

Bratislava

Bratislava

One of the great Baroque cities of central Europe, Bratislava is situated on Europe's most important river, the Danube. Visitors can explore the car-free centre on foot soaking up the buzz of pavement cafés and bars. Also included is expanded coverage of day-trips outside Bratislava including the Small Carpathian Wine Route, a region full of wine cellars and internationally recognised winemakers.

Slovakia: Bratislava

This new, thoroughly updated fifth edition of Bradt's Bratislava remains the only standalone guide from a major publisher that is dedicated to this compact and increasingly popular capital of Slovakia – declared by the legendary Casanova as 'the most beautiful city in Europe' (and he knew a thing or two about beauty). Situated by the mighty Danube River and nestling in the Small Carpathian Mountains, with new downtown skyscrapers overlooking refurbished old buildings, Bratislava is indeed a good-looking city, filled with good-looking people who seem to enjoy life. Bratislava is a city that effortlessly blends history with hedonism, where world-class restaurants have been joined by a clutch of artisan coffee houses and literary tea- and bookshops. Local winemakers are going from strength to strength, with orange and natural wines becoming a speciality, while microbreweries are producing all sorts of dark beers and IPAs as well as pilsners. Split into ten easy-to-follow chapters, Bradt's Bratislava contextualises your visit by summarising local politics and cultural etiquette, then advises on planning, practical information, local transport (including the expanding bike-sharing scheme), accommodation, eating and drinking, entertainment, nightlife and shopping. City walks are also included, focusing on the main sights and beyond, as is sightseeing from castles and palaces to museums, galleries, churches, gardens and parks. Beyond the city itself there are sections on Devín, Cervený Kamen, Ancient Gerulata, Rusovce, the Small Carpathian Wine Route, Senec, Piešťany Spa, Trnava and Košice (in eastern Slovakia). There are also useful reference sections on language (pronunciation and words and phrases) and sources of further information. Bratislava's small size is satisfying: compact and visitor-friendly, it offers many superbly curated museums rivalling those in Budapest and Vienna plus an opera house and the Slovak National Gallery (reopened in 2022 following a lengthy refurbishment). With a range of airlines flying into the city and Košice, plus the rail link to Vienna being upgraded, Bratislava is the perfect destination for a weekend break, a romantic city break, a family holiday or as a base for discovering the rest of Slovakia. With Bradt's Bratislava you'll have everything you need for a successful trip.

Bratislava Travel Guide

Bratislava, the capital city of Slovakia, is a vibrant hub that embodies the rich history, culture, and modern spirit of the nation. Nestled along the banks of the Danube River, it serves not only as a political and economic center but also as a cultural crossroads where Eastern and Western influences converge. This travel guide aims to provide a comprehensive overview of Bratislava, showcasing its unique attractions, historical significance, and the diverse experiences it offers to visitors. As you navigate through the pages of this guide, you will discover the enchanting streets of the Old Town, where medieval architecture meets contemporary life. You will learn about the city's pivotal role in Slovakia's history, from its early days as a royal city to its transformation into a modern capital following the dissolution of Czechoslovakia. Each chapter is designed to immerse you in the essence of Bratislava, highlighting not only the must-see landmarks but also the hidden gems that reflect the city's character. Bratislava is often overshadowed by its more prominent neighbors, Vienna and Budapest, but this guide will reveal why it deserves a place on every travel itinerary. From its lively culinary scene to its rich traditions and festivals, the city offers a plethora of experiences that cater to

all types of travelers. Whether you are an adventurer seeking outdoor activities, a history buff eager to explore ancient sites, or a foodie looking to indulge in local delicacies, Bratislava has something for everyone. This guide is not just about sightseeing; it is about understanding the soul of Bratislava and its people. You will find insights into local customs, tips for navigating the city, and recommendations for engaging with the community. As you delve into the chapters, you will gain a deeper appreciation for the city's unique blend of old and new, tradition and innovation. We invite you to embark on this journey through Bratislava, where every corner tells a story, and every experience enriches your understanding of Slovakia. May this guide serve as your companion, helping you uncover the beauty and charm of this remarkable city.

Bratislava travel guide

This OECD Territorial Review of the Vienna/Bratislava region on the Austrian-Slovak border finds that this area rapidly increased its competitiveness after 1989, following a 40 year separation by the Iron Curtain, but that new obstacles to further integration have emerged.

OECD Territorial Reviews: Vienna-Bratislava, Austria/Slovak Republic 2003

Subnational governments carry out more than 60% of total public procurement in OECD countries. As such, public procurement can offer a powerful tool for cities to boost local growth and advance their strategic priorities, ranging from innovation and inclusion to the transition to a low-carbon economy.

Unlocking the Strategic Use of Public Procurement in Bratislava, Slovak Republic

Despite being one of the youngest European states, the Slovak Republic is steeped in history and tradition with a rich culture. It is also famous for its diverse regional presence. This book acts as a travel guide to this under-published area of Europe, which is becoming more popular with the UK travellers.

Bratislava

Bratislava is the latest in the Bradt collection of city guides to many of eastern Europe's cultural gems. This Slovak capital, impressively set on the Danube boasting stunningly restored baroque and rococo buildings, begs to be explored on foot with the author's walking tour of the highlights. Also includes maps, itineraries, accommodation, day trips and walking routes, opera, Bratislava and Devín castles, Rusovce, Kosice, Horský park and the Slovak National Theatre.

A Capital on the Borderland

During the four decades of the communist regime in Czechoslovakia a vast literature on working-class movements has been produced but it has hardly any value for today's scholarship. This remarkable study reopens the field. Based on Czech, Slovak, German and other sources, it focuses on the history of the multi-ethnic social democratic labor movement in Slovakia's capital Bratislava during the period 1867-1921, and on the process of national revolution during the years 1918-19 in particular. The study places the historic change of the former Pressburg into the modern Bratislava in the broader context of the development of multinational pre-1918 Hungary, the evolution of social, ethnic, and political relations in multi-ethnic Pressburg (a 'tri-national' city of Germans, Magyars, and Slovaks), and the development of the multinational labor movement in Hungary and the Habsburg Empire as a whole.

Bradt Travel Guides - Bratislava

This is the second of three books by Jeffrey Simon on emerging post-communist countries to recently join NATO. As with the previous volume (Hungary), this book represents a tremendous amount of first hand research grounded in primary source material and personal interviews with key civil and military leaders. Visit our website for sample chapters!

National Union Catalog

Includes deans and selected faculty at professor level by department or discipline.

Bratislava

In this book, Edward Snajdr demonstrates how concerns about ecology generated a social movement that led to political dialogue about freedom, ethnicity, and power. He connects the role that green dissidents played in communism's collapse with the forces in Slovak society that replaced them. Through ethnographic interviews and archival materials, he explains why Slovakia's ecology movement, so strong under socialism, fell apart so rapidly despite the persistence of serious ecological maladies in the region. Synthesizing theory in anthropology and political ecology, he suggests that the fate of environmentalism in Slovakia marks the beginning of a global post-ecological age, where nature is culturally marginalized in new ways.

Bradt Bratislava

A union list of serials commencing publication after Dec. 31, 1949.
