Replacement Cost less Depreciation: Under this rule, actual cash value is defined as replacement cost less depreciation It takes into consideration both inflation and depreciation of property values over time Replacement cost is the current cost of restoring damaged property with new materials of like kind and quality Actual Cash Value - Replacement Cost - Depreciation

Broad Evidence Rule: Many states now use broad evidence rule to determine actual cash value of a loss Broad evidence rule means that determination of actual cash value should include all relevant factors an expert would use to determine is value of the property Relevant factors include replacement cash less depreciation, fair market value, and present value of expected income from the property, comparison sales of similar property, opinions of appraisers, and numerous other factors.

Principle of utmost good faith is supported by three legal doctrines Representation, Concealment and Warranty Representations are statements made by applicant for insurance For example if you apply life insurance you may be asked questions concerning you age, weight, height, occupation, state of health, family history, and other relevant questions. Your answers to these questions are called representations legal significance of a representation is that insurance contract is

Excluded Property. A contract of insurance may be written to cover certain perils and losses resulting from that period but it will be limited to certain types of property. For example the fire policy excludes fire losses to money, deeds bills, bullion, and manuscripts. Unless it is written to cover the contents, the fire policy on building includes only integral parts of the building and excludes all contents.

Excluded Location: The policy may restrict its coverage to certain geographical locations. Relatively few property insurance contracts give complete worldwide protection. For example automobile insurance may be limited to cover the auto while it is in Ethiopia Insurance contracts may be discharged by the lapse of time, failure to pay premiums, failure to renew the contract cancellation of the contract.
