## Rex Wrecks It!

Can three friends channel one dinosaur's destructive impulses into a more cooperative, constructive playtime?

## Tea Rex

Some tea parties are for grown-ups. Some are for girls. But this tea party is for a very special guest. And it is important to follow some rules . . . like providing comfortable chairs, and good conversation, and yummy food. But sometimes that is not enough for special guests, especially when their manners are more Cretaceous than gracious . . . Introducing Tea Rex, a guest that just about any child would love to have to tea!

## Theodore Rex

NEW YORK TIMES BESTSELLER • “A shining portrait of a presciently modern political genius maneuvering in a gilded age of wealth, optimism, excess and American global ascension.”—San Francisco Chronicle WINNER OF THE LOS ANGELES TIMES BOOK PRIZE FOR BIOGRAPHY • “[Theodore Rex] is one of the great histories of the American presidency, worthy of being on a shelf alongside Henry Adams’s volumes on Jefferson and Madison.”—Times Literary Supplement Theodore Rex is the story—never fully told before—of Theodore Roosevelt’s two world-changing terms as President of the United States. A hundred years before the catastrophe of September 11, 2001, “TR” succeeded to power in the aftermath of an act of terrorism. Youngest of all our chief executives, he rallied a stricken nation with his superhuman energy, charm, and political skills. He proceeded to combat the problems of race and labor relations and trust control while making the Panama Canal possible and winning the Nobel Peace Prize. But his most historic achievement remains his creation of a national conservation policy, and his monument millions of acres of protected parks and forest. Theodore Rex ends with TR leaving office, still only fifty years old, his future reputation secure as one of our greatest presidents.

## L.A. Rex

A gritty and ferocious novel written by Will Beall, an LAPD officer who continues to patrol the streets he writes about. L.A. Rex is the story of Ben Halloran, a seemingly fresh-faced rookie assigned to the 77th Division, L.A.'s most violent precinct, still reeling from the Rodney King riots. Partnered with old-school cop Miguel Marquez, the two plunge fast and deep into the city's burgeoning gang war—and it soon becomes clear that they won't be able to emerge again unless Ben faces the demons he's running from once and for all. Bristling with the energy and authenticity of the author's experiences as a working policeman in South Central L.A., this is a literary thriller that doesn't just unfold. It explodes.

## Santa Rex

From Caldecott-winning author-illustrator Molly Idle comes the perfect stocking stuffer for fans of Cordelia and her Cretaceous friends: Santa Rex! Christmas season has arrived, and nothing says holiday cheer quite

like candy canes, hot cocoa, and DINOSAURS! Cordelia is celebrating her favorite winter holiday with her Cretaceous buddies and everything is just peachy--as long as nobody topples the Christmas tree. Oops...too late! This year, will Santa Rex bring her everything she asked for?

## **Anonymous Rex**

"What would the world be like if the dinosaurs hadn't gone extinct? As this very funny book shows, for one thing, L.A. would be even weirder than it is now." --Dave Barry Vincent Rubio, a Los Angeles private investigator, is down on his luck: He's out of work. His car's been repossessed. His partner has died under mysterious circumstances. And his tail just won't stay put. Vincent is a dinosaur--a Velociraptor, to be precise. It seems the dinosaurs faked their extinction 65 million years ago and still roam the earth, disguised in convincing latex costumes that help them blend perfectly into human society. A heightened sense of smell allows the dinos to detect one another--Vincent's got an odor like a tasty Cuban cigar. When Vincent is called to investigate a two-bit case of arson at a hip dino nightclub, he discovers something much more sinister, which lures him back to New York City--the scene of his partner's death and a dangerous nexus of dinosaur and human intermingling. Will Vincent solve the mystery of his partner's death? Will a gorgeous blond chanteuse discover his true identity, jeopardizing both their lives? Will Vincent be able to conquer his dangerous addiction to basil, or will he wind up in Herba-holics Anonymous? Will he find true love, or resort to crumpled issues of Stegolicious? Somewhere between Jurassic Park and L.A. Confidential lies Eric Garcia's Anonymous Rex, one of the smartest, wittiest, and most entertaining debuts this side of the Ice Age.

## **Parasite Rex**

IMAGINE A WORLD WHERE parasites control the minds of their hosts, sending them to their destruction. IMAGINE A WORLD WHERE parasites are masters of chemical warfare and camouflage, able to cloak themselves with their hosts' own molecules. IMAGINE A WORLD WHERE parasites steer the course of evolution, where the majority of species are parasites. WELCOME TO EARTH. For centuries, parasites have lived in nightmares, horror stories, and in the darkest shadows of science. Yet these creatures are among the world's most successful and sophisticated organisms. In Parasite Rex, Carl Zimmer deftly balances the scientific and the disgusting as he takes readers on a fantastic voyage. Traveling from the steamy jungles of Costa Rica to the fetid parasite haven of southern Sudan, Zimmer graphically brings to life how parasites can change DNA, rewire the brain, make men more distrustful and women more outgoing, and turn hosts into the living dead. This thorough, gracefully written book brings parasites out into the open and uncovers what they can teach us about the most fundamental survival tactics in the universe.

## **Camp Rex**

What could be more fun than a camping trip with a good friend? When that friend is T. Rex! It's important to set a few wilderness safety guidelines first. . . like making sure he stays on the trail. And does not disturb the local wildlife. And knows how to build a safe campfire. But sometimes dinosaurs have a different way of doing things, and that's why it's best to be prepared . . . for anything! Following in the extremely large and funny footsteps of Tea Rex, Camp Rex is for anyone who loves to roast a marshmallow or two around the campfire . . . or the whole bag at once!

## **Specs for Rex**

Rex has new glasses and he does not like them one bit! He definitely does not want to wear them to school. He tries his best to hide them--under his hair, in his sandwich, anywhere he can--but it's tricky when they're so big and round and red. With help from his friends and family, can Rex learn to love his specs after all? ## **Rex**

The inspiring story of Rex, a boy who is not only blind and autistic, but who also happens to be a musical savant. How can an 11-year old boy hear a Mozart fantasy for the first time and play it back note-for-note perfectly-but struggle to navigate the familiar surroundings of his own home? Cathleen Lewis says her son Rex's laugh of total abandon is the single most joyous sound anyone could hear, but his tortured aversion to touch and sound breaks her heart and makes her wonder what God could have had in mind. In this book she shares the mystery of Rex and the highs, lows, hopes, dreams, joy, sorrows, and faith she has journeyed through with him. Endorsements \"This memoir documents a musical savant in a way we have not seen before, allowing us to reconsider the limits we place on people with disabilities. Highly recommended for all public libraries and academic libraries with autism and special needs collections.\" -- Library Journal, 11/25/2008 \"Two of the most extraordinary and uplifting people I have ever known. Their story shows the amazingly moving struggle and success that proves love and faith can achieve miracles.\" -- Jane Seymour, actress, artist, author, and entrepreneur \"The remarkable story of a mother's love and a child's indomitable spirit, told in a writer's style that riveted me to the page, is singularly the most important work ever written on the relationship between a parent and a child with disability. For me, as a person who happens to be blind, the experience of reading *Rex* was an eye-opener I will never forget. Bravo, Cathleen! Bravo, Rex. Your work and your lives will forever change the future of disability in America. -- Tom Sullivan, author of *Adventures in Darkness and Together*

## **Rex Regis**

The Imager Portfolio is a bestselling and innovative epic fantasy series from L. E. Modesitt, Jr. that RT Book Reviews says “shines with engrossing characters, terrific plotting, and realistic world-building.” Continue the journey with *Rex Regis*. Only the land of Khel remains uncommitted to Bhayar's rule. Their decision could mean a lasting peace, or more conflict across an already war-ravaged realm. While the conqueror of Bovaria awaits emissaries to arrive with news of Khel's decision, other weighty matters occupy Quaeryt—not the least of which is the fulfillment of his dream to create the world's first Imager academy, where the magical abilities of these powerful casters may be honed, managed, and put to the service of the common good. But before that dream may be realized, or Khel's fateful choice made known, the spectre of high treason threatens to unravel everything Quaeryt has achieved. ## **The Rulership Book**

This volume, a directory of astrological correspondences, is the result of a research project that drew together the thoughts of many others into a reference book, assuming the role of a dictionary to astrologers, but vastly more complete. It is the only place where all sign, planetary and house rulerships have been brought together and put in a good workable order. It is organized in such a way that one can use the book for quick and easy reference, and it eliminates the need to search through various other volumes. In four parts: an alphabetical listing, a listing by planets, a listing by signs, a listing by houses. Plus an Appendix with special listings: principal bones of the body, principal veins of the body, chart of an organization, flavors and handwriting forms. Enthusiastically endorsed and used by professionals and students alike, no reference library is complete without this best-selling volume.

## **Sergeant Rex**

The thrilling and inspiring story of a U.S. Marine and his dog Rex, a bomb sniffing German Shepard, who forged a bond of trust and loyalty while serving on the war-torn streets of Iraq's most dangerous city. Called "a deeply affecting tale of courage and devotion in the cauldron of war" by Publishers Weekly, Sergeant Mike Dowling's heart-pounding account of an unbreakable bond between man and dog takes us into the searing 130-degree heat, the choking dust, and the ever-present threat of violent attack in Iraq's infamous

Triangle of Death. In 2004, Dowling and his military working dog Rex were part of the first Marine Corps military K9 teams sent to the front lines of combat since Vietnam. It was Rex's job to sniff out weapons caches, suicide bombers, and IEDs, the devastating explosives that wreaked havoc on troops and civilians. It was Mike's job to lead Rex into the heart of danger. An extraordinary chronicle of loyalty in the face of terrible adversity, Sergeant Rex is an unforgettable story of sacrifice, courage, and love.

T-Rex Skeletons explores the iconic Tyrannosaurus Rex through the detailed examination of exceptionally complete fossil skeletons. This approach offers unprecedented insights into the dinosaur's biology, behavior, and ecological role. One intriguing aspect is how these skeletons allow scientists to reconstruct musculature and estimate bite force, providing a clearer picture of T-Rex's predatory capabilities. The book emphasizes the significance of these complete skeletons in moving beyond speculation to data-driven conclusions about this dominant predator. The book unfolds in three sections, starting with the history of T-Rex discoveries and the importance of skeletal completeness. It then delves into specific T-Rex skeletons as case studies, detailing their discovery, preservation, and anatomical features. Through meticulous analysis of bone structure and advanced imaging, T-Rex Skeletons presents a revised portrait of T-Rex, highlighting its complex role in its ecosystem and broader implications for understanding dinosaur evolution and extinction.

## **Wiggly Rex: Amoral Leader**

For many, T. Rex founder Marc Bolan remains forever frozen in time as the poster boy of glam, the pop-rock genre he effectively launched with his March 1971 Top of the Pops appearance to promote 'Hot Love', the band's first number one single. But this is to view him through too narrow a focus. In John's Children he flirted with modernist art-rock. He sang folk songs of an otherworldly England in Tyrannosaurus Rex. He became a teen idol while dominating the singles and album charts and he also experimented with his unique brand of interstellar soul. Finally, he proclaimed himself 'The Godfather Of Punk' and became its patron, touring with The Damned and giving several major new wave acts their first television exposure. This book examines all aspects of Bolan's career, from the genre-defying My People Were Fair And Had Sky In Their Hair... through the transitional A Beard Of Stars and T. Rex albums, the misunderstood Zinc Alloy and the Hidden Riders of Tomorrow and the should-have-been comeback Futuristic Dragon. Along the way, it discusses Unicorn, the defining document of the Tyrannosaurus Rex years, and the essential T. Rex trilogy of Electric Warrior, The Slider and Tanx. During the day Peter Gallagher is a lecturer in Events Management, but at night can be found scribbling away in his man-cave. Having talked about writing for decades it is only recently he decided to do something about it, with 2020 seeing the publication of his first short story and the commissioning of his first book. His favourite bands include T. Rex, The Ramones, and The Sensational Alex Harvey Band, none of whom he has seen in concert. He Lives in Glasgow, Scotland.
