the occasion. To help you select, each waterfall is keyed for accessibility by car, on foot, by canoe, or raft, and rated for magnitude and aesthetic value. The Danielssons note which falls can be seen from the road, cast a rainbow from their base, pour directly into the Pacific Ocean, or spin wheels of water along their flow.

Waterfall

Written to meet the requirements of geography GCSE AQA/A, this second edition of the course book includes exam practice questions and answers, practical help with revising skills and data analysis and guidance on how to approach the skills paper, with practice questions and answers.

Waterfall Lover's Guide to Northern California

Don't simply show your data—tell a story with it! Storytelling with Data teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to: Understand the importance of context and audience Determine the appropriate type of graph for your situation Recognize and eliminate the clutter clouding your information Direct your audience's attention to the most important parts of your data Think like a designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

Storytelling with Data

The now iconic figure John Muir, while living at the base of Yosemite Falls in California, ventures up the trail from his cabin one night and has a harrowing waterfall adventure. Back matter roots the story in Muir's life's work as a conservationist and naturalist.

Hiking Waterfalls Alabama

From Venezuela's Angel Falls, Earth's highest, to Victoria Falls, \"the smoke that thunders,\" this work is a survey of the world's top 10 waterfalls. Detailing locations, sources, size, volume, and appearance, it also includes material about each waterfall's geologic makeup, history, local climate, and people.

John Muir Wrestles a Waterfall

Discover the Best Waterfalls in North Carolina and Virginia Waterfalls are nature's most captivating wonders. These hidden spectacles seem to hold all the secrets of the forest. The hills of the Blue Ridge harbor an incredible number of waterfalls. Hundreds of named falls—and perhaps thousands more—wait to be discovered any time of year. In *Waterfalls of the Blue Ridge*, expert hiker and veteran outdoors writer Johnny Molloy guides you to 120 of the region's best waterfalls, ranging from 10 to 500 feet high. Some require no hike at all, while others can only be seen from the trail. When you add hiking to a waterfall, you double your pleasure. Most trails in this book could stand alone, but they are even better when combined with the chance to visit a waterfall. Covering the mountainous region along the Blue Ridge Parkway, *Waterfalls of the Blue Ridge* takes you into two states, three national parks, three wilderness areas, four national forests, eight state parks, and more! The waterfalls are grouped together by location and appear in geographic order, north to south. The full-color guide provides the information you need to choose which waterfalls to visit. Take a quick look at the hiking distance and the level of difficulty. Then read the hike description, so you know what to expect. Maps, driving directions, and GPS trailhead coordinates help you get there, and professional photographs offer glimpses of the beauty that you'll encounter on the trail. Waterfall hiking in the mountains of the Blue Ridge is a marvelous way to experience the great outdoors. With this guide as your reference, you can seek out a different waterfall every time or hike to your favorite falls, time and again.

Waterfalls

This beautiful, full-color guidebook features 64 of the best waterfall hikes in Oregon, with another 19 honorable mentions. From the Coast Range to the Cascades, along with the breathtaking Columbia River Gorge, you can explore those special places where water cascades over cliffs. Some waterfalls are remote while others are just a short hike from the trailhead, some are gentle trickles and others are roaring giants. Yet all of them offer a peaceful escape and are worth seeking out.
