Introduction and my experience and perspective

Is it **dangerous**, to show my deprescribing journey?

Am I presenting this medical intervention in an overly simplified way?

Is it risky to present this if it might not work for everyone?

Might presenting this lead to undermining trust of medical professionals and the medical system?

What if not everyone has the means or access to explore or implement this kind of medical intervention?

It's been an interesting arc as a schizophrenia advocate

A paradigm shift

Why I'm choosing to keep sharing
