Are You My Boyfriend?

This contemporary parody of the childhood classic "Are You My Mother?" is a humorous and heartfelt tale about searching for love--and letting it find you. "Are You My Mother?" by P.D. Eastman was likely one of the first books you ever read and something you'll read to your own kids. In the meantime, author C.B. Bryza has modernized a childhood classic into a feel-good and nostalgic gem for adults. "Are You My Boyfriend?" is a witty, contemporary take on the search for true love. In her travels--a.k.a. night out with her BFF--our heroine encounters the "tough guy" with the poker face, the "wealthy cad" with his perfectly folded ascot, the "average dude" who can't take his eyes off her friend, and two very attractive, very charismatic men--who are also very gay, and very married. Will she ever have a happily-ever-after?

The Ear Book

ONE OF NPR'S BEST BOOKS OF 2019 *Most Anticipated Reads of 2019 by Publishers Weekly,

BuzzFeed, The Rumpus, Lit Hub, The Week, and Elle.com* Fifteen brilliant writers explore what we don't talk to our mothers about, and how it affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize what she was actually trying to write: how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. The outpouring of responses gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. While some of the writers in this book are estranged from their mothers, others are extremely close. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in breaking the silence. Acknowledging what we couldn't say for so long is one way to heal our relationships with others and, perhaps most important, with ourselves. Contributors include Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

What My Mother and I Don't Talk About

When a strange egg appears in their nest, Mr. and Mrs. Bird kindly take it upon themselves to raise the "baby bird" inside. But when the egg hatches, the Birds are in for a big surprise—"Junior" is the oddest-looking baby bird they've ever seen—with big, long jaws full of teeth and an appetite to match. In fact, he looks more like a baby alligator than a baby bird! Nevertheless, the devoted Birds run themselves ragged feeding Junior until he gets so big, he must leave the nest or it will collapse underneath him. But how can Junior fly without wings? To the delight of the Birds—and readers!—the dilemma is solved when Junior takes off from a branch overlooking a pond. Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of *The Cat in the Hat*, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Flap Your Wings

Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother."

Book of My Mother

With a heartwarming story and tender illustrations, Jeanette Bradley's debut picture book *Love, Mama* is perfect for Valentine's Day, Mother's Day, and any day when a child needs a reminder of the strength of a mother's love. When Mama leaves her young penguin Kipling, he knows she'll return home soon—yet he still can't help but miss her. After all, Pillow Mama won't read, Picture Mama won't laugh, and Snow Mama is too cold to cuddle. But then Kipling receives a special delivery from Mama, including a note that reads: My love for you stretches across the wide ocean, through day and night, from earth to sky and back again. And Kipling knows that no matter where Mama is, he is loved. Soon, Mama comes home, and Kipling ends the day where he belongs—right in her arms.

Love, Mama

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, *About My Mother* is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, *About My Mother* is as much about my mother as it is about my grandmother. In that sense, it's really a book about “mothers.” ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, *About My Mother* will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today, Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes it takes a little distance to appreciate the people we love.

Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

You Are My I Love You

In this lyrical and deeply moving memoir, one of America's most revered actresses weaves stories of her adventures and travels with her mother, while reflecting on the beautiful spirit that persists even in the face of her mother's struggle with Alzheimer's disease. Marcia Gay Harden knew at a young age that her life would be anything but ordinary. One of five lively children born to two Texas natives—Beverly, a proper Dallas lady, and Thad, a young naval officer—she always had a knack for storytelling, role-playing, and adventure. As a military family, the Hardens moved often, and their travels eventually took them to Yokohama, off the coast of Japan, during the Vietnam War era. It was here that Beverly, amid the many challenges of raising her family abroad, found her own self-expression in ikebana, the ancient Japanese art of flower arranging. Using the philosophy of ikebana as her starting point, Marcia Gay Harden intertwines the seasons of her mother's life with her own journey from precocious young girl to budding artist in New York City to Academy Award-winning actress. With a razor-sharp wit, as well as the kind of emotional honesty that has made her performances resonate with audiences worldwide, Marcia captures the joys and losses of life even as her precious mother gracefully strives to maintain her identity while coming to grips with Alzheimer's disease. Powerful and incredibly stirring, *The Seasons of My Mother* illustrates the unforgettable vulnerability and beauty of motherhood, as Marcia does what Beverly can no longer do: she remembers.
