NATIONAL BESTSELLER • NATIONAL BOOK AWARD FINALIST • A PEN/FAULKNER AWARD FINALIST • Set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. • Now an original series on HBO Max. • Over one million copies sold! One of the New York Times's 100 Best Books of the 21st Century Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!

Winnie knows that change isn't all it's cracked up to be, especially when it means her best friend, Amanda, might be dropping her for someone else. Throw in a grumpy teenage sister, a cat who gets trapped in the wall, and a crush who has pinkeye, and you've got one big mess—one that Winnie's not going to clean up! Winnie's decided that she's going to remain exactly the same, no matter what the rest of the world does. But every month brings crazy adventures. A lot can change in a year . . . maybe even Winnie.

#1 New York Times #1 Wall Street Journal #1 Los Angeles Times #1 Entertainment Weekly #1 Publishers Weekly Stephanie Plum is thinking her career as a fugitive apprehension agent has run its course. She's been shot at, spat at, cussed at, fire-bombed, mooned, and attacked by dogs. Time for a change, Stephanie thinks. Time to find the kind of job her mother can tell her friends about without making the sign of the cross. So Stephanie Plum quits. Resigns. No looking back. No changing her mind. She wants something safe and normal. As it turns out, jobs that are safe and normal for most people aren't necessarily safe and normal for Stephanie Plum. Trouble follows her, and the kind of trouble she had at the bail bonds office can't compare to the kind of trouble she finds herself facing now. Her past has come back to haunt her. She's stalked by a maniac returned from the grave for the sole purpose of putting her into a burial plot of her own. He's killed before, and he'll kill again if given the chance. Caught between staying far away from the bounty hunter business and staying alive, Stephanie reexamines her life and the possibility that being a bounty hunter is the solution rather than the problem. After disturbingly brief careers at the button factory, Kan Klean Dry Cleaners, and Cluck-in-a-Bucket, Stephanie takes an office position in security, working for Ranger, the

sexiest, baddest bounty hunter and businessman on two continents. It might not be the job she'll keep for the rest of her life, but for now it gives her the technical access she needs to find her stalker. Tempers and temperatures rise as competition ratchets up between the two men in her life---her on-again, off-again boyfriend, tough Trenton cop Joe Morelli, and her bad-ass boss, Ranger. Can Stephanie Plum take the heat? Can you? Between the adventure and the adversity there's attitude, and Stephanie Plum's got plenty in her newest misadventure from Janet Evanovich, *Eleven on Top*.

Eleven Days

A stunning debut novel--unexpected, tautly written, suspenseful--that touches on some of the most profound questions we have about war as it tells us a haunting story of a single mother, and her Navy SEAL son.

Eleven Eleven

Set during the final 24 hours before the armistice at 11 a.m. on 11th November 1918, the story follows a German storm trooper, an American airman and a British Tommy. Their destinies converge during the death throes of the first ever conflict to spread across the globe. War becomes incredibly personal as nationality and geography cease to matter to each of these teenagers on the Western Front, and friendship becomes the defining aspect of their encounter. But who will live and who will die before the end of the day?

Orphan Eleven

An engaging adventure from a Newbery Honor-winning storyteller for readers who love the circus, and anyone who has dreamed of finding the perfect home. Four orphans have escaped from the Home for Friendless Children. One is Lucy, who used to talk and sing. No one knows why she doesn't speak anymore; silence is her protection. The orphans find work and new friends at a traveling circus. Lucy loves caring for the elephants, but she must be able to speak to them, and to warn others of danger. If Lucy doesn't find her voice, she'll be left behind when the circus goes on the rails. Meanwhile, people are searching for Lucy, and her puzzling past is about to catch up with her. This lively, heartwarming novel by the award-winning author of the *Tales from Alcatraz* series is full of marvels and surprises.

Eleven Hours

An NPR Best Book of 2016 A New Yorker Book We Loved in 2016 Named to Kirkus Reviews' Best Books of 2016 The Millions Most Anticipated Book of 2016 Flavorwire Most Anticipated Book From the critically acclaimed author of *The Virgins*, *Eleven Hours* is an intimate exploration of the physical and mental challenges of childbirth, told with unrelenting suspense and astonishing beauty. Lore arrives at the hospital alone—no husband, no partner, no friends. Her birth plan is explicit: she wants no fetal monitor, no IV, no epidural. Franckline, a nurse in the maternity ward—herself on the verge of showing—is patient with the young woman. She knows what it's like to worry that something might go wrong, and she understands the distress when it does. She knows as well as anyone the severe challenge of childbirth, what it does to the mind and the body. *Eleven Hours* is the story of two soon-to-be mothers who, in the midst of a difficult labor, are forced to reckon with their pasts and re-create their futures. Lore must disentangle herself from a love triangle; Franckline must move beyond past traumas to accept the life that's waiting for her. Pamela Erens moves seamlessly between their begrudging partnership and the memories evoked by so intense an experience: for Lore, of the father of her child and her former best friend; for Franckline, of the family in Haiti from which she's exiled. At turns urgent and lyrical, Erens's novel is a visceral portrait of childbirth, and a vivid rendering of the way we approach motherhood—with fear and joy, anguish and awe.

Eleven

FROM THE AUTHOR OF CONTACTS... Xavier Ireland is a radio DJ who by night listens to the hopes, fears and regrets of sleepless Londoners and by day keeps himself very much to himself - until he is brought into the light by a one-of-a-kind cleaning lady and forced to confront his own biggest regret. This is a tale of love, loss, Scrabble and six degrees of separation, asking big questions about life and death, strangers and friends, heartache and comfort, and whether the choices we don't make affect us just as powerfully as those we do.

The House on Mango Street

A TODAY SHOW #ReadWithJenna BOOK CLUB PICK NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

Behind the Book

Explores how eleven contemporary first-time authors, in genres ranging from post-apocalyptic fiction to young adult fantasy to travel memoir, navigated these pathways with their debut works. Based on extensive interviews with the authors, it covers the process of writing and publishing a book from beginning to end, including idea generation, developing a process, building a support network, revising the manuscript, finding the right approach to publication, building awareness, and ultimately moving on to the next project. It also includes insights from editors, agents, publishers, and others who helped to bring these projects to life.

Eleven Madison Park

Eleven Madison Park is one of New York City's most popular fine-dining establishments, where Chef Daniel Humm marries the latest culinary techniques with classical French cuisine. Under the leadership of Executive Chef Daniel Humm and General Manager Will Guidara since 2006, the restaurant has soared to new heights and has become one of the premier dining destinations in the world. Eleven Madison Park: The Cookbook is a sumptuous tribute to the unforgettable experience of dining in the restaurant. The book features more than 125 sophisticated recipes, arranged by season, adapted for the home cook, and accompanied by stunning full-color photographs by Francesco Tonelli.

Eleven Rings

“Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson’s polymathy.” —The New York Times Book Review “Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice.” —Sam Anderson, The New York Times Magazine A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the

Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the “Zen master” half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players’ nature, not their egos, fear, or greed. This is the story of a preacher’s kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the hypercompetitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he: • Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s • Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title • Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync • Inspired Dennis Rodman and other “uncoachable” personalities to devote themselves to something larger than themselves • Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship—six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don’t know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

Eleven Miles

How far would you have walked to gain your high school education? From an early age, the greatest passion in Boitumelo Tumelo's life is learning. Boi, as she is known to her friends and family, just loves going to school. Her primary school is in the local village, but when she graduates to secondary school, two obstacles stand in the path to her further education. Firstly, there are fees to be paid. Secondly, it is eleven miles to the nearest secondary school. She would have to get up very early, and walk that long distance to school every day, and walk home after school. There are many potential dangers along the remote African track between her village and her school. This is the inspiring story of how Boi overcomes the obstacles and dangers to gain the education that she so desires. Not only does she achieve her ambitions, but she manages to make life better for the children of her village who wish to follow in her footsteps.

Eleven Seconds

Presents the personal story of Boston University freshman Travis Roy, who suffered a paralyzing injury while playing his first college hockey game, and the strength and courage he exhibited after the accident.

Eleven

\“Eleven billion people will share this planet by century's end. Adding 4 billion to an already overburdened world will force everyone to change everything.\”--Cover.

The Lost Eleven

Nearly forgotten by history, this is the story of the Wereth Eleven, African-American soldiers who fought courageously for freedom in WWII—only to be ruthlessly executed by Nazi troops during the Battle of the Bulge. Their story was almost forgotten by history. Now known as the Wereth Eleven, these brave African-American soldiers left their homes to join the Allied effort on the front lines of WWII. As members of the 333rd Field Artillery Battalion, they provided crucial fire support at the Siege of Bastogne. Among the few who managed to escape the Nazi’s devastating Ardennes Offensive, they found refuge in the small village of

Wereth, Belgium. A farmer and supporter of the Allies took the exhausted and half-starved men into his home. When Nazi authorities learned of their whereabouts, they did not take the soldiers prisoner, but subjected them to torture and execution in a nearby field. Despite their bravery and sacrifice, these eleven soldiers were omitted from the final Congressional War Crimes report of 1949. For seventy years, their files—marked secret—gathered dust in the National Archive. But in 1994, at the site of their execution, a memorial was dedicated to the Wereth Eleven and all African-American soldiers who fought in Europe. Drawing on firsthand interviews with family members and fellow soldiers, *The Lost Eleven* tells the complete story of these nearly forgotten soldiers, their valor in battle and their tragic end. INCLUDES PHOTOS

Eleven Lines to Somewhere

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Holy Bible (NIV)

Eleven Minutes is the story of Maria, a young girl from a Brazilian village, whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer. . . ." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune. Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria has to choose between pursuing a path of darkness -- sexual pleasure for its own sake -- or risking everything to find her own "inner light" and the possibility of sacred sex, sex in the context of love. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Eleven Minutes

Exposé Top Story: Best Making Headlines The temperature skyrocketed in Chicago this week and it had nothing to do with the weather. Our two favorite ballers went head-to-head (or should we say helmet-to-helmet?) on the practice field and there's video to prove it. Sources tell us the (sweaty, aggressive, hot-as-heck) fight that got Branch "Lucky" Best, Finn Miller, and visiting Columbus quarterback Callum Worthington ejected from practice (you must see this video!) was not over a fumbled play. It was over nothing less than Layla James Miller, Finn's younger sister. Does Layla's name sound familiar? It should. Until about five minutes ago, you could find her on Callum's well-formed arm . . . until he gave us whiplash showing up in Tahiti with the face of Ares Cosmetics, Carly Mathewson. But Callum and Layla aren't dating anymore, so where's the beef? Give us a sec. Layla James is now scoring with Branch. Yeah. We'll give that a minute to sink in. Word has it Finn isn't all that hyped about his sister playing ball with his (former?) best friend. Branch's playboy image is well-known and even better documented. A keyword search of his name on our site alone brings up thousands of hits of him with women and rarely are two the same. The question remains: why does Callum care? We'll have to wait and see. In the meantime, we'll be crying in our champagne and hoping our favorite bromance gets back on track. (And, seriously, go watch that video!) **USA Today** Bestselling author Adriana Locke delivers a "sweet & steamy!" tale of a football hero, his best friend's little sister, and a surprise that might be an interception ... or a Hail Mary.

Lucky Number Eleven

From the award-winning, bestselling author of *Station Eleven* and *Sea of Tranquility*, "a gripping story, full of moral ambiguities, where deception and betrayal become the norm, and where the expression 'a riddle wrapped in a mystery, inside an enigma' is lifted to new heights" (St. Louis Post-Dispatch). Everyone Anton Waker grew up with is corrupt. His parents dealt in stolen goods, and he was a successful purveyor of forged

documents until he abandoned it all in his early twenties, determined to live a normal life, complete with career, apartment, and a fiancée who knows nothing of his criminal beginnings. He's on the verge of finally getting married when Aria—his cousin and former partner in crime—blackmails him into helping her with one last job. Anton considers the task a small price for future freedom. But as he sets off for an Italian honeymoon, it soon becomes clear that the ghosts of his past can't be left behind so easily, and that the task Aria requires will cost him more than he could ever imagine. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!

The Singer's Gun

In a mesmerizing debut, cop-turned-author Donald Harstad uses real-life events to paint a jarring picture of crime in America's heartland--where two-stoplight towns no longer offer refuge from modern-day brutality. Life in Maitland, Iowa, is usually predictable, even for a cop. But all that changes the day Deputy Sheriff Carl Houseman's dispatcher receives the terrifying 911 call. The day cops find the mutilated bodies at a remote farmhouse. The first of eleven days Carl will never forget. As hotshot investigators fly in from New York, Carl and his fellow cops use old-fashioned detective work to piece together clues. But to turn suspicions into suspects, Carl must search among his closest friends to find a killer who has shocked and bewildered cops who'd thought they'd seen it all. And before it's over, Carl will be forced into an unrelenting spiral of chaos, coming face-to-face with evil he never dreamed could exist in Maitland...or anywhere else.

Eleven Days

The *Book of Ten Nights and a Night* offers both a keen introduction to the genius of John Barth and a deeply human argument for the enduring value of literature. Gathering stories written throughout this postmodern master's long career, the collection spans his entire range of styles, from straightforward narrative to experimental metafiction. In the time immediately following September 11, 2001, the veteran writer Graybard spends eleven nights with a nubile muse named WYSIWYG (What You See Is What You Get). The two lovers debate the meaning and relevance of writing and storytelling in the wake of disaster, telling a new tale each night in the tradition of Scheherazade. The *Book of Ten Nights and a Night* exhibits the thrilling blend of playfulness and illuminating insight that have marked Barth as one of America's most distinguished writers.

The Snail-watcher, and Other Stories

In August 1963, one of the best-selling aircraft of British civil aviation, the BAC One-Eleven, took to the skies for the first time. With an order book for sixty aircraft, more than half were from the United States, which was an unprecedented situation for a British civil aircraft. The first project for the newly formed British Aircraft Corporation, the One-Eleven was wholly designed and built by BAC, and remained in production throughout the entire seventeen-year history of the organisation, performing strongly even when profits were at a low. After flying commercially in Europe for the last time in March 2002, here the One-Eleven is celebrated in style.

The Book of Ten Nights and a Night

In 1980, there were exactly four professional bike racers in America. Six years later, an American cycling team would wear the coveted yellow jersey of the Tour de France. And that same team would go on to win Italy's greatest race--the Giro d'Italia--only two years later. Team 7-Eleven is the extraordinary story of how two Olympic speed skaters, Jim Ochowicz and Eric Heiden, pulled together a small group of amateur cyclists and turned them into one of the greatest cycling teams the sport has known. From humble beginnings in a barn in Pennsylvania to soaring victories in the French Alps, Team 7-Eleven is the complete history that has never been fully told--until now. The 7-Eleven Cycling Team--Team 7-Eleven for short--launched the careers of American cycling superstars Andy Hampsten, Davis Phinney, Bob Roll, Ron Kiefel, and many more. It

also changed the cycling world, creating a new team structure based on multiple stars, unified goals, and personal sacrifice for the greater good. And yet at the time it was formed, the number of American cyclists with world-class experience could be counted--literally--on one hand. And the number of American teams that competed in Europe's biggest races was exactly zero. Team 7-Eleven is the amazing story of how two cycling fans found one exceptional sponsor and created the greatest American cycling team of its era. Written with the enthusiastic cooperation of the team members, Team 7-Eleven will impress cycling fans with behind-the-scenes stories of the team's founding, its growing pains, and its lasting success as the team that established America as a powerhouse in the world of professional cycling.

BAC One-Eleven

In 1811 England was on the brink of economic collapse and revolution. The veteran poet and campaigner Anna Letitia Barbauld published a prophecy of the British nation reduced to ruins by its refusal to end the interminable war with France, titled *Eighteen Hundred and Eleven*. Combining ground-breaking historical research with incisive textual analysis, this new study dispels the myth surrounding the hostile reception of the poem and takes a striking episode in Romantic-era culture as the basis for exploring poetry as a medium of political protest. Clery examines the issues at stake, from the nature of patriotism to the threat to public credit, and throws new light on the views and activities of a wide range of writers, including radical, loyalist and dissenting journalists, Coleridge, Wordsworth, Southey, and Barbauld herself. Putting a woman writer at the centre of the enquiry opens up a revised perspective on the politics of Romanticism.

Team 7-Eleven

The cult of St. Ursula and the Eleven Thousand Virgin Martyrs of Cologne was the most widespread relic cult in medieval Europe. The sheer abundance of relics of the Eleven Thousand Virgins, which allowed for the display of immense collections, shaped the notion of corporate cohesion that characterized the cult. Though the primacy of St. Ursula as the leader of this holy band was established by the tenth century, she was conceived as the head of a corporate body. Innumerable inventories and liturgical texts attest to the fact that this cult was commemorated and referenced as a collective mass - Undecim millium virginum. This group identity informed, and was formulated by, the presentation of their relics, as well as much of the imagery associated with this cult. This book explores the visual, textual, performative, and perceptual aspects of this phenomenon, with particular emphasis on painting and sculpture in late medieval Cologne. Examining the ways in which both texts and images worked as vestments, garbing the true core of relics which formed the body of the cult, the book examines the cult from the core outward, seeking to understand hagiographic texts and images in terms of their role in articulating relic cults.

Eighteen Hundred and Eleven

Raihan, MA, B.Ed (English)UGC-NET (English) Research Scholar (English) Dr.APJ Abdul Kalam University, Indore. Hailing from Thalassery,Kerala Raihan is an avid traveller, numismatist and a passionate cricketer with zest and zeal in English Literature. His Ambition is to develop a creative awareness in the field of English Literature with new perspectives.

St. Ursula and the Eleven Thousand Virgins of Cologne

The odyssey of 600,000 imperial Japanese soldiers incarcerated in Soviet labor camps after World War II and their fraught repatriation to postwar Japan. In August 1945 the Soviet Union seized the Japanese puppet state of Manchukuo and the colony of Southern Sakhalin, capturing more than 600,000 Japanese soldiers, who were transported to labor camps across the Soviet Union but primarily concentrated in Siberia and the Far East. Imprisonment came as a surprise to the soldiers, who thought they were being shipped home. The Japanese prisoners became a workforce for the rebuilding Soviets, as well as pawns in the Cold War. Alongside other Axis POWs, they did backbreaking jobs, from mining and logging to agriculture and construction. They were routinely subjected to reeducation glorifying the Soviet system and urging them to support the newly legalized Japanese Communist Party and to resist American influence in Japan upon repatriation. About 60,000 Japanese didn't survive Siberia. The rest were sent home in waves, the last lingering in the camps until 1956. Already laid low by war and years of hard labor, returnees faced the final shock and alienation of an unrecognizable homeland, transformed after the demise of the imperial state. Sherzod Muminov draws on extensive Japanese, Russian, and English archives—including memoirs and survivor interviews—to piece together a portrait of life in Siberia and in Japan afterward. *Eleven Winters of Discontent* reveals the real people underneath facile tropes of the prisoner of war and expands our understanding of the Cold War front. Superpower confrontation played out in the Siberian camps as surely as it did in Berlin or the Bay of Pigs.

Sacred Love and Sexual Fascination Juxtaposed in Eleven Minutes

On the 40th anniversary of the irregular ordination of the group of women who became known as the "Philadelphia Eleven," Darlene O'Dell introduces readers to the women involved, the paths that brought them together on that that momentous day - and what has changed (or not changed) in the life of the church over the intervening years. This is the first book to document the story in first-person interviews. It includes a Foreword by Carter Heyward.

Eleven Winters of Discontent

Small Lives (Vies minuscules), Pierre Michon's first novel, won the Prix France Culture. Michon explains that he wrote it "to save my own skin. I felt in my body that my life was turning around. This book born in an aura of inexpressible joy and catharsis rescued me more effectively than my aborted analysis." *Le Monde* calls it "his chef d'oeuvre. A bolt of lightning." In *Small Lives*, Michon paints portraits of eight individuals, whose stories span two centuries in his native region of La Creuse. In the process of exploring their lives, he explores the act of writing and his emotional connection to both. The quest to trace and recall these interconnected lives seared into his memory ultimately becomes a quest to grasp his own humanity and discover his own voice.

The Story of the Philadelphia Eleven

This book is a brief, simplified presentation of eleven major world religions active today. It is an objective study of the history, beliefs, sacred scripture, festivals, and population. It is intended to supply knowledge without comparing the religions or attempting to convert anyone to any of them. It is a book to further knowledge for understanding living religions and their cultures. The contents are described according to the locations of their origins, the Middle, Far, and Near East. The book is readable for youths and adults. The book is very useful for students taking beginning courses in religion and religions. This book is quickly readable without distracting references. The importance of the eleven religions described in this book is noted in that they claim the membership of five of the seven billion people in our world.

Small Lives

The excerpts from "Eleven Comedies" by Xenophon present a vibrant tableau of Athenian life, societal critiques, and the comedic styles prevalent during his time. The work incorporates elements of political

satire, dream interpretation, and a close examination of human foibles.

Eleven Great Religions of the World Today

Pitstick offers irrefutable evidence man is an indestructible spiritual being having a temporary earthly experience. Exclusive contributions were made by esteemed researchers and teachers Drs. Wayne Dyer, Raymond Moody, Brian Weiss, Ken Ring, and others.

The Anti-logarithmic Canon. Being a Table of Numbers Consisting of Eleven Places of Figures, Corresponding to All Logarithms Under 100000 ... with ... a Short Account of Logarithms, Etc

\ "A romantic tale of a mysterious island and the houses who have stood for centuries to guard against the dreaded nightmare of beings waiting to strike from the ocean's depths.\ " --

A Comprehensive Summary and Analysis of The Eleven Comedies

Like with Antoine Volodine's other works, Post-Exoticism In Ten Lessons, Lesson Eleven takes place in a corrupted future where a small group of radical writers - those who practice post-exoticism' - have been jailed by those in power and are slowly dying off. But before Lutz Bassmann, the last post-exoticist writer, passes away, a couple of journalists will try and pry out all the secrets of this powerful literary movement. This is without a doubt one of the most ambitious literary projects of recent times: a project exploring the revolutionary power of words
