Zo

A New York Times Book Review Editors' Choice A breathtaking love story—a saga of passion, tenacity, and hope in the face of disaster We first meet Zwazo Delalun, or Zo, during his childhood, in the 1990s, in a fishing village on the western tip of Haiti. An orphan, he travels the island in his youth, finding work wherever he can. One morning, while hauling cement in the broiling sun, he meets Anaya, a nursing student who is sipping cherry juice under a tree. Their attraction is instantaneous, fierce; what grows between them feels like the destiny-changing love Zo has yearned for. But Anaya's father, protective and ambitious on behalf of his only daughter, cannot accept that a poor, uneducated man such as Zo is good enough for her, and he sends Anaya away to Port-au-Prince. Then something even more shattering happens: a massive earthquake churns the ground beneath the capital city, forever altering the course of life for those who survive. At once suspenseful, heartrending, and gorgeously lyrical, Zo is an unforgettable journey of heroism, grief, redemption, and persistence against all odds.

Zo

A riveting, gorgeously written debut novel--a contemporary Romeo and Juliet saga with great emotional power, set in Haiti during the 2010 earthquake and its aftermath. When we first meet Zwazo Delalun--Zo--he is a young orphan in a fishing village. Although he's been told he may be the \"poorest boy in the Western Hemisphere,\" he possesses every trademark of a hero: he's strong, honest, and courageous, and he dreams of a better life. As he grows up, Zo travels the island, working in the cane fields and almond orchards and out at sea--but he longs for something work can't earn him: love. Then one morning, while hauling cement under the broiling sun, he meets Anaya, a beautiful nursing student sipping cherry juice under a tree. Their attraction is instantaneous, fierce. Anaya uses her knowledge of medicine to cure Zo of the malaria that's plagued him for months, even as she intoxicates him with a love more potent than any he could have imagined. But Anaya's father, a prominent doctor, cannot accept that a poor, uneducated man is destined for his daughter, and he takes measures to stop their union. Zo and Anaya nevertheless find a way to be together--making a new home in the hills outside Port-au-Prince--until the unthinkable happens: an earthquake roils the ground. Homes, hospitals, and churches topple; roads crack. Zo watches as the city--where Anaya is in class--is reduced to rubble in a searing instant. Even before the dust has settled, Zo is ready to risk his life to rescue her--if he can only find her, and keep himself alive in the meantime. Suspenseful, heartrending, written in lyrical prose, Zo captures the sensory splendor of Haiti at a moment of historic crisis and transformation, as it tells the unforgettable story of one remarkable man's life and love.

Agent Zo

The incredible and inspiring story of Elzbieta Zawacka, the World War II female resistance fighter known as Agent Zo. During World War II, Elzbieta Zawacka—the WW2 female resistance fighter known as Agent Zo—was the only woman to reach London as an emissary of the Polish Home Army command. In Britain, she became the only woman to join the Polish elite Special Forces, known as the \"Silent Unseen.\" She was secretly trained in the British countryside, and then she was the only female member of these forces to be parachuted back behind enemy lines to Nazi-occupied Poland. There, while being hunted by the Gestapo (who arrested her entire family), she took a leading role in the Warsaw Uprising and the liberation of Poland. After the war, she was discharged as one of the most highly decorated women in Polish history. Yet the Soviet-backed post-war Communist regime not only imprisoned (and tortured) her, but also ensured that her remarkable story remained hidden for over forty years. Now, through new archival research and exclusive

interviews with people who knew and fought alongside Agent Zo, Clare Mulley brings this forgotten heroine back to brilliant life—while transforming how we value the history of women resistance fighters during World War II.

Zo Chronicles

Project Zo: Life After Death By: Veronica Gabrielle While the world is under siege by ravenous hordes of the living dead brought about by incurable disease, there is one particular man, who, though infected by the virus, did not submit to a mindless death, and his new transformation led him to a heightened state of being. Without memory of his former life, he lives an undead but intellectual existence under the alias “Zo.” Or rather, “Project Zo,” as he lives confined in a lab hidden underground in the center of Las Vegas, under the supervision of a corporation called A.N.A., who uses his unique gifts to combat the hordes of undead that congregate just outside the city walls. When a newly hired scientist named Setu Lien suddenly piques Zo’s interest and the pair form an inexplicable bond, Lien becomes overzealous in her research to help him discover who was and how he came to be, which culminates by her initiating contact with Zo in his quarters—an interaction expressly forbidden by the Corporation, and Lien is forced into quarantine with the undead and other failed experiments. Now, Zo must work past his sense of apathy to rescue Lien, or forfeit the only chance of regaining his memory and finding out just what makes him so special.

Batman's nemesis is The Joker. Superman's main supervillain is Lex Luthor. The Avenger's arch enemies are,

well, all the rest of the Bad Guys whose mission in life is to terrorize the you-know-what out of Humanity. But what about us Christians? Who are our "arch enemies"? Who are our "Bad Guys"? In Ephesians 6:12, the Bible says; "For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places." (NLT - New Living Translation) Thus, in this refreshingly hilarious yet surprisingly profound Inspirational Chapbook, YOU, dear Reader, are the main "hero" in this entertaining fictitious tale about the Believer's "conflicts" with satanic opposition which we sometimes find ourselves in a Showdown against, as we travel this marvelous maze of a Christian Journey.
