Mudbound

When She Woke

Bellwether Prize winner Hillary Jordan's provocative new novel, *When She Woke*, tells the story of a stigmatized woman struggling to navigate an America of a not-too-distant future, where the line between church and state has been eradicated and convicted felons are no longer imprisoned and rehabilitated but chromed—their skin color is genetically altered to match the class of their crimes—and then released back into the population to survive as best they can. Hannah is a Red; her crime is murder. In seeking a path to safety in an alien and hostile world, Hannah unknowingly embarks on a path of self-discovery that forces her to question the values she once held true and the righteousness of a country that politicizes faith.

Saint X

A New York Times Notable Book of 2020, now a Hulu Original Series! \"Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day.\" —Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a “marvel of a book” and “brilliant and unflinching,” Alexis Schaitkin's stunning debut, *Saint X*, is a haunting portrait of grief, obsession, and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men—employees at the resort—are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth—not only to find out what happened the night of Alison's death but also to answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, *Saint X* is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

Mudbound

The International Bestseller Now a major motion picture from Netflix, directed by Dee Rees, nominated in four categories for the Academy Awards. In Jordan's prize-winning debut, prejudice takes many forms, both subtle and brutal. It is 1946, and city-bred Laura McAllan is trying to raise her children on her husband's

Mississippi Delta farm—a place she finds foreign and frightening. In the midst of the family's struggles, two young men return from the war to work the land. Jamie McAllan, Laura's brother-in-law, is everything her husband is not—charming, handsome, and haunted by his memories of combat. Ronsel Jackson, eldest son of the black sharecroppers who live on the McAllan farm, has come home with the shine of a war hero. But no matter his bravery in defense of his country, he is still considered less than a man in the Jim Crow South. It is the unlikely friendship of these brothers-in-arms that drives this powerful novel to its inexorable conclusion. The men and women of each family relate their versions of events and we are drawn into their lives as they become players in a tragedy on the grandest scale. As Barbara Kingsolver says of Hillary Jordan, \"Her characters walked straight out of 1940s Mississippi and into the part of my brain where sympathy and anger and love reside, leaving my heart racing. They are with me still.\"

He thought he'd left all that behind him, but as his carefully built new life begins to crumble, he finds himself drawn inexorably back into a world of blood and bullets. When a smooth-talking former associate comes calling with a can't-miss jewelry store heist, Bug feels he has no choice but to get back in the driver's seat. And Bug is at his best where the scent of gasoline mixes with the smell of fear. Like Ocean's Eleven meets Drive, with a Southern noir twist, S. A. Cosby's Blacktop Wasteland is a searing, operatic story of a man pushed to his limits by poverty, race, and his own former life of crime.

Aftermirth

I stopped being funny the day my wife was electrocuted by her underwire bra. So begins Aftermirth, a dark comedy that explores the absurdity of death through the eyes of thirty-one-year-old comedian, writer, and actor, Michael Larssen. What is horribly funny to the rest of the world is devastating to Michael, who loves his wife deeply, especially her bright, rippling, abandoned laughter, which captivated him from the first time he ever heard it. In the aftermath of her death, he loses his sense of humor, and his career along with it. Then, after two years of mourning her, he sees an article in the paper about a factory worker named Julio Santiago who fell into a giant vat of dough and was kneaded to death. For reasons Michael doesn't understand, he decides to go to the man's wake. There he meets and bonds with Julio's twenty-nine-year-old daughter Elena, a law student who is reeling from her father's unexpected and preposterous death. Three months later, she calls him out of the blue and suggests that the two of them drive to North Carolina to speak with another survivor like themselves Elena has found on the Internet. Their road trip is a darkly funny journey of healing that takes them deep into the heart of their grief and others, and then beyond it, to a place of peace and laughter.

Honor

THE JANUARY 2022 REESE'S BOOK CLUB PICK “In the way *A Thousand Splendid Suns* told of Afghanistan’s women, Thrity Umrigar tells a story of India with the intimacy of one who knows the many facets of a land both modern and ancient, awash in contradictions.” —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* In this riveting and immersive novel, bestselling author Thrity Umrigar tells the story of two couples and the sometimes dangerous and heartbreaking challenges of love across a cultural divide. Indian American journalist Smita has returned to India to cover a story, but reluctantly: long ago she and her family left the country with no intention of ever coming back. As she follows the case of Meena—a Hindu woman attacked by members of her own village and her own family for marrying a Muslim man—Smita comes face to face with a society where tradition carries more weight than one’s own heart, and a story that threatens to unearth the painful secrets of Smita’s own past. While Meena’s fate hangs in the balance, Smita tries in every way she can to right the scales. She also finds herself increasingly drawn to Mohan, an Indian man she meets while on assignment. But the dual love stories of *Honor* are as different as the cultures of Meena and Smita themselves: Smita realizes she has the freedom to enter into a casual affair, knowing she can decide later how much it means to her. In this tender and evocative novel about love, hope, familial devotion, betrayal, and sacrifice, Thrity Umrigar shows us two courageous women trying to navigate how to be true to their homelands and themselves at the same time.

Everything Is Cinema

From New Yorker film critic Richard Brody, *Everything Is Cinema: The Working Life of Jean-Luc Godard* presents a “serious-minded and meticulously detailed . . . account of the lifelong artistic journey” of one of the most influential filmmakers of our age (The New York Times). When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard’s work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard’s technical inventions as to the political forces of the postwar world, Brody traces an arc from the director’s early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard’s wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard’s greatness and shows decisively that his films have left their mark on screens everywhere.

Truman

The Pulitzer Prize–winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America's beloved and distinguished historian. The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman's story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman's own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “man from Missouri” who was perhaps the most courageous president in our history.

The Dry Grass of August

In this beautifully written debut, Anna Jean Mayhew offers a riveting depiction of Southern life in the throes of segregation, what it will mean for a young girl on her way to adulthood—and for the woman who means the world to her . . . On a scorching day in August 1954, thirteen-year-old Jubie Watts leaves Charlotte, North Carolina, with her family for a Florida vacation. Crammed into the Packard along with Jubie are her three siblings, her mother, and the family's black maid, Mary Luther. For as long as Jubie can remember, Mary has been there—cooking, cleaning, compensating for her father's rages and her mother's benign neglect, and loving Jubie unconditionally. Bright and curious, Jubie takes note of the anti-integration signs they pass, and of the racial tension that builds as they journey further south. But she could never have predicted the shocking turn their trip will take. Now, in the wake of tragedy, Jubie must confront her parents' failings and limitations, decide where her own convictions lie, and make the tumultuous leap to independence . . . Infused with the intensity of a changing time, here is a story of hope, heartbreak, and the love and courage that can transform us—from child to adult, from wounded to indomitable. “Mayhew keeps the story taut, thoughtful and complex, elevating it from the throng of coming-of-age books.” —Publishers Weekly “Beautifully written, with complex characters, an urgent plot, and an ending so shocking and real it had me in tears.” —Eleanor Brown, New York Times bestselling author of *The Weird Sisters* “A must-read for fans of *The Help*.” —*Woman's World*

The Second Mrs. Hockaday

SHORTLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE “Taut, almost unbearable suspense . . . This galvanizing historical portrait of courage, determination, and abiding love mesmerizes and shocks.” —Booklist (starred review) “All I had known for certain when I came around the hen house that first evening in July and saw my husband trudging into the yard after lifetimes spent away from us, a borrowed bag in his hand and the shadow of grief on his face, was that he had to be protected at all costs from knowing what had happened in his absence. I did not believe he could survive it.” When Major Gryffth Hockaday is called to the front lines of the Civil War, his new bride is left to care for her husband's three-hundred-acre farm and infant son. Placidia, a mere teenager herself living far from her family and completely unprepared to run a farm or raise a child, must endure the darkest days of the war on her own. By the time Major Hockaday returns two years later, Placidia is bound for jail, accused of having borne a child in his absence and murdering it. What really transpired in the two years he was away? Inspired by a true incident, this saga conjures the era with uncanny immediacy. Amid the desperation of wartime, Placidia sees the social order of her Southern homeland unravel as her views on race and family are transformed. A love story, a story of racial divide, and a story of the South as it fell in the war, *The Second Mrs. Hockaday* reveals how that generation--and the next--began to see their world anew.

A Stranger on the Beach

Everybody passes. Not just racial minorities. As Marcia Dawkins explains, passing has been occurring for millennia, since intercultural and interracial contact began. And with this profound new study, she explores its old limits and new possibilities: from women passing as men and able-bodied persons passing as disabled to black classics professors passing as Jewish and white supremacists passing as white. Clearly Invisible journeys to sometimes uncomfortable but unfailingly enlightening places as Dawkins retells the contemporary expressions and historical experiences of individuals called passers. Along the way these passers become people--people whose stories sound familiar but take subtle turns to reveal racial and other tensions lurking beneath the surface, people who ultimately expose as much about our culture and society as they conceal about themselves. Both an updated take on the history of passing and a practical account of passing's effects on the rhetoric of multiracial identities, Clearly Invisible traces passing's legal, political, and literary manifestations, questioning whether passing can be a form of empowerment (even while implying secrecy) and suggesting that passing could be one of the first expressions of multiracial identity in the U.S. as it seeks its own social standing. Certain to be hailed as a pioneering work in the study of race and culture, Clearly Invisible offers powerful testimony to the fact that individual identities are never fully self-determined--and that race is far more a matter of sociology than of biology.

Named a Best Book by Entertainment Weekly, O Magazine, Goodreads, Southern Living, Outside Magazine, Oprah.com, HelloGiggles, Parade, Fodor's Travel, Sioux City Journal, Read it Forward, Medium.com, and NPR's All Things Considered. \"A thunderclap of originality, here is a fresh voice and fresh take on one of the oldest stories we tell about ourselves as Americans and Westerners. It's riveting in all the right ways -- a damn good read that stayed with me long after closing the covers.\" - Timothy Egan, New York Times bestselling author of *The Worst Hard Time* From a blazing new voice in fiction, a gritty and lyrical American epic about a young woman who disguises herself as a boy and heads west In the spring of 1885, seventeen-year-old Jessilyn Harney finds herself orphaned and alone on her family's homestead. Desperate to fend off starvation and predatory neighbors, she cuts off her hair, binds her chest, saddles her beloved mare, and sets off across the mountains to find her outlaw brother Noah and bring him home. A talented sharpshooter herself, Jess's quest lands her in the employ of the territory's violent, capricious Governor, whose militia is also hunting Noah--dead or alive. Wrestling with her brother's outlaw identity, and haunted by questions about her own, Jess must outmaneuver those who underestimate her, ultimately rising to become a hero in her own right. Told in Jess's wholly original and unforgettable voice, *Whiskey When We're Dry* is a stunning achievement, an epic as expansive as America itself--and a reckoning with the myths that are entwined with our history.

Whiskey When We're Dry

Now a major motion picture and titled for the screen as *RUMBLE THROUGH THE DARK*; a blistering tale of violence and deliverance set against the mythic backdrop of the Mississippi Delta. The acres and acres of fertile soil, the two-hundred-year-old antebellum house, all gone. And so is the woman who gave it to Jack,

the foster mother only days away from dying, her mind eroded by dementia, the family legacy she entrusted to Jack now owned by banks and strangers. And Jack's mind has begun to fail, too. The decades of bare-knuckle fighting are now taking their toll, as concussion after concussion forces him to carry around a stash of illegal painkillers and a notebook of names that separates friend from foe. But in a single twisted night, Jack loses his chance to win it all back. Hijacked by a sleazy gambler out to settle a score, Jack is robbed of the money that will clear his debt with Big Momma Sweet -- the queen of Delta vice, whose deep backwoods playground offers sin to all those willing to pay -- and open a path that could lead him back home. Yet this sudden reversal of fortunes introduces an unlikely savior in the form of a sultry, tattooed carnival worker. Guided by what she calls her \"church of coincidence,\" Annette pushes Jack toward redemption, only to discover that the world of Big Momma Sweet is filled with savage danger. Damaged by regret, crippled by twenty-five years of fists and elbows, heartbroken by his own betrayals, Jack is forced to step into the fighting pit one last time, the stakes nothing less than life or death. With the raw power and poetry of a young Larry Brown and the mysticism of Cormac McCarthy, Michael Farris Smith cements his place as one of the finest writers in the American literary landscape.

It is with incantatory power that Morrison's language reveals an apparently defeated man finding his manhood - and, finally, his home. 'No other writer in my lifetime, or perhaps ever, has married so completely an understanding of the structures of power with knowledge of the human heart' Kamila Shamsie, Guardian Winner of the PEN/Saul Bellow award for achievement in American fiction

The Last Thing He Wanted

The 10th Winner of the 2019 PEN/Bellwether Prize for Socially Engaged Fiction, Awarded by Barbara Kingsolver “What a read this is, right from its startling opening scene. But even more than plot, it’s the richly layered details that drive home a lightning bolt of empathy. To read *At the Edge of the Haight* is to live inside the everyday terror and longings of a world that most of us manage not to see, even if we walk past it on sidewalks every day. At a time when more Americans than ever find themselves at the edge of homelessness, this book couldn’t be more timely.” —Barbara Kingsolver, author of *Unsheltered* and *The Poisonwood Bible* Maddy Donaldo, homeless at twenty, lives with her dog and makeshift family in the hidden spaces of San Francisco’s Golden Gate Park. She thinks she knows how to survive and whom to trust until she accidentally witnesses the murder of a young man. Her world is upended as she has to face not only the killer but also the police and then the victim’s parents, who desperately want Maddy to tell them about the life their son led after he left home. And in a desire to save her since they could not save their own son, they are determined to have Maddy reunite with her own lost family. But what makes a family? Is it the people who raised you if they don’t have the skills to look after you? Is it the foster parents whose generosity only lasts until things become more difficult? Or is it the family that Maddy has met in the park, young people who also have nowhere else to go? Told with sensitivity and tenderness and set against the backdrop of a radically changing city, *At the Edge of the Haight* is narrated by a young girl just beginning to understand herself. The result is a powerful debut that, much like previous Bellwether winners *The Leavers*, by Lisa Ko, or Heidi Durrow’s *The Girl Who Fell from the Sky*, grapples with one of the most urgent issues of our day.

“A calculated nail-biter that shines a dark light on life in the 21st century.” —The Washington Post “A story no one has ever written before, and one we all need to read . . . Impressive and keenly relevant to our time.” —Barbara Kingsolver When Jessica, a young Air Force drone pilot in Nevada, is tasked with launching a missile against a suspected terrorist halfway across the world, she has no choice but to comply, even if it means women and children will be killed too. Meanwhile, Ethan, a young Wall Street quant, develops an algorithm that enables his company's clients to profit by exploiting the international financial instability caused by exactly this kind of antiterrorist strike. These two are only minor players, but their actions have global implications that tear lives apart—including their own, as they are cast out by a flawed system and forced to take the blame for the orders of their superiors. Award-winning author Ron Childress has crafted a powerful, politically charged, and terrifyingly real novel for our time. “Extraordinary.” —The Kansas City Star “This compelling debut novel . . . dramatically examines the insidious role unrestrained technology plays in the moral and ethical corruption of people, institutions, and government . . . An excellent story, well told, suspenseful, and tragic.” —Publishers Weekly “This powerful and morally chilling tale depicts the chasm modern technology can create between actions and consequences.” —Library Journal “A smart, satisfying work about real people navigating the uneasy compromises of today's world. With sharp writing and likeable characters, Ron Childress has woven a very human story out of the tangle of conflicts--military, political, financial--that bind us together.” —Washington Independent Review of Books, “2015 Best Novels of the Year” “A master study in how people can emotionally detach themselves from the damage they cause in our computer-driven world.” —The Washington Post

Vision In Silver

Felicia Pearson, who starred of the acclaimed television series *The Wire*, reveals her incredible, hard-knock life story, one that dramatically parallels her television character. While Felicia is a brilliant actor who played a truly chilling role, what's most remarkable about "Snoop" is what she has overcome in her life. Snoop was born a three-pound cross-eyed crack baby in East Baltimore. Those streets are among the toughest in the world, but Snoop was tougher. The runt of the ghetto showed an early aptitude for drug slinging and violence and thrived as a baby gangsta until she landed in Jessup state penitentiary after killing a woman in self-defense. There she rebelled violently against the system, and it was only through the cosmic intervention of her mentor, Uncle Loney, that she turned her life around. Eventually, Snoop was discovered in a nightclub by one of *The Wire*'s cast members and quickly recruited to be one of television's most frightening and intriguing villains. While the story of coming up from the hood has been told by Antwone Fisher and Chris Gardner, among others, Snoop's tale goes far deeper into *The Life* than any previous books. And like Mary Karr's story, Snoop's is a woman's story from a fresh point of view. She defied traditional conventions of gender and sexual preference on the hardest streets in America and in front of millions of viewers on TV.

The Best American Short Stories 2019

Running the Rift follows Jean Patrick Nkuba, a gifted Rwandan boy, from the day he knows that running will be his life to the moment he must run to save his life, a ten-year span in which his country is undone by the Hutu-Tutsi tensions. Born a Tutsi, he is thrust into a world where it's impossible to stay apolitical—where the man who used to sell you gifts for your family now spews hatred, where the girl who flirted with you in the lunchroom refuses to look at you, where your Hutu coach is secretly training the very soldiers who will hunt down your family. Yet in an environment increasingly restrictive for the Tutsi, he holds fast to his dream of becoming Rwanda's first Olympic medal contender in track, a feat he believes might deliver him and his people from this violence. When the killing begins, Jean Patrick is forced to flee, leaving behind the woman, the family, and the country he loves. Finding them again is the race of his life. This is the third Bellwether Prize winner published by Algonquin. The Bellwether Prize is awarded biennially by Barbara Kingsolver for an unpublished novel that addresses issues of social justice and was previously awarded to *The Girl Who Fell from the Sky* and *Mudbound*.

“Accessible and authoritative . . . While we may not have much power to eradicate our own prejudices, we

can counteract them. The first step is to turn a hidden bias into a visible one. . . . What if we're not the magnanimous people we think we are?"—The Washington Post I know my own mind. I am able to assess others in a fair and accurate way. These self-perceptions are challenged by leading psychologists Mahzarin R. Banaji and Anthony G. Greenwald as they explore the hidden biases we all carry from a lifetime of exposure to cultural attitudes about age, gender, race, ethnicity, religion, social class, sexuality, disability status, and nationality. "Blindspot" is the authors' metaphor for the portion of the mind that houses hidden biases. Writing with simplicity and verve, Banaji and Greenwald question the extent to which our perceptions of social groups—without our awareness or conscious control—shape our likes and dislikes and our judgments about people's character, abilities, and potential. In *Blindspot*, the authors reveal hidden biases based on their experience with the Implicit Association Test, a method that has revolutionized the way scientists learn about the human mind and that gives us a glimpse into what lies within the metaphoric blindspot. The title's "good people" are those of us who strive to align our behavior with our intentions. The aim of *Blindspot* is to explain the science in plain enough language to help well-intentioned people achieve that alignment. By gaining awareness, we can adapt beliefs and behavior and "outsmart the machine" in our heads so we can be fairer to those around us. Venturing into this book is an invitation to understand our own minds. Brilliant, authoritative, and utterly accessible, *Blindspot* is a book that will challenge and change readers for years to come. Praise for *Blindspot* "Conversational . . . easy to read, and best of all, it has the potential, at least, to change the way you think about yourself."—Leonard Mlodinow, *The New York Review of Books* "Banaji and Greenwald deserve a major award for writing such a lively and engaging book that conveys an important message: Mental processes that we are not aware of can affect what we think and what we do. *Blindspot* is one of the most illuminating books ever written on this topic."—Elizabeth F. Loftus, Ph.D., distinguished professor, University of California, Irvine; past president, Association for Psychological Science; author of *Eyewitness Testimony*
