New York Times Bestseller Named "22 Essential Cookbooks for Every Kitchen" by SeriousEats.com Named "25 Favorite Cookbooks of All Time" by Christopher Kimball Named "Best Cookbooks Of 2016" by Chicago Tribune, BBC, Wired, Epicurious, Leite's Culinary Named "100 Best Cookbooks of All Time" by Southern Living Magazine For succulent results every time, nothing is more crucial than understanding the science behind the interaction of food, fire, heat, and smoke. This is the definitive guide to the concepts, methods, equipment, and accessories of barbecue and grilling. The founder and editor of the world's most popular BBQ and grilling website, AmazingRibs.com, "Meathead" Goldwyn applies the latest research to backyard cooking and 118 thoroughly tested recipes. He explains why dry brining is better than wet brining; how marinades really work; why rubs shouldn't have salt in them; how heat and temperature differ; the importance of digital thermometers; why searing doesn't seal in juices; how salt penetrates but spices don't; when charcoal beats gas and when gas beats charcoal; how to calibrate and tune a grill or smoker; how to keep fish from sticking; cooking with logs; the strengths and weaknesses of the new pellet cookers; tricks for rotisserie cooking; why cooking whole animals is a bad idea, which grill grates are best; and why beer-can chicken is a waste of good beer and nowhere close to the best way to cook a bird. He shatters the myths that stand in the way of perfection. Busted misconceptions include: • Myth: Bring meat to room temperature before cooking. Busted! Cold meat attracts smoke better. • Myth: Soak wood before using it. Busted! Soaking produces smoke that doesn't taste as good as dry fast-burning wood. • Myth: Bone-in steaks taste better. Busted! The calcium walls of bone have no taste and they just slow cooking. • Myth: You should sear first, then cook. Busted! Actually, that overcooks the meat. Cooking at a low temperature first and searing at the end produces evenly cooked meat. Lavishly designed with hundreds of illustrations and full-color photos by the author, this book contains all the sure-fire recipes for traditional American favorites and many more outside-the-box creations. You'll get recipes for all the great regional barbecue sauces; rubs for meats and vegetables; Last Meal Ribs, Simon & Garfunkel Chicken; Schmancy Smoked Salmon; The Ultimate Turkey; Texas Brisket; Perfect Pulled Pork; Sweet & Sour Pork with Mumbo Sauce; Whole Hog; Steakhouse Steaks; Diner Burgers; Prime Rib; Brazilian Short Ribs; Rack Of Lamb Lollipops; Huli-Huli Chicken; Smoked Trout Florida Mullet –Style; Baja Fish Tacos; Lobster, and many more.

An essential lifestyle guide to reducing headaches and other symptoms related to migraine, vertigo, and Meniere's disease. Its “slow-approach” plan and more than 75 trigger-free recipes set readers up for success—even when they're in pain. In The Migraine Relief Plan, certified health and wellness coach Stephanie Weaver outlines a new, step-by-step lifestyle approach to reducing migraine frequency and severity. Using the latest research, her own migraine diagnosis, and extensive testing, Weaver has designed an accessible plan to help those living with migraine, headaches, or Meniere's disease. Over the course of eight weeks, the plan gradually transitions readers into a healthier lifestyle, including key behaviors such as regular sleep, trigger-free eating, gentle exercise, and relaxation techniques. The book also collects

resources—shopping lists, meal plans, symptom tracking charts, and kitchen-tested recipes for breakfast, lunch, snacks, and dinner—to provide readers with the tools they need to be successful. The Migraine Relief Plan encourages readers to eat within the guidelines while still helping them follow personal dietary choices, like vegan or Paleo, and navigate challenges, such as parties, work, and travel. A must-have resource for anyone who lives with head pain, this book will inspire you to rethink your attitude toward health and wellness.

Real barbecue taste comes from mastering the art of slow-cooking meat at a low temperature for a long time, using wood smoke to add flavour. And this is the book that shows you how to do it! For the first time, Jeff Phillips is publishing the information he has compiled on his incredibly popular website, www.smoking-meat.com. With step-by-step instructions on how to choose, set up, and modify your own charcoal, gas, or electric smoker, Jeff Phillips guides you through your smoking session with the patience unique to an experienced pitmaster. Once you've chosen your smoker and got the knack of some basic techniques, Jeff encourages you to cut loose and experiment to develop your own smoky sensations. Best of all, you can even give smoking meats a try just by using your basic backyard grill, then decide whether to invest in a smoker. Your every smoking question is answered in these detailed sections: Types of smokers Charcoal, wood, or gas? Building and keeping a fire Tools and equipment Flavouring meat The smoking-meat pantry Food safety You'll never again have to run all over town to search out the best smoked meat! In addition to handing over all his tried-and-true recipes for chicken, ribs, brisket, and burgers, Jeff gives you his favourite recipes for sauces, rubs, and brines. You'll also find recipes for smoking duck, quail, sausage, meatloaf, fish, and even frogs' legs. He rounds out his collection by including desserts, salads, and coleslaws. *Smoking Meat* will have you feasting on the most succulent and flavourful meat you've ever had in no time.

The winningest man in barbebecue shares the secrets of his success. Rule number one? Keep it simple. In the world of competitive barbecue, nobody's won more prize money, more trophies, or more adulation than Myron Mixon. And he comes by it honestly: From the time he was old enough to stoke a pit, Mixon learned the art of barbecue at his father's side. He grew up to expand his parent's sauce business, Jack's Old South, and in the process became the leader of the winningest team in competitive barbecue. It's Mixon's combination of killer instinct and killer recipes that has led him to three world championships and more than 180 grand championships and made him the breakout star of TLC's *BBQ Pitmasters*. Now, for the first time, Mixon's stepping out from behind his rig to teach you how he does it. Rule number one: People always try to overthink barbecue and make it complicated. Don't do it! Mixon will show you how you can apply his "keep it simple" mantra in your own backyard. He'll take you to the front lines of barbecue and teach you how to turn out 'cue like a seasoned pro. You'll learn to cook like Mixon does when he's on the road competing and when he's at home, with great tips on • the basics, from choosing the right wood to getting the best smoker or grill • the formulas for the marinades, rubs, injections, and sauces you'll need • the perfect ways to cook up hog, ribs, brisket, and chicken, including Mixon's famous Cupcake Chicken Mixon shares more than 75 of his award-winning recipes—including one for the most sinful burger you'll ever eat—and advice that will end any anxiety over cooking times and temps and change your backyard barbecues forever. He also fills you in on how he rose to the top of the competitive barbecue universe and his secrets for succulent success. Complete with mouth-watering photos, *Smokin' with Myron Mixon* will fire you up for a tasty time.

"Like Bubba Gump and his shrimp, I have a million ways to cook pork because I love it so much. If I had only one animal to eat forevermore, I would eat pigs. You could have a pork chop one day, pulled pork another, and cured bacon the next day, and they'd all taste completely different. You can't do that with chicken. Chicken tastes like chicken no matter what part of the animal you eat. And I love beef and lamb, but they don't have the amazing versatility of pork. Pork can be the star of the show or a background flavor. But no matter where it shows up, pork is always welcome on my table.\" ---from the introduction, Kiss a Pig On Bravo TV's season six of Top Chef, Kevin Gillespie became known for his love of pork. He literally wears it on his sleeve with his forearm tattoo. His first book, Fire in My Belly, a James Beard Award finalist, included his famous Bacon Jam. Now he shares his passion and love of pork in a book devoted entirely to the subject. Pure Pork Awesomeness celebrates pork's delicious versatility with more than 100 easy-to-follow recipes. Dig into everything from Bacon Popcorn and Bourbon Street Pork Chops to Korean Barbecued Pork Bulgogi, Vietnamese Spareribs with Chile and Lemongrass, and Banoffee Trifle with Candied Bacon. Organized like the pig itself, recipes use every cut of pork from shoulder and tenderloin to pork belly and ham. Find out how to buy the best-tasting pork available, differences among heritage breeds of pigs, and what to do with new cuts like \"ribeye of pork\". . . all from a witty, talented chef who knows the ins and outs of cooking pork at home.

Just as Hugh Acheson brought a chef's mind to the slow cooker in The Chef and the Slow Cooker, so he brings a home cook's perspective to sous vide, with 90 recipes that demystify the technology for readers and unlock all of its potential. NAMED ONE OF FALL'S BEST COOKBOOKS BY FOOD & WINE Whether he's working with fire and a pan, your grandpa's slow cooker, or a cutting-edge sous vide setup, Hugh Acheson wants to make your cooking life easier, more fun, and more delicious. And while cooking sous vide—a method where food is sealed in plastic bags or glass jars, then cooked in a precise, temperature-controlled water bath—used to be for chefs in high-end restaurants, Hugh is here to help home cooks bring this rather friendly piece of technology into their kitchens. The beauty of sous vide is its ease and consistency—it can cook a steak medium-rare, or a piece of fish to tender, just-doneness every single time . . . and hold it there until you're ready to eat, whether dinner is in ten minutes or eight hours away. But to unlock the method's creative secrets, Hugh shows you how to get the best sear on that steak after it comes out of the bath, demonstrates which dishes play best with extra-long, extra-slow cooking, and opens up the whole world of vegetables to a technology most known for cooking meat and fish. Praise for Sous Vide “High-end cooking comes to the home kitchen in this fun, clear approach to a gourmet technique. . . . [Hugh] Acheson writes with such charm that he can make warm water interesting.”—Publishers Weekly

Love him or hate him, Triple H does what he wants, when he wants to do it. And now, for the first time anywhere, he tells you how he does it -- and how you can, too. More than a personal account of life in and out of the ring, *Making The Game: Triple H's Approach to a Better Body* is Triple H's verbal and visual blueprint for building your body. The leader of Evolution discusses how "a jones for bodybuilding and a love for wrestling" morphed a skinny, 135-pound fourteen-year-old from Nashua, New Hampshire, into one of the biggest superstars ever to dominate World Wrestling Entertainment. But be warned -- the "Cerebral Assassin" has zero tolerance for anything less than a hundred percent effort. He's spent the past twenty years living by the philosophy that training results in improved strength and conditioning, self-discipline, and an ability to focus on setting goals. This book isn't for big mouths who'd rather exercise their egos than their deltoids. Of course, even Triple H had help along the way. He didn't get to be "that damn good" without the support of a loving family. And over the years several bodybuilders (including world-renowned trainer Charles Glass) worked with him to develop the best training regimens. Their advice, plus hardcore commitment, helped Paul Levesque survive "The Hard Way In" through Walter "Killer" Kowalski's wrestling school in Malden, Massachusetts, and go on to become "Terra Ryzing" within Kowalski's International Wrestling Federation; enabled a "GUD" ("Geographically UnDesirable") to adjust to a difficult life on the road as "the French guy" in World Championship Wrestling; and gave "Hunter Hearst-Helmsley" the self-assurance to earn his stripes in WWE and eat something that literally made other up-and-comers squeal. On the subject of food consumption, *Making The Game* imparts tips as essential as exercise is for burning off calories and adding on muscle. Triple H spends over two hundred days a year on the road, and his traveler's guide will help you find ideal meals even in fast-food restaurants. He also provides the template for a must-have training-and-meals diary. Triple H reveals the dietary plan that he claims stokes his furnace 24/7 -- the plan he believes is "the single biggest element" in transforming his physique. Nevertheless, for a World Champion in WWE, it's as the saying goes: "No pain, no gain." That's why *Making The Game* breaks down and demonstrates the split-training workout program Triple H has embraced to achieve new levels of success in sculpting his body. Between drilling you with reps and sets, he relates in painstaking detail how training gave him the inner strength to shoulder the brunt of a controversial "Curtain Call" in the ring and, later, to elevate his position with Stone Cold Steve Austin and The Rock as one of the "Big Three" in WWE. Then, after breaking a sweat with Triple H reliving the fateful Raw events of May 2001 that left him with a torn quadricep muscle, you too can feel "The Triple H Burn," one of the exercises he endured through nine months of intense physical therapy to repair his leg that had been destroyed and resume a career most considered was "Game Over." Pain is temporary...but "The Game" is forever. Besides offering step-by-step exercises for both novice bodybuilders and those looking to radically advance their workout, *Making The Game* weighs in on the science behind progressive-training resistance and rest-pause techniques; the significance of exercise form over volume; the truth behind achieving "six-pack abs"; the dangers of overtraining and "skullcrushing" exercises that risk injury; and how creativity can go a long way in your workout. Triple H sees it as his mission to provide the guidelines for you to follow in the months and years

ahead. And if there's one thing he knows how to do, it's succeed. It's time to stop playing The Game...and time to start Making The Game.

Triple H Making the Game

IACP COOKBOOK OF THE YEAR AWARD WINNER • In the first cookbook by a Black pitmaster, James Beard Award–winning chef Rodney Scott celebrates an incredible culinary legacy through his life story, family traditions, and unmatched dedication to his craft. “BBQ is such an important part of African American history, and no one is better at BBQ than Rodney.”—Marcus Samuelsson, chef and restaurateur **ONE OF THE BEST COOKBOOKS OF THE YEAR:** The New York Times, The Washington Post, Time Out, Food52, Taste of Home, Garden & Gun, Epicurious, Vice, Salon, Southern Living, Wired, Library Journal Rodney Scott was born with barbecue in his blood. He cooked his first whole hog, a specialty of South Carolina barbecue, when he was just eleven years old. At the time, he was cooking at Scott's Bar-B-Q, his family's barbecue spot in Hemingway, South Carolina. Now, four decades later, he owns one of the country's most awarded and talked-about barbecue joints, Rodney Scott's Whole Hog BBQ in Charleston. In this cookbook, co-written by award-winning writer Lolis Eric Elie, Rodney spills what makes his pit-smoked turkey, barbecued spare ribs, smoked chicken wings, hush puppies, Ella's Banana Puddin', and award-winning whole hog so special. Moreover, his recipes make it possible to achieve these special flavors yourself, whether you're a barbecue pro or a novice. From the ins and outs of building your own pit to poignant essays on South Carolinian foodways and traditions, this stunningly photographed cookbook is the ultimate barbecue reference. It is also a powerful work of storytelling. In this modern American success story, Rodney details how he made his way from the small town where he worked for his father in the tobacco fields and in the smokehouse, to the sacrifices he made to grow his family's business, and the tough decisions he made to venture out on his own in Charleston. Rodney Scott's World of BBQ is an uplifting story that speaks to how hope, hard work, and a whole lot of optimism built a rich celebration of his heritage—and of unforgettable barbecue.

The genius of Raichlen meets the magic of vegetables. Celebrating all the ways to grill green, this mouthwatering, ground breaking cookbook from America's master griller" (Esquire) shows how to bring live fire or wood smoke to every imaginable vegetable. How to fire-blister tomatoes, cedar-plank eggplant, hay-smoke lettuce, spit-roast brussels sprouts on the stalk, grill corn five ways—even cook whole onions caveman-style in the embers. And how to put it all together through 115 inspired recipes. Plus chapters on grilling breads, pizza, eggs, cheese, desserts and more. PS: While vegetables shine in every dish, this is not a strictly vegetarian cookbook—yes, there will be bacon. "Raichlen's done it again! I am so happy that he has turned his focus to the amazingly versatile yet underrated world of vegetables, creating some of the most exciting ways to use live fire. If you love to grill and want to learn something new, then this is the perfect book for you. Steven is truly the master of the grill!" —Jose Andres, Chef and Humanitarian "Destined to join Steven Raichlen's other books as a masterpiece. Just thumb through it, and you'll understand that this is one of those rare must-have cookbooks—and one that planet Earth will welcome." —Nancy Silverton, Chef and Owner of Mozza restaurants

Pat LaFrieda, the third generation butcher and owner of America's premier meatpacking business, presents the ultimate book of everything meat, with more than seventy-five mouthwatering recipes for beef, pork, lamb, veal, and poultry. For true meat lovers, a beautifully prepared cut of beef, pork, lamb, veal, or poultry is not just the center of the meal, it is the reason for eating. No one understands meat's seductive hold on our palates better than America's premier butcher, Pat LaFrieda. In *Meat: Everything You Need to Know*, he passionately explains the best and most flavorful cuts to purchase (some of them surprisingly inexpensive or unknown) and shares delicious recipes and meticulous techniques, all with the knowledge that comes from a fourth generation butcher. If you have ever wondered what makes the meat in America's finest restaurants so delectable, LaFrieda—the butcher to the country's greatest chefs—has the answers, and the philosophy behind it. In seventy-five recipes—some of them decades-old LaFrieda family favorites, some from New

York City's best restaurateurs, including Lidia Bastianich, Josh Capon, Mike Toscano, and Jimmy Bradley—the special characteristics of each type of meat comes into exquisite focus. Pat's signature meat selections have inspired famous chefs, and now Meat brings home cooks the opportunity to make similar mouthwatering recipes including multiple LaFrieda Custom Burger Blends, Whole Shank Osso Bucco, Tuscan Fried Chicken with Lemon, Crown Pork Roast with Pineapple Bread Stuffing, Frenched Chop with Red Onion Soubise, Beef Wellington with Mushroom Cream Sauce, and Chipotle-Braised Tomahawk Short Ribs, along with many more. Step-by-step photographs make tricky operations like butterflying a veal chop or tying a crown roast easy even for beginners; beautiful double-page photographic diagrams show more clearly than any previous book where different cuts come from on the animal; and advice on necessary equipment, butcher's notes, and glorious full-color photographs of the dishes complete this magnificent and comprehensive feast for the senses. Throughout the pages of Meat, Pat LaFrieda's interwoven tales of life in the meatpacking business and heartwarming personal reminiscences celebrate his family's century of devotion to their calling and are a tribute to a veritable New York City institution. Pat's reverence and passion for his subject both teach and inspire.

Signature recipes and wisdom from the country's foremost pitmaster Mike Mills and Amy Mills, the dynamic father-daughter duo behind the famous 17th Street Barbecue, are two of the most influential people in barbecue. Known as "The Legend," Mike is a Barbecue Hall-of-Famer, a four-time barbecue World Champion, a three-time Grand World Champion at Memphis in May (the Super Bowl of Swine), and a founder of the Big Apple Block Party. A third-generation barbecuer, Amy is the marketing mind behind the business, a television personality, and industry expert. Praise the Lard, named after the Mills' popular Southern Illinois cook-off, now in its thirtieth year, dispenses all the secrets of the family's lifetime of worshipping at the temple of barbecue. At the heart of the book are almost 100 recipes from the family archives: Private Reserve Mustard Sauce, Ain't No Thang but a Chicken Wing, Pork Belly Bites, and Prime

Rib on the Pit, Tangy Pit Beans, and Blackberry Pie. With hundreds food photos, candid, and illustrations, this book is as rich as the Mills' history.

An inspiring history of communal knitting events—from circles to online meet-ups to socially conscious knit-ins. Includes 20 projects. The immensely popular knitalong—an organized event where people knit together for a common goal—has only grown with the explosion of the Internet. Yesterday's wartime Red Cross sock drives have evolved into today's meet-ups at locales as diverse as cafes, state fairs, and major league ballparks, as well as international online gatherings; in fact, at any given time tens of thousands of people worldwide are involved in knitalongs, organized around a particular yarn, a favorite social cause, an intriguing project, a special event, or myriad other themes. Authors Larissa Brown and Martin John Brown present an inspiring look at centuries of people knitting together, and why knitters find the interaction so meaningful and worthwhile. Along the way, they offer 20 projects especially suited for different types of knitalongs. The Barn Raising Quilt and the Traveling Scarf, for instance, call on individual knitters to collaborate on a single project; while the Pinwheel Blanket and the Meathead Hat encourage a community of knitters to improvise on the same pattern to come up with a variety of results. Also included is essential information about finding, joining, and starting knitalongs. Hundreds of knitters participated in the knitalongs hosted by the authors as part of their research, and this book will inspire thousands more to get involved in the knitalong movement. The only book that celebrates this tradition of community and purpose, Knitalong is sure to have a powerful impact.

The Moshpit: Hub of a live music culture that is high in sex and violence... and no stranger to death. For the hardcore fans of groups like Limp Bizkit, Hole, Korn and Slipknot, the music is only part of the experience. At gigs worldwide fans literally hurl themselves into a pit - the mosh pit. The result is a mass of seething bodies where fierce physical contact provides a brief, exhilarating escape from everyday life. The mosh pit means random sexual encounters as well as haphazard violence... and occasionally, as Joe Ambrose discovers, it can lead to encounters of unexpected tenderness too.

She-Smoke: A Backyard Barbecue Book, by Julie Reinhardt, empowers women to take their place back at the fire. In *She-Smoke*, Reinhardt gives step-by-step instructions on a variety of barbecue topics, from buying local, sustainable meats, to building the perfect slow and low fire, and smoking a holiday barbecue feast. She includes a host of delicious recipes aimed to teach women technique, with more in-depth instruction than that of a conventional cookbook. Women will learn the elusive history of bar-b-cue, the difference between true barbecue and grilling, and all about the world of barbecue competition. Featuring interviews with other "smokin'" women and stories about Reinhardt's family, *She-Smoke* brings women into the greater community of barbecue.
