

Getsemani

GETSEMANÍ

Este libro es el cumplimiento de un propósito largamente acariciado. Expresa los pensamientos y las oraciones de muchos años, y se publica con el devoto deseo de ministrar consuelo a algunos de los afligidos hijos de Dios. ¡Getsemaní! ¡Qué sagrados son los recuerdos que evoca esta palabra; qué profundas las emociones que suscita; qué tiernos los consuelos que respira; qué humanas las simpatías que revela; qué solemnes los misterios que sugiere! Getsemaní como lugar está casi olvidado en Getsemaní como revelación. Se pierde de vista en el acontecimiento, queda eclipsado por la doctrina. En un mero lugar no puede haber santidad real. Sin embargo, si hay un lugar más que otro que, por sus asociaciones, pueda considerarse tierra santa, ese lugar, junto al Calvario del Sacrificio y al Olivar de la Ascensión, es el Getsemaní del Dolor. Muchos lugares tradicionales son poco fiables; pero no cabe duda de que el valle del Cedrón, cerca del camino de Jerusalén a Betania, fue el escenario de la agonía y el sudor sangriento del Salvador. Más allá del curso de agua, al pie del Olivar, hay una pequeña parcela cerrada por una antigua y tosca muralla, bajo el cuidado de los monjes de un pequeño convento contiguo. Este lugar, durante muchos siglos, ha tenido la posesión indiscutible del nombre. En su interior se encuentran algunos olivos de gran tamaño, en parte deteriorados por su extrema edad. A su alrededor hay árboles similares de crecimiento gigantesco y venerable antigüedad. Aunque no estaban en pie en la época de nuestro Señor, es posible que sean el resultado de los mismos árboles bajo los que Él lloró y oró. El nombre indica que allí abundaban los olivos; Getsemaní significa "prensa de aceite" y sugiere típicamente el derramamiento del aceite sagrado de la fe y la paciencia, bajo la presión del dolor. Entre estos vetustos y elocuentes testigos de la historia sagrada, el camino sigue conduciendo a Betania. El jardín se encuentra a unos cientos de pasos de la puerta de la ciudad. Saliendo de las estrechas calles y de las viviendas estrechamente apiñadas, tras unos minutos de rápido descenso nos encontramos en una soledad boscosa, y en el silencio de la noche nos sentimos tan retirados del mundo como en un desierto. La única señal de estar cerca de una ciudad es el muro de piedras macizas que se extiende hacia el sur en la cresta de la cresta rocosa, hasta que termina en el ángulo agudo que marca el límite de la zona del Templo. Frente a nosotros está el Olivar, que se eleva no mucho más alto que el monte Sión. Las estrellas silenciosas centellean a través del follaje, y la luna proyecta amplias sombras desde los grandes troncos, como en la antigüedad.

La noche de Getsemaní

La noche de Getsemaní esconde lecciones muy relevantes sobre la condición humana: nos habla de la soledad del hombre, de la traición y del perdón. Después de la Última Cena, Jesús se dirigió al Huerto de los Olivos de Getsemaní, donde solía orar con sus discípulos. Esa noche fue traicionado por Judas y negado por Pedro. Esa noche Dios guardó silencio. Jesús el hombre estaba solo. Fue detenido por los soldados y se inició su calvario. La deslealtad de sus dos discípulos tiene matices diferenciales muy relevantes: Judas actúa por venganza y acepta un pago -las treinta monedas- por su felonía; su gesto es el desafío del discípulo al maestro. En cambio, la negación por tres veces de Pedro, el predilecto, está impulsada por el miedo. Una vez consumada la vileza, cada uno de los dos discípulos reaccionará de forma diferente, arrastrado por la motivación de su gesto: Judas quitándose la vida; Pedro reconociendo su error y la imperfección humana, lo cual hará posible un amor renovado. La noche de Getsemaní nos habla del Dios ausente, de la soledad del hombre, de la traición y del perdón. Este episodio del Nuevo Testamento esconde lecciones muy relevantes sobre la condición humana, que el autor aborda desde el psicoanálisis.

Getsemaní, o sea Manifestación de los sacrilegos atropellos cometidos por los cismáticos en el Huerto de Getsemaní el día 20 de agosto del año próximo pasado de 1890

An up-close view of the movement to make “Afro-Mexican” an official cultural category Through historical and ethnographic research, *Blackness in Mexico* delves into the ongoing movement toward recognizing Black Mexicans as a cultural group within a nation that has long viewed the non-Black Mestizo as the archetypal citizen. Anthony Jerry focuses on this process in Mexico’s Costa Chica region in order to explore the relational aspects of citizenship and the place of Black people in how modern citizenship is imagined. Jerry’s study of the Costa Chica shows the political stakes of the national project for Black recognition; the shared but competing interests of the Mexican government, activists, and townspeople; and the ways that the state and NGOs are working to make “Afro-Mexican” an official cultural category. He argues that that the demand for recognition by Black communities calls attention to how the Mestizo has become an intuitive point of reference for identifying who qualifies as “other.” Jerry also demonstrates that while official recognition can potentially empower African descendants, it can simultaneously reproduce the same logics of difference that have brought about their social and political exclusion. One of few books to center Blackness within a discussion of Mexico or to incorporate a focus on Mexico into Black studies, this book ultimately argues that the official project for recognition is itself a methodology of mestizaje, an opportunity for the government to continue to use Blackness to define the national subject and to further the Mexican national project. A volume in the series *New World Diasporas*, edited by Kevin A. Yelvington Publication of this work made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities.

Blackness in Mexico

O propósito deste livro tem por finalidade apresentar argumentos quanto às evidências da veracidade dos fatos vivenciados por Jesus, o Cristo (ungido) de Deus, historicamente chamado JESUS CRISTO. Seu nome de batismo é Jesus, dado por indicação divina (Lc 1.30), natural da cidade de Nazaré, nas imediações de Belém (Lc 1.26). Ele foi aceito como Messias (o enviado) pelo povo (Jo 4.25,26), mas incompreendido e traído por este mesmo povo, que o aplaudiu e, depois, o condenou. Nosso relato abrange a vida de Jesus dentro das suas últimas 72 horas de vida, bem como os momentos posteriores à sua ressurreição e ascensão, tendo como base argumentativa os escritos bibliográficos escritos pelos apóstolos João e Mateus e os discípulos Marcos e Lucas, convencionados na cultura religiosa judaico-cristã ocidental como evangelhos canônicos, além de outras fontes de pesquisa confiáveis ao longo da História. Este livro busca, de um lado, aprofundar o tema em relação aos aspectos que envolveram o julgamento, morte, ressurreição e ascensão de Jesus dentro de um contexto histórico e teológico, assim como sua importância dentro do ponto de vista místico, filosófico e científico; e, por outro lado, desmistificar as crenças apregoadas pelo senso comum com base na tradição de uma das maiores vertentes do Cristianismo – A Igreja Católica Apostólica Romana – a qual se auto intitula guardiã das verdades divinas.

The city trip guide for Cartagena (Colombia)

In questo libro, il prelado dell'Opus Dei offre un modello di orazione contemplativa, spiegando al lettore che cosa intendeva san Josemaría Escrivá quando esortava a «entrare nelle scene del Vangelo come uno dei personaggi». Lo scenario è quello della preghiera di Gesù nell'Orto degli Ulivi: è un episodio drammatico della vita di Cristo attraverso il quale il cristiano può apprendere il significato del dolore e della riparazione, alla luce della speranza e nella gioia della risurrezione.

DO GETSEMANI A CRUZ

If you're planning a trip to Colombia, you probably know already that guidebooks on this country have left a lot to be desired. Recognizing the need for a reliable travel guide to Colombia, V!VA sent a team of writers, and they came back with the best guidebook yet. From the pearl beaches of San Andrés Island and the emerald

explore Cartagena's old town, and trek in El Cocuy; all with your trusted travel companion.

Lonely Planet Colombia

This historical study examines how free people of color in Charleston and Cartagena challenged the foundations of racial hierarchies in the Americas. Prior to the abolition of slavery, thousands of African-descended people in the Americas lived in freedom. Their efforts to navigate daily life and negotiate the boundaries of racial difference challenged the foundations of white authority—and linked the Americas together. In *Black Freedom in the Age of Slavery*, John Garrison Marks examines how these individuals built lives for themselves and their families in two of the Atlantic World's most important urban centers: Cartagena, along the Caribbean coast of modern-day Colombia, and Charleston, in the lowcountry of North America's Atlantic coast. Built on research conducted on three continents, this book takes a comparative approach to the contours of black freedom in the Americas. It examines how various paths to freedom, responses to the Haitian Revolution, engagement in skilled labor, involvement with social institutions, and the role of the church all helped shape the experiences of free people of color in the Atlantic World. As free people of color claimed rights, privileges, and distinctions not typically afforded to those of African descent, they engaged with white elites and state authorities in ways undermined whites' claims of racial superiority.

Travel Guide Colombia

Gentrification is a global process that the United Nations now sees as a human rights issue. This new Planetary Gentrification Reader follows on from the editors' 2010 volume, *The Gentrification Reader*, and provides a more longitudinal (backward and forward in time) and broader (turning away from Anglo-/Euro-American hegemony) sense of developments in gentrification studies over time and space, drawing on key readings that reflect the development of cutting-edge debates. Revisiting new debates over the histories of gentrification, thinking through comparative urbanism on gentrification, considering new waves and types of gentrification, and giving much more focus to resistance to gentrification, this is a stellar collection of writings on this critical issue. Like in their 2010 Reader, the editors, who are internationally renowned experts in the field, include insightful commentary and suggested further reading. The book is essential reading for students and researchers in urban studies, urban planning, human geography, sociology, and housing studies and for those seeking to fight this socially unjust process.

Black Freedom in the Age of Slavery

Insider Tips: The perfect travel companion for your trip to beautiful and historic Cartagena De Indias. Cartagena is becoming one of the most luxurious destinations in the world and it is not hard to see why. The City of Cartagena is as impressive today as it was when the Spanish Empire used it to funnel gold and emeralds from The New World. Cartagena's character is given by its beautiful plazas, fruit vendors and street skilled artisans that help its visitors to become instant photographers taking amazing photos of Cartagena Colombia. The entire Old City is a work of art, and therefore, in 1984 was deservedly included in the UNESCO list of Patrimonies of the World. This city has literally been an international travel destination for centuries. Today it brings a veritable who's who from all over the world including wealthy Colombian movers and shakers, Hollywood A-List celebrities, and the shooting stars of the global gastronomy scene. But Cartagena isn't just for the elite. More and more travelers are falling in love with this Caribbean escape with every week-long vacation or month-long holiday. The problem is not figuring out why to visit Cartagena it's what to see and do in Cartagena while you're here. We have put together things to do and see in Cartagena compiled by people in-the-know—people who were born here, people who fell in love with the city, people who wouldn't trade a week in Cartagena for any other Caribbean vacation!

Lonely Planet Colombia

Tourism gentrification is a critical shaping force of socio-economic and contemporary urban landscapes. This book aims to be the first substantive text on this subject, explaining the multiple and complex relationships between tourism and gentrification and their outcomes and manifestations in contemporary metropolises. This is achieved by drawing on in-depth case analyses addressing the different issues at stake. Part I deals with the manifestations of tourism gentrification and the ways it affects urban landscapes through heritagization and urban regeneration strategies. Part II looks at the correlations between tourism gentrification and culture. Finally, the last two parts aim to identify and examine forms and expressions of tourism gentrification, distinguishing among the actors, beneficiaries, and victims of the phenomenon while looking at its implications for intra-metropolitan territories and metropolitan governance. The book approaches these issues in an innovative way, by looking at a variety of metropolises in a diverse range of countries and by dealing with the different relations and management issues generated by gentrification in relation to tourism. Through interdisciplinary approaches, this groundbreaking text sheds light on the role tourism plays in contemporary metropolises, furthering knowledge of urban tourism. For these reasons, it will be of particular interest to scholars and students of tourism, urban studies, geography, anthropology and sociology.

The Planetary Gentrification Reader

Kidnappings, car bombs, cocaine, paramilitaries, bullfights, the Amazon and madness. Welcome to

Colombia, where life is cheap and so are the drugs. In 2006, Matt Thompson travelled to Colombia in search of the life he might have led. Born to American parents, Matt's father was offered a post which would have taken the family to Bogota, but he turned it down because it was too high risk. Instead they came to Australia - low-risk, even paradisaic - and the land that nearly drove Matt to a slow death from boredom. One day he quits his job, picks up his bag and decides to go experience life in the country that's not only the most dangerous in South America, but possibly the world. This is the story of what happened next. Part Heart of Darkness, part Marching Powder, My Colombian Death is a wild ride to the edge and beyond.

Hampton's Guide to Cartagena De Indias

2023 Silver Medal in History from the Military Writers Society of America Disaster on the Spanish Main unveils and illuminates an overlooked yet remarkable episode of European and American military history and a land-sea venture to seize control of the Spanish West Indies that ended in ghastly failure. Thirty-four years before the Battles of Lexington and Concord, a significant force of American soldiers deployed overseas for the first time in history. Colonial volunteers, 4,000 strong, joined 9,000 British soldiers and 15,000 British sailors in a bold amphibious campaign against the key port of Cartagena de Indias. From its first chapter, Disaster on the Spanish Main reveals a virtually unknown adventure, engrosses with the escalating conflict, and leaves the reader with an appreciation for the struggles and sacrifices of the 13,000 soldiers, sailors, and marines who died trying to conquer part of Spain's New World empire. Disaster on the Spanish Main breaks new ground on the West Indies expedition in style, scope, and perspective and uncovers the largely untold American side of the story.

Tourism and Gentrification in Contemporary Metropolises

From 21 to 24 September 2021, the IV International Theological Congress of the Passionists took place in Rome, at the Pontifical Lateran University on the theme: The Wisdom of the Cross in a Pluralistic World". It took place in the context of the Jubilee Celebrations for the Third Centenary of the Foundation of the Passionist Congregation and aims to deepen the topicality of the Cross in the context of the many contemporary areopagi. During the four days, more than 100 speakers, scholars and specialists from many academic and cultural circles with an international reach, from Roman universities as well as from many nations of the various continents, took turns. The rich scientific, cultural and spiritual experience of the Congress is collected in three volumes (over 1,100 pages), the first of which has also been translated from Italian into four languages \u200b\u200b(English, French, Spanish and Portuguese).

My Colombian Death

How can you make the thorns of your marriage into roses? The conflicts and setbacks in your marriage can become opportunities to love each other more. Les and Leslie Parrott, well-known authors with vast experience in the area of personal relationships, believe that idiosyncrasies and individual differences---how you squeeze the toothpaste tube, how to manage money---can serve to unite marriage partners, as long as they learn constructive confrontation. Change the thorny aspects of your marriage into opportunities to love one another more, while learning how to: Build intimacy while respecting personal space; Use the power of a positive attitude in marriage; Trade boredom for entertainment, impatience for patience, business for time together, debt for a team approach to finances, and much more. Have the courage about deepening your marriage and you will discover how your relationship with God can unite marriage partners in unimaginable intimacy.

Getsemaní

Buku garis besar khotbah sudah banyak di yang menggunakan buku tersebut mengalami kebingungan ketika menggunakannya. Hal ini disebabkan penyusunan garis besar tersebut tidak praktis dan sistematis sehingga sulit ketika dipakai sebagai panduan untuk berkhotbah. Buku 123 OKE (Outline Khotbah Ekspositori) menjawab kesulitan tersebut. Buku ini juga untuk menjawab kebutuhan besar akan pelayanan mimbar yang alkitabiah. Garis besar ini digali secara ekspositori untuk menghasilkan kebenaran yang alkitabiah. Penggunaan istilah atau kata asli Alkitab (Ibrani dan Yunani) yang diulas secara sederhana sangat menolong untuk memahami firman Tuhan. Buku ini terdiri dari 123 garis besar khotbah yang dikelompokkan secara tematis. Ada 11 tema khotbah disajikan dalam buku ini untuk memperkaya dan memperlengkapi setiap mereka yang rindu mengambil bagian dalam pelayanan mimbar. Para domba Allah membutuhkan makanan rohani yang sehat. Buku ini akan menjawab kebutuhan para domba untuk makanan rohani yang sehat. Preach the Word of God.

Getsemaní

In the short span of some 50 years, starting with the founding of Santo Domingo at the end of the 15th century, the Spanish and Portuguese conquistadors established most of the cities that today are the cornerstone of urban Latin America. The monuments, buildings and plazas that make up this vast heritage continue to define the region's cultural identity and constitute a valuable asset for socioeconomic development. This book explores ways to bring private investors, developers and urban residents into the preservation process, which is beyond the scope of government alone. It describes the different approaches

being used to involve these various stakeholders, including successful if not coordinated interventions by public and private interests in Cartagena, Colombia ; operation of a mixed-capital corporation in Quito, Ecuador; and a government-promoted private investment program in Recife, Brazil. The experiences of these three historic Latin American cities provide significant clues about conditions that attract investment, and show why sustained private involvement is the key to furthering heritage preservation in the region. (Adapté du résumé de l'éditeur).
