

Bangkok

Woman, Man, Bangkok

During the early decades of the twentieth century, Thailand's capital, Bangkok, took on an increasingly cosmopolitan character—a development fueled both by global economic forces and a local revolution in communications. The 1920s were a particularly dynamic period of social and cultural transformation that had a profound impact on the development of Thai modernity. This book examines the growth of a polyphonic and often vociferous Thai public, a public that used a range of new media outlets to express themselves and clamor for a more just and equitable social order. Scot BarnZ mines a rich lode of previously ignored cultural ephemera found in popular newspapers, magazines, novels, short stories, film booklets, and cartoons to create a vibrant cultural history of early modern Thailand that moves beyond conventional, elite-based historical studies of the period. By focusing on such controversies and conflicts as the status of women, relations between the sexes, class antagonisms, and the growth of a commercial mass culture, this book offers a new interpretation of the key decade of the 1920s and its significance for contemporary Thailand.

Bangkok

Bangkok is one of Asia's most interesting, varied, controversial and challenging cities. It is a city of contradictions, both in its present and past. This unique book examines the development of the city from its earliest days as the seat of the Thai monarchy to its current position as an infamous contemporary metropolis. Adopting insights from anthropology, urban studies and human geography, this is a powerful account of the city and its dynamic spaces. Marc Askew examines the city's variety from the inner-city slums to the rural-urban fringe, and gives us a keen insight into the daily life of the city's inhabitants, be they middle-class suburbanites or sex workers.

Bangkok Wakes to Rain

"A house in the center of Bangkok becomes the point of confluence where lives are shaped by upheaval, memory, and the lure of home. Witness to two centuries' flux in one of the world's most restless cities, a house plays host to longings and losses past, present, and future. A nineteenth-century missionary doctor pines for the comforts of New England even as he finds the vibrant foreign chaos of Siam increasingly difficult to resist. A post-war society woman marries, mothers, and holds court, little suspecting the course of her future. A jazz pianist is summoned in the 1970s to conjure music that will pacify resident spirits, even as he's haunted by ghosts of his former life. Not long after, a young woman gives swimming lessons in the luxury condos that have eclipsed the old house, trying to outpace the long shadow of her political past. And in the post-submergence Bangkok of the future, a band of savvy teenagers guides tourists and former residents past waterlogged, ruined landmarks, selling them tissues to wipe their tears for places they themselves do not remember. Time collapses as these stories collide and converge, linked by blood, memory, yearning, chance, and the forces voraciously making and remaking the amphibian, ever-morphing city itself"--Provided by publisher.

Bangkok Noir

"Twelve seasoned and internationally known--Thai and Western--writers have come together to make a powerful collection of crime fiction short stories that portray the dark side of this Asian metropolis"--Page 4 of cover.

Bangkok

"Using direct observations of the surrounding landscape and the tangible artifacts of the city, its topography, streets, temples and other stunning architectural monuments, Barry Bell carries out a progressive investigation into Bangkok's urban sensibility and its central mythologies - the more mysterious perceptual realms of allusion and illusion, arguably the real Bangkok, implicitly present within its deceptive exterior. In spite of the knowledge that, for many people, order seems alien to the city, the author searches for conceptual coherence. He strives to link the city's hectic urban sensibility to its more elusive and hidden character - the dream of Bangkok that is prompted by angelic allusions"--P. [2] of cover.

Bangkok

William Warren's Bangkok is an informal portrait of this most vibrant and perplexing of modern cities. Divided into two parts, the first is a selective history, showing how Bangkok has developed over the last 200 years, while the second explores the contemporary face of the city through a series of personal impressions. The author explains how the charms of Bangkok and its people outweigh the disadvantages of pollution, traffic and stifling heat. He also introduces celebrities, such as the early kings of Thailand's present dynasty and Anna Leonowens, heroine of *The King and I*, as well as Jim Thompson, the US-born silk entrepreneur and art collector who mysteriously vanished in the jungles of Malaysia. Bangkok provides a much needed history of the city, but is also imbued with the warmth of Warren's love affair with its frenetic way of life.

Bangkok 8

In Bangkok a US marine sergeant is killed inside a locked Mercedes by a maddened python and a swarm of cobras. Two policemen - the only two in the city not on the take - arrive too late. Minutes later, only one is alive. The cop left standing is a devout Buddhist and swears to avenge the death of his partner and soul brother.

22 Walks in Bangkok

ING_08 Review quote

Bangkok Utopia

"Utopia" is a word not often associated with the city of Bangkok, which is better known for its disorderly sprawl, overburdened roads, and stifling levels of pollution. Yet as early as 1782, when the city was officially founded on the banks of the Chao Phraya river as the home of the Chakri dynasty, its orientation was based on material and rhetorical considerations that alluded to ideal times and spaces. The construction of palaces, monastic complexes, walls, forts, and canals created a defensive network while symbolically locating the terrestrial realm of the king within the Theravada Buddhist cosmos. Into the twentieth century, pictorial, narrative, and built representations of utopia were critical to Bangkok's transformation into a national capital and commercial entrepôt. But as older representations of the universe encountered modern architecture, building technologies, and urban planning, new images of an ideal society attempted to reconcile urban-based understandings of Buddhist liberation and felicitous states like nirvana with worldly models of political community like the nation-state. Bangkok Utopia outlines an alternative genealogy of both utopia and modernism in a part of the world that has often been overlooked by researchers of both. It examines representations of utopia that developed in the city—as expressed in built forms as well as architectural drawings, building manuals, novels, poetry, and ecclesiastical murals—from its first general strike of migrant laborers in 1910 to the overthrow of the military dictatorship in 1973. Using Thai- and Chinese-language archival sources, the book demonstrates how the new spaces of the city became arenas for modern subject formation, utopian desires, political hegemony, and social unrest, arguing that the modern city was a space of antinomy—one able not only to sustain heterogeneous temporalities, but also to support conflicting world

views within the urban landscape. By underscoring the paradoxical character of utopias and their formal narrative expressions of both hope and hegemony, Bangkok Utopia provides an innovative way to conceptualize the uneven economic development and fractured political conditions of contemporary global cities.

Bangkok

In this vibrant cultural history, Maryvelma O'Neil takes us on an engaging tour of Bangkok, revealing the rich ancient heritage of this fascinating city. The capital of the Kingdom of Thailand, Bangkok stands out as a place of extraordinary allure. Beginning as a floating city in a lush tropical setting, known to foreigners as the \"Venice of the East,\" its majestic Grand Palace and glittering Buddhist temples today compete with chimneystacks and a jungle of skyscrapers. O'Neil illuminates a city rich in art, history, royal ceremony, and tradition and she uncovers fascinating pockets of traditional indigenous life and places of intense beauty hidden in Bangkok's labyrinthine lanes and alleys.

Bangkok Days

A PASSIONATE, AFFECTIONATE RECORD OF ADVENTURES AND MISADVENTURES IN THE WORLD'S HOTTEST METROPOLIS Tourists come to Bangkok for many reasons—a sex change operation, a night with two prostitutes dressed as nuns, a stay in a luxury hotel. Lawrence Osborne comes for the cheap dentistry. Broke (but no longer in pain), he finds that he can live in Bangkok on a few dollars a day. And so the restless exile stays. Osborne's is a visceral experience of Bangkok, whether he's wandering the canals that fill the old city; dining at the No Hands Restaurant, where his waitress feeds him like a baby; or launching his own notably unsuccessful career as a gigolo. A guide without inhibitions, Osborne takes us to a feverish place where a strange blend of ancient Buddhist practice and new sexual mores has created a version of modernity only superficially indebted to the West. Bangkok Days is a love letter to the city that revived Osborne's faith in adventure and the world.

Guide to Bangkok and Siam

A completely revised guide to this exquisite complex of buildings.

The Grand Palace and Old Bangkok

Detective Sonchai Jitpleecheep of the Royal Thai Police returns in his riveting and smokily atmospheric new thriller. A farang—a foreigner—has been murdered, his body horribly mutilated, at the Bangkok brothel co-owned by Sonchai's mother and his boss. The dead man was a CIA agent. To make matters worse, the apparent culprit is sweet-natured Chanya, the brothel's top earner and a woman whom the devoutly Buddhist sleuth has loved for several lifetimes. How can Sonchai solve this crime without sending Chanya to prison? How can he engage in a cover-up without endangering his karma? And how will he ever get to the bottom of a case whose interested parties include American spooks, Muslim fundamentalists, and gangsters from three countries? As addictive as opium, as hot as Sriracha chili sauce, and bursting with surprises, Bangkok Tattoo will leave its mark on you.

Bangkok Tattoo

On May 19, 2010, the Royal Thai Army deployed tanks, snipers, and war weapons to disperse the thousands of Red Shirts protesters who had taken over the commercial center of Bangkok to demand democratic elections and an end to inequality. Key to this mobilization were motorcycle taxi drivers, who slowed down, filtered, and severed mobility in the area, claiming a prominent role in national politics and ownership over the city and challenging state hegemony. Four years later, on May 20, 2014, the same army general who

directed the dispersal staged a coup, unopposed by protesters. How could state power have been so fragile and open to challenge in 2010 and yet so seemingly sturdy only four years later? How could protesters who had once fearlessly resisted military attacks now remain silent? *Owners of the Map* provides answers to these questions—central to contemporary political mobilizations around the globe—through an ethnographic study of motorcycle taxi drivers in Bangkok. Claudio Sopranzetti advances an analysis of power that focuses not on the sturdiness of hegemony or the ubiquity of everyday resistance but on its potential fragility and the work needed for its maintenance.

Owners of the Map

Does Bangkok have a centre? How would you classify that Thai smile you just received by height and angle? What do the flames and curlicues of Thai design have in common with conch shells and cactus? After shopping, nightlife, and temples, you start to wonder where the appeal of Bangkok really lies. Sequel to Alex Carr's award-winning *Lost Japan*, *Bangkok Found* takes you on a journey to the origin in this series of meditations on the city. With wit and a wealth of anecdotes from thirty years experience in Bangkok, Alex probes beneath the surface, as he moves from being a shopper to a shop owner, and from an island-hopper to an island developer. He relives the myth of old Bangkok, watching masked dancers perform by moonlight at his old teak house, only to find that modern artists are also creating a mystical new city based on cultural fashion. **AUTHOR:** Alex Kerr is a writer and world renowned expert on Japanese culture and art. Born in America in 1952 he studied Japanese Studies at Yale University and Chinese Studies at Oxford University. He has lived in Japan and Thailand since the early 1970's. He is also the author of award-winning *Lost Japan* 1994, *Dogs and Demons: The Fall of Modern Japan* 2002, and *Living in Japan* 2006. **SELLING POINTS** Sequel to Alex Kerr's award-winning *Lost Japan*, this publication is sure to be equally successful Cover images contributed by renowned Thai artists Navin Rawanchaikul and Thongchai Srisukprasert 85 b/w illustrations

Insight Guides Explore Bangkok (Travel Guide eBook)

As the political, economic, cultural and culinary capital of Thailand, Bangkok features both old-world charm and modern convenience, at times served up in an apparently chaotic manner, but always with a gracious smile. Bangkok exceeds 1,500 square kilometres in area and is home to one-tenth of the country's population. Bangkok or Krung Thep the city of angels" as it is known to its inhabitants. Many tourists who travel to Bangkok are immediately overwhelmed by the sheer size of the city and the vast number of attractions Bangkok has to offer. Indeed there is a wide variety of Bangkok sightseeing opportunities spanning more than two centuries of rapid development following the city's founding in 1782 by King Rama I, the first king of the present Chakri dynasty.

Bangkok

The Thai capital Bangkok is the unrivalled centre of the country's gay, lesbian and transgender communities. These communities are among the largest in Southeast Asia, and indeed in the world, and have a diversity, social presence and historical depth that set them apart from the queer cultures of many neighbouring societies. The first years of the 21st Century have marked a significant transition moment for all of Thailand's LGBT cultures, with a multidimensional expansion in the geographical extent, media presence, economic importance, political impact, social standing, and cultural relevance of Thai queer communities. This book analyzes the roles of the market and media - especially cinema and the Internet - in these transformations, and considers the ambiguous consequences that the growing commodification and mediatisation of queer lives have had for LGBT rights in Thailand. A key finding is that in the early 21st Century processes of global queering are leading to a growing Asianisation of Bangkok's queer cultures. This book traces Bangkok's emergence as a central focus of an expanding regional network linking gay, lesbian and transgender communities in Hong Kong, Singapore, Taiwan, Indonesia, the Philippines and other rapidly developing East and Southeast Asian societies. Peter A. Jackson is associate professor in the School of Culture, History and Language at Australian National University. "The myriad faces of Thai gender/sexuality culture have been an attraction for both pleasure-seekers and researchers/scholars/activists. Exploring the rapidly changing LGBT cultures and Thai queer identities, the essays collected here provide insightful analyses of historical continuities as well as developing variations within the highly complex erotic/economic texture of Thai society. A must-read for anyone in the booming field of gender/sexuality studies." -Josephine Ho, Chair Professor, Center for the Study of Sexualities, National Central University, Taiwan

Bangkok

A fluent and affectionate portrait not only of the city of Bangkok, known to the Thais as 'the city of angels', but also of the dynasty and culture that created it. Cutting through confusion and veiled mystery. Waugh unravels the plots, coups, wars, assassinations, invasions, and counter-coups of two hundred years of history as if they were this evening's gossip. This description of the genius, fascination, and enduring vitality of Bangkok is told with Waugh's customary delight in life and sensual appreciation.

Bangkok: the Story of a City

Bangkok has been at the frontier of capitalism's drive into the global south for three decades. Rapid development has profoundly altered public and private life in Thailand. In her provocative study of contemporary commerce in Bangkok, Ara Wilson captures the intimate effects of the global economy in this vibrant city. *The Intimate Economies of Bangkok* is a multifaceted portrait of the intertwining of identities, relationships, and economics during Bangkok's boom years. Using innovative case studies of women's and men's participation in a range of modern markets—department stores, go-go bars, a popular downtown mall, a telecommunications company, and the direct sales corporations Amway and Avon—Wilson chronicles the powerful expansion of capitalist exchange into further reaches of Thai society. She shows how global economies have interacted with local systems to create new kinds of lifestyles, ranging from \"tomboys\" to corporate tycoons to sex workers. Combining feminist theory with classic anthropological understandings of exchange, this historically grounded ethnography maps the reverberations of gender, sexuality, and ethnicity at the hub of Bangkok's modern economy.

The Intimate Economies of Bangkok

Bangkok Vibes explores Thailand's capital as a dynamic intersection of tradition and modernity. This book delves into Bangkok's rich history, shaped by its role as a strategic trading port and its negotiation of Western influences, revealing how the city embodies the complexities of globalization. Readers will discover how Bangkok's cultural heritage, from its golden temples to its bustling floating markets, interacts with rapid urbanization and international tourism, offering insights into the forces shaping our world. The book uniquely examines Bangkok's ongoing negotiation between preserving its cultural heritage and adapting to global modernity. The narrative progresses through three sections, starting with the city's historical roots and spiritual influences, then moves to the forces of change like urbanization and tourism, and concludes by analyzing the resulting sociopolitical climate and social mobility. By understanding Bangkok's evolution you'll gain insights into challenges of modernization and cultural preservation that cities worldwide are facing.

Bangkok Vibes

With the acceleration of global migration, literature by migrant writers has emerged as a powerful medium for describing the ways in which global forces are experienced at the personal level. Migrant literature offers a compelling counter-narrative to abstract visions of globalization, grounding large-scale processes in

real-life stories of individuals. In Thailand, migrant writers have documented the social and cultural impacts of fifty years of rural-urban migration through hundreds of stories, poems, and novels. *Bangkok Bound* is the first book to examine this body of literature and the messages that Thai migrant writers convey about their experiences. These stories powerfully describe the ways in which migrants who leave their homes bound for Bangkok are quickly bound to Bangkok through the transformative force of modern city life. And they show the ways in which those who remain behind in the village are transformed, too, as they struggle to maintain a rural way of life in a rapidly urbanizing world. *Bangkok Bound* will be of interest to anyone working on migration or urbanization, as well as to scholars of Thailand and Thai literature. Specialists in migration will find it a welcome addition to the growing field of migration studies through examination of narrative fiction. What others are saying “This is an engaging and authoritative study of literary representations of migration from the provinces to Bangkok based on wide reading of short stories written over the last four decades and interviews with major writers and critics. It will be of interest not only to students of literature, but also to anyone interested in social change in Thailand in the late twentieth century and the way that it has been perceived and recorded by local writers.” —David Smyth, SOAS, University of London Highlights - Useful for an introductory course on Thai or Southeast Asian studies; offers a springboard for conversations on development, rural-urban inequality, migration, and the impacts of rapid urbanization in Asia - First book to examine the theme of migration in Thai literature, a significant contemporary genre - Contributes to the growing field of migration studies through examination of narrative fiction - Provides a window into how migration and urbanization are experienced at the personal level of interest to migration scholars as well as scholars of Thailand, Thai cultural studies, and Thai literature

Bangkok Bound

"Bangkok Streets" vividly explores Thailand's capital, revealing its evolution through history, globalization's impact, and the lives of its residents. The book navigates Bangkok's chaotic charm, blending iconic temples with modern skyscrapers, and traditional crafts with contemporary markets. From its humble beginnings as a trading post to its current status, Bangkok's story is etched into its streets, shaped by royal patronage, western influences, and political shifts. The book argues that Bangkok's identity is a dynamic negotiation between tradition and modernity. It unfolds across three sections: historical roots, contemporary landscape, and the everyday lives of Bangkok's residents. Through diverse sources, including archival documents and personal interviews, *"Bangkok Streets"* offers an intimate glimpse into the city's heart, making it valuable for those interested in urban history, Southeast Asian culture, and the dynamics of globalization.

Bangkok for Shy Guys

From the 1930s to the 1950s, jazz pianist Maurice Rocco was a mainstay in Hollywood and American nightlife scenes. As rock and roll surpassed jazz as America's most popular music in the 1950s, the queer Black pianist's fortunes faded and he was forced to go abroad for new opportunities. In 1964 Rocco settled in Bangkok, where he thrived and enjoyed a relatively privileged life until he was murdered by two young male sex workers in 1976. In *Bangkok after Dark*, Benjamin Tausig uses Rocco's intriguing story to trace the history of transnational nightlife encounters between Thais and Americans during the long American war in Vietnam. Tausig shows how these encounters, which included musical collaborations, romantic and sexual relationships, and new labor, identity, and geopolitical configurations, remade Thailand in crucial and enduring ways. As Tausig demonstrates, Rocco's Blackness, queerness, and musical life in Thailand illuminate how Thai-American relationships complicated neat distinctions between the two countries. In teasing out these complexities through the figure of Rocco, Tausig challenges conventional understandings of

the global Cold War on individual and transnational scales.

TIEWLASUD BANGKOK ENGLISH VERSION

Acknowledged as one of the most memorable novels about Thailand, "A Woman of Bangkok" was first published to critical acclaim in London and New York in the 1950s and is a classic of Bangkok fiction. Set in 1950s Thailand, this is the story of an Englishman's infatuation with a dance-hall hostess named Vilai. No ordinary prostitute, Vilai is one of the most memorable in literature's long line of brazen working girls

DK Top 10 Bangkok

This Thailand travel pictorial presents Bangkok's ancient traditions, breathtaking architecture and vibrant city culture. Situated on the banks of the Chao Phraya, Thailand's capital has spectacular Buddhist statues, unique cultural experiences and a variety of natural color that Bill Wassman's camera captures to an extraordinary degree. In over 140 stunning color photographs, backed by the lucid and insightful writing of authors Joe Cummings and Bill Wassman brings us exquisite portraits and views of Bangkok's people, places, and a host of other delights. Wassman's work is an absolute joy to experience as it celebrates the beauty of this remarkable city. In allowing readers to enter the world of Bangkok, they show clearly why Thailand's heartbeat continues to enchant and beguile all who visit her.
