Intro / COD players are LIVID (I can't even show the replies)

They're coming after the KIDS (and us) with TARGETED ads

The voice chat moderation was to protect kids ALL ALONG

They've been secretly testing targeted discounts for years

JUST LOOK AT THIS FUCKING AD SHIT

How to defend against this mess

How in the FUCK does any of this fit in a Gulf War game in the 1990s!?

The American Dad crossover is laughably bad (probably AI tbh)

MWIII at least looked good... Black Ops 6 is HIDEOUS

Collab skins need to FIT the game FFS

I literally have NO FPS ALTERNATIVE TO PLAY

They've lost the trust of the entire community

Remember this \"signature Black Ops style\" bullshit? / Outro
