It is true that we support the administration's civil rights bill.

In its present form, this bill will not protect the citizens of Danville

We must have legislation that will protect the Mississippi sharecropper

We need a bill that will provide for the homeless and starving people

Fair Employment Practices Committee bill.

Where is our party?

We do not want our freedom gradually

for love, brotherhood, and true peace.

I appeal to all of you to get in this great revolution

Get in and stay in the streets of every city, every village and hamlet

We must get in this revolution and complete the revolution.

this nation, the Black masses are on the march for jobs and freedom.

we shall splinter the segregated South into a thousand pieces

and put them together in the image of God and democracy.
