

Teammates

Teammates

Describes the racial prejudice experienced by Jackie Robinson when he joined the Brooklyn Dodgers and became the first Black player in Major League baseball and depicts the acceptance and support he received from his white teammate Pee Wee Reese.

Teammates Matter

By turns inspiring, candid, and exhilarating, "Walk-On" traces Alan's journey from his early teens, where he dreamed of landing a spot at Wake Forest, to his final semester on that historic North Carolina campus. Along the way, he brings to life the riveting experience of playing for an ACC championship team in one of the country's most celebrated conferences, and under renowned coaches Skip Prosser and Dave Odom.

Teammates

Tiki struggles to recover from a game day fumble until his brother helps him out in this story about perseverance. Tiki can't believe it when the ball is knocked out of his hand in the Cave Spring Viking's last preseason game against their rival Knights. And when nobody wants to talk to him the next day at lunch, he feels even worse. Can his brother and coach help him regain his confidence?

The 10 Commandments of Winning Teammates

Winning Teammates are the people that make it possible for any group to succeed... the people who others depend on... the people who others want to work with. Winning Teammates bring more than just technical skills to the table - they have the interpersonal skills that every organization needs to create and maintain a positive and productive culture. Life is a team sport. Winning Teammates are the GLUE that hold teams together... that keep them focused and performing well. These 10 vital lessons will help you to increase your influence... and ultimately will lead to your team enjoying far more success. If you want a winning team, you need to be a Winning Teammate!

The Hard Hat

Great teammates don't just impact you today; they impact you for the rest of your life. From the moment Jon Gordon heard about George Boiardi and the Hard Hat he was intrigued and captivated. Over the years he visited George's coaches, attended several "21 Dinners" held in his honor, met his family, talked to his teammates and observed how he inspired all who knew him. The Hard Hat is an unforgettable true story about a selfless, loyal, joyful, hard-working, competitive, and compassionate leader and teammate, the impact he had on his team and program and the lessons we can learn from him. The book features: A True Story about George Boiardi, his Team and their Legacy. 21 Lessons to be a Great Teammate Insights from George's Teammates and Coaches that Bring the Lessons to Life. 21 Exercises to help you Build a Great Team Infused with practical insights and life changing lessons, The Hard Hat will inspire you to be the best teammate you can be and to build a great team. *100% of author's royalties go to support the Mario St. George Boiardi Foundation

You Are the Team

You Are the Team is a book that will easily and dramatically improve the way your team works together by literally changing the heart and mind of every member of your team. It's a book for you, your team and entire organization. Many leaders struggle with getting members of their team to help and assist each other; to be direct, candid and respectful in their communication; to actively participate in meetings-providing ideas and passionately discussing important topics; to trust each other; to stop engaging in negative talk and even gossip; and to take accountability for their job and performance... to name just a few. You Are the Team combats the \"Teammate Me Culture,\" which is when members of the team care more about their own needs than the team's needs. It inspires teammates to: *Serve each other *Put others and the team first *Tell the truth and be transparent *Keep commitments *Be direct and honest in discussions *Take accountability *Learn from mistakes *Seek honest feedback from teammates *Improve personal gratitude *Refrain from negativity and gossip *Compliment teammates more frequently *Celebrate teammates successes *Extend more kindness *Seek to understand teammates first before reacting *Demonstrate greater empathy towards teammates *Get it done and then some *Improve personal focus on goals *Bring solutions, not problems *Invest in personal development *Inspire and lead Would you agree that the above actions improve teamwork? Could your team improve by teammates implementing even just a couple of these concepts? You Are the Team is both engaging and practical. Author Michael Rogers uses a variety of entertaining stories to highlight the concepts in the book. Introspective questions are at the end of each section to help teammates reflect on how they are currently applying each of the important team concepts. The end of the book includes an assessment with 27 questions to gauge the overall effectiveness of teammates. Becoming a successful team begins with teammates who want to provide more value than they receive. You Are the Team was written to help members of teams understand the value they bring. Order a copy for you, for your team, for your entire organization. Michael has over 20 years of experience working with teams in business, sports, and a variety of volunteer organizations. One common theme in his consulting work has been that the best teams are made up of teammates who are committed to and invested in their team and its outcomes. He has found, without exception, that teams consisting of teammates who regularly practice his 6 B's of selflessness, trustworthiness, humbleness, positivity, respectfulness, and greatness achieve extraordinary teamwork. When Michael sat down to write You Are the Team, he wanted to write a book that could be easily understood by anyone reading it, a book that was inspiring-even life changing, a book that was engaging and a book that could be quickly applied by every member of the team. Many are finding that he did just that. Are you a leader who wishes you could get your team to work together better? Are you a leader who needs to boost results? Are you a leader who wishes your team cared more about their work and the outcomes of the team? You Are the Team is that one book that will change your team and organization long term.

The Ideal Team Player

In his classic book, The Five Dysfunctions of a Team, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In The Ideal Team Player, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

The Long-Distance Teammate

What does it mean to “go to work” when you don't actually leave the house? This is the ultimate guide for remote workers who want to stay engaged as team members, maintain robust work relationships, and keep an eye on their long-term career goals. Even before the coronavirus hit, remote work was growing at nearly 30 percent per year, and now it's just a fact of life. There are many millions of people who once worked at a central location every day who now find themselves facing an entirely new way of working. Written by the

founders of the Remote Leadership Institute, this book is the most authoritative single resource for helping remote workers get work done effectively, build relationships that are both productive and satisfying, and maintain a career trajectory when they are not in constant close contact with their leader, coworkers, or the organization in general. The Long-Distance Teammate tackles three important issues: navigating the personal and interpersonal, growing the skills to be productive, and communicating effectively—all from a distance. In short, there is a big difference between working at home and being an effective member of a team. This practical guide describes that difference and allows you to be a great remote teammate.

All My Teammates and Me

Are you tired of selfishness contaminating your team? Are you looking for strategies to help those on your team become better teammates? Would you like to become a better teammate? Everyone wants teamwork on the team, but teamwork doesn't happen without good teammates—individuals whose unique way of thinking propels their team to success no matter what team they're on. Whether it's sports, family, school, work, or friends, the attitude is similar. The WE Gear takes you inside the fascinating mindset of a good teammate. Through inspiring stories and powerful lessons, you'll explore the art of being a good teammate while discovering the five keys to shifting your focus from me to we. Most people operate in the me gear: What's in it for me? How does this benefit me? Good teammates take a different approach. They abandon self-serving motives and consider what's best for their team. If you want to be a better teammate, coach, teacher, employee, boss, spouse, friend, or parent, The WE Gear is for you!

The WE Gear: How Good Teammates Shift from Me to We

The Christian Athlete is a gospel-centered guide that assists athletes who identify as Christians and are seeking to understand how to practically apply their faith to their sport. Athletes desire—and deserve—a more substantive expression of the Christian faith in the context of sport, but they don't know what it looks like or where to turn to learn more. Author Brian Smith shares his story as an athlete and coach, and his experience working with high-level athletes in the last decade to help readers better understand how to integrate faith and sport by: Assisting those who want a wide-angled understanding of how to live the Christian faith in the context of sports Walking through the many questions Christian athletes ask about winning, losing, injuries, practice, and everything in between Moving Christian athletes from simply having clichéd spiritual sayings decorating their bodies or t-shirts to actually living out their faith through all the opportunities their sport offers them The Christian Athlete will show readers how to live out a biblical perspective on athletics and urge them to engage in the gifts they are given to glorify God whether they are the team MVP or riding the bench.

The Christian Athlete

Describes a three-phase plan for elementary-level teachers to develop literacy partnerships with children's families. *Becoming Teammates: Teachers and Families as Literacy Partners* offers a bold new look at how teachers and families can work together to build family-school relationships that value and respect each other's perspectives on literacy. Featuring the voices of parents, teachers, graduate students, and preservice teachers, Charlene Klassen Endrizzi's book explores how families and educators can combine their resources to become essential teammates and partners in children's literacy development. Endrizzi recognizes that family-school partnerships are a complex undertaking and offers suggestions for three phases of implementation. In Phase 1, teachers begin by extending to family members a variety of invitations to communicate—via surveys, ceremonies, and celebrations—thus building an awareness and understanding of the literacy learning that occurs both in school and at home. Phase 2 explores how teachers can initiate a two-way literacy conversation with families through dialogue journals, curricular newsletters, and literacy backpacks. The final stage has teachers forging partnerships with parents at Family Literacy Gatherings, during which they explain and demonstrate literacy beliefs and practices, discover and appreciate the families' funds of knowledge, and acknowledge and nurture the emerging parent advocates. Endrizzi

challenges teachers to take an active role in developing partnerships by considering a myriad of ways to build bridges of understanding with their students' first learning partners.

Becoming Teammates

"Through a game winning kick and a missted goal, Little Teammate learns the gift of a Father's unconditional love. Before stepping to the plate, Little Teammate remembers what Daddy always says ... I love you. Be ready, Do your best, and have some fun."--publisher. .

Little Teammate

Barry Enoch is one of the most highly-decorated Navy SEALs to emerge from the Vietnam War. Here, he tells the stories of the professional warriors who were trained in reconnaissance, infiltration and ambush. Readers will experience the sights, sounds, and the smells of battle--the night aglow with red tracers, the air thick with cordite, the whispers of the enemy just inches away--with unforgettable impact, intensity and authenticity. Photo insert.

Teammates, SEALs at War

"A compelling rumination by a baseball icon and a tragic hero." —Sports Illustrated The lost memoir from baseball icon Lou Gehrig—a sensational discovery, published for the first time as a book. At the tender age of twenty-four, Lou Gehrig decided to tell the remarkable story of his life and career. He was one of the most famous athletes in the country, in the midst of a record-breaking season with the legendary 1927 World Series-winning Yankees. In an effort to grow Lou's star, pioneering sports agent Christy Walsh arranged for Lou's tale of baseball greatness to syndicate in newspapers across the country. Until now, those columns were largely forgotten and lost to history. Lou comes alive in this inspiring memoir. It is a heartfelt rags-to-riches tale about a dirt poor kid from New York who became one of the most revered baseball players of all time. Fourteen years after his account, Lou would tragically die from ALS, a neuromuscular disorder now known as Lou Gehrig's Disease. His poignant autobiography is followed by an insightful biographical essay by historian Alan D. Gaff. Here is Lou—Hall of Famer, All Star, and MVP—back at bat.

Lou Gehrig

Packed with "compelling inside stories" (Chicago Tribune), Teammate is the inspiring memoir from "Grandpa Rossy," the veteran catcher who became the heart and soul of the 2016 Chicago Cubs championship team and was named manager in 2019. In 2016 the Cubs snapped a 108-year curse, winning the World Series in a history-making, seven-game series against the Cleveland Indians. Of the many storylines to Chicago's fairytale season, one stood out: the late-career renaissance of David Ross, the 39-year-old catcher who had played back-up for 13 of his 15 pro seasons. Beyond Ross's remarkably strong play, he became the ultimate positive force in the Cubs locker room, mentoring and motivating his fellow players, some of them nearly twenty years his junior. Thanks to Cubs Kris Bryant and Anthony Rizzo, "Grandpa Rossy" became a social media sensation. No one, however, could have predicted that Ross's home run in his final career at bat would help seal the Cubs championship. Now, in Teammate, Ross shares the inspiring story of his life in baseball, framed by the events of that unforgettable November night.

Teammate

A dual biography of two star players for the Chicago Bulls, describing their separate basketball careers and how they have performed as teammates.

Teammates

'A great read and a fascinating insight into performance.' Sir Clive Woodward We all want to discover our hidden talents and make an impact with them. But how? Rasmus Ankersen, an ex-footballer and performance specialist, quit his job and for six intense months lived with the world's best athletes in an attempt to answer this question. Why have the best middle distance runners grown up in the same Ethiopian village? Why are the leading female golfers from South Korea? How did one athletic club in Kingston, Jamaica, succeed in producing so many world-class sprinters? Ankersen presents his surprising conclusions in seven lessons on how anyone - or any business, organisation or team - can defy the many misconceptions of high performance and learn to build their own gold mine of real talent.

The Gold Mine Effect

A 2021 NCTE Charlotte Huck Award Honor Book A Chicago Public Library Best Book of 2020 A 2021 ALA Rainbow Book A Bank Street Best Book of 2021 A heartfelt and relatable novel from Phil Bildner, weaving the real history of Los Angeles Dodger and Oakland Athletic Glenn Burke--the first professional baseball player to come out as gay--into the story of a middle-school kid learning to be himself. When sixth grader Silas Wade does a school presentation on former Major Leaguer Glenn Burke, it's more than just a report about the irrepressible inventor of the high five. Burke was a gay baseball player in the 1970s—and for Silas, the presentation is his own first baby step toward revealing a truth about himself he's tired of hiding. Soon he tells his best friend, Zoey, but the longer he keeps his secret from his baseball teammates, the more he suspects they know something's up—especially when he stages one big cover-up with terrible consequences. A High Five for Glenn Burke is Phil Bildner's most personal novel yet—a powerful story about the challenge of being true to yourself, especially when not everyone feels you belong on the field.

A High Five for Glenn Burke

Why do some organizations regularly outperform their competition? \u200bWhat's the key to creating a united team that's an unstoppable force in your market? The answer lies in eliminating internal competition, people knowing and doing their job, and protecting each other. As a starting center for the Utah Jazz for over 10 years, Mark Eaton experienced the transformation of his team from cellar dweller to one with an extraordinary 20 consecutive playoff appearances. In *The Four Commitments of a Winning Team*, Eaton shares the lessons he learned in his incredible journey from a 21-year-old auto mechanic to a record-breaking NBA All-Star, distilled into a simple but powerful plan of action. This book will help you--whether you're a CEO, team leader, or individual--inspire, strengthen, and motivate your team to outperform your competition and achieve record-breaking success.

The Four Commitments of a Winning Team

My Living Will is the story of former major league pitcher John Trautwein, and the unbelievable tragedy which befell him and his family when his fifteen-year-old son, Will, took his own life. There had been no warnings, no obvious signs of anxiety, depression, or unhappiness; nothing. A family and a community were left stunned as they pondered how a young man like Will Trautwein, a healthy, happy, popular, athletic, and musical teenager, who came from such a loving home, could lose the will to live. \"/>John Trautwein writes straight from the heart. And his words will save lives. The story Trautwein shares in these pages--a remarkable journey of passion and purpose--will literally save lives.\" - Jeffrey Marx, Pulitzer Prize winner and author of *Season of Life* \"/>John Trautwein's story inspires hope. It empowers people, and it gives its readers the 'hope for life.' The triumph that this story imparts arouses the goodness in everyone as it drives people toward action.\" - Joe Girardi, Manager, The New York Yankees \"/>In my twenty-two years of broadcasting, I have told many stories of triumph over tragedy, but the story of Will Trautwein and his family has stayed with me. The loss of such a vibrant young man and the strength of his family to use their heartache to help has had an impact on how I parent my daughter, and how I report stories of teenage

depression and suicide. This is a must-read if you have a teenager in your life.\" - Stephany Fisher, Anchor, CBS News, Atlanta \"Ever wonder if a young person in your own home might be at risk? Read this book. In \"My Living Will,\" John Trautwein takes the emotions of loss and turns them into a message of awareness and hope. A must read for parents and teenagers alike!\" - Dan Shaughnessy, The Boston Globe

My Living Will

Legendary New York Yankees pitcher Ron Guidry recounts his years playing for one of the most storied and celebrated teams in sports history--the world champion New York Yankees during their heyday in the Bronx Zoo years, with manic manager Billy Martin, headline loving owner George Steinbrenner, and an ego-driven all-star cast that included everyone from slugger Reggie Jackson and All star catcher Thurman Munson to Cy Young Award winners Sparky Lyle and Catfish Hunter. Ron Guidry, known as Gator and Louisiana Lightning to his teammates, quickly rose in 1977 to become the ace of the Yankees' stellar pitching staff, helping the team regarded as the most famous and notorious in Yankee history win the World Series. In 1978, he went 25-3 with a 1.74 ERA and won the Cy Young Award as the best pitcher in baseball, helping to bring home the Yankees' second straight World Series championship. A four-time All Star and five-time Golden Glove winner, he played from 1976 to 1988, served as the Yankees' captain in the 1980s, and remains one of the greatest pitchers in Yankee history. In Gator, Guidry takes us inside the clubhouse to tell us what it was like to play amidst the chaos and almost daily confrontations between Billy Martin and George Steinbrenner, Martin's altercations with star slugger Reggie \"the straw that stirs the drink\" Jackson. He talks poignantly about the death of Thurman Munson in 1979, and the impact that had on Ron and on the club. He tells stories about players like Lou Pinella, Willie Randolph, Bucky Dent, Catfish Hunter, Chris Chambliss, and Mickey Rivers, and coach Yogi Berra (who in 1984 became the Yankees' manager) and Elston Howard.

What Drives Winning

Are you tired of selfishness contaminating your team? Are you looking for strategies to help those on your team become better teammates? Would you like to become a better teammate? NEW YORK TIMES BESTSELLER • In *Slaying the Tiger*, one of today's boldest young sportswriters spends a season inside the ropes alongside the rising stars who are transforming the game of golf. For more than a decade, golf was dominated by one galvanizing figure: Eldrick \"Tiger\" Woods. But as his star has fallen, a new, ambitious generation has stepped up to claim the crown. Once the domain of veterans, golf saw a youth revolution in 2014. In *Slaying the Tiger*, Shane Ryan introduces us to the volatile, colorful crop of heirs apparent who are storming the barricades of this traditionally old-fashioned sport. As the golf writer for Bill Simmons's *Grantland*, Shane Ryan is the perfect herald for the sport's new age. In *Slaying the Tiger*, he embeds himself for a season on the PGA Tour, where he finds the game far removed from the genteel rhythms of yesteryear. Instead, he discovers a group of mercurial talents driven to greatness by their fear of failure and their relentless perfectionism. From Augusta to Scotland, with an irreverent and energetic voice, Ryan documents every transcendent moment, every press tent tirade, and every controversy that made the 2014 Tour one of the most exciting and unpredictable in recent memory. Here are indelibly drawn profiles of the game's young guns: Rory McIlroy, the Northern Irish ace who stepped forward as the game's next

superstar; Patrick Reed, a brash, boastful competitor with a warrior's mentality; Dustin Johnson, the brilliant natural talent whose private habits sabotage his potential; and Jason Day, a resilient Aussie whose hardscrabble beginnings make him the Tour's ultimate longshot. Here also is the bumptious Bubba Watson, a devout Christian known for his unsportsmanlike outbursts on the golf course; Keegan Bradley, a flinty New Englander who plays with a colossal chip on his shoulder; twenty-one-year-old Jordan Spieth, a preternaturally mature Texan carrying the hopes of the golf establishment; and Rickie Fowler, the humble California kid striving to make his golf speak louder than his bright orange clothes. Bound by their talent, each one hungrier than the last, these players will vie over the coming decade for the right to be called the next king of the game. Golf may be slow to change, but in 2014, the wheels were turning at a feverish pace. Slaying the Tiger offers a dynamic snapshot of a rapidly evolving sport. Praise for Slaying the Tiger "This book is going to be controversial. There is no question about it. . . . It is the most unvarnished view of the tour—the biggest tour in the world—that I've ever read. And it's not close."—Gary Williams, Golf Channel "A must-read for PGA Tour fans from the casual to the most dedicated . . . This book is certain to be as important to this era as [John] Feinstein's [A Good Walk Spoiled] was two decades ago. . . . A well-researched, in-depth look at the men who inhabit the highest levels of the game."—Examiner.com "A masterfully written account of an important time in golf history."—Adam Fonseca, Golf Unfiltered "Absolutely marvelous . . . Ryan's writing flows and his reporting turns pages for you."—Kyle Porter, CBS Sports "A riveting read."—Library Journal "Ryan's fresh look is just what we golfer/readers want."—Curt Sampson, New York Times bestselling author of Hogan "Ryan does a fantastic job painting a thoughtful and accurate portrait of the new crop of heirs apparent."—Stephanie Wei, Wei Under Par

The WE Gear

A dual biography that emphasizes how greatly two Utah Jazz stars rely on each other on and off the court and the extent to which their careers have intertwined.

Slaying the Tiger

Ted Williams, Bobby Doerr, Dom DiMaggio, and Johnny Pesky were all members of the famed 1940's Boston Red Sox. Their legendary careers led the Red Sox to a pennant championship and ensured the men a place in sports history. David Halberstam, the bestselling author of the baseball classic Summer of '49, has followed the members of the 1949 championship Boston Red Sox team for years, especially Williams, Doerr, DiMaggio, and Pesky. In this extremely moving book, Halberstam reveals how these four teammates became friends, and how that friendship thrived for more than 60 years. The book opens with Pesky and DiMaggio travelling to see the ailing Ted Williams in Florida. It's the last time they will see him. The journey is filled with nostalgia and memories, but seeing Ted is a shock. The most physically dominating of the four friends, Ted now weighs only 130 pounds and is hunched over in a wheelchair. Dom, without even thinking about it, starts to sing opera and old songs like 'Me and My Shadow' to his friend. Filled with stories of their glory days with the Boston Red Sox, memories of legendary plays and players, and the reaction of the remaining three to Ted Williams' recent death, The Teammates offers us a rare glimpse into the lives of these celebrated men-and great insight into the nature of loyalty and friendship.

Teammates

Discover the military's keys to excellent leadership and team building training The Program: Lessons From Elite Military Units for Creating and Sustaining High Performing Leaders and Teams offers a hands-on guide to the winning techniques and tactics of The Program, the acclaimed team building and leadership development company. The Teammates

This third edition presents a thorough review of the literature and terminology in key topic areas. The clear explanation of potential research directions and the list of contributors make this a must-have book for students of sport psychology.

The Program

The definitive account of the 2001-2004 New England Patriots. Analyzes the many \"success factors\" underlying the team's two Super Bowl victories in three seasons. Entertains with humorous, insightful quotations from players, coaches, executives, and owners while helping fans vicariously experience life as a New England Patriot. \"Management Secrets\" is essential reading for any serious fan of Bill Belichick's Patriots and anyone seeking to build a great organization. (Vol. 1 covers the team's achievements, personnel, teamwork, motivation, and competition. Vol. 2 to be published February 2005.) James Lavin earned his economics Ph.D. at Stanford, where he analyzed \"high performance work organizations\" (like the Patriots). He also holds degrees in: political science (Harvard, magna cum laude), economics (London School of Economics), and East Asian studies (Stanford). James grew up in Wayland, MA cheering for many lousy Patriots teams.

Advances in Sport Psychology

Actively grow your leadership skills day-by-day with this timeless wisdom—comprised from fourteen of New York Times bestselling author John C. Maxwell's greatest leadership books. The Maxwell Daily Reader draws its unique power from an ageless truth: the heart of leadership is created by actions—big and small—put into practice one day at a time. Each person has inborn potential to be a great leader. Each day's message in this 365-day reader will equip you with the inspiration and advice to unlock your full leadership potential. Daily entries contain an excerpt from one of Maxwell's books that helps: Encourage and inspire you Teach you to lead Challenge you to be better Prompt you to grow The secret to your success can be found in your daily agenda. People who achieve their potential do so because they invest in themselves every day. They take the time to add value to themselves and because of that, they are also able to add value to others. Easily accessible and highly actionable, this is the very best of John C. Maxwell, and it will bring out the very best of the leader in everyone.

Management Secrets of the New England Patriots: Achievements, personnel, teamwork, motivation, and competition

Most team-building programs have a problem: They do not address or resolve a team's real issues. That is because team games, outdoor exercises, and social events cannot produce reliable results. Right-Minded Teamwork (RMT) can. This real-world, team-building method addresses and resolves your team's real issues in a non-confrontational, compassionate, and lasting way. What Is This Book About? Right-Minded Teamwork is the most reliable way to achieve and sustain high-performance teamwork. This book will teach you RMT's proven, twelve-step approach to designing powerfully effective, team-building workshops. Teammates will actually want to attend these events because they know they will get real work done. NOTE: This book is part of a larger training package that includes a full online training class and customizable, reusable resources. You can find this package, which includes this 12 Steps book in ebook format, at RightMindedTeamwork.com. If you have already invested in the Design an RMT Workshop training

program and would also like a paperback copy of this book, please purchase it from Amazon, Barnes & Noble, or your favorite book retailer. Is This Book for You? Ready to create your own transformational, team-building workshops? This book will get you there. Whether you are a team facilitator, team leader, or teammate, Right-Minded Teamwork will guide you and your team to do no harm and work as one. An Overview of RMT's Workshop Formula At a high level, RMT's 12 Steps formula can be captured in three phases: 1. Contract: Designing the workshop (Steps 1-9) 2. Commence: Facilitating the workshop (Step 10) 3. Carry On: Keeping up momentum (Steps 11-12) As you can see, the initial Contract phase makes up a substantial portion of the 12 Steps process, covering Steps 1-9. During this phase, you carefully construct your workshop, incorporating teammate interviews to ensure active buy-in and participation during your workshop event. With the team on board, you enter the second phase and execute your workshop, facilitating team discussion in a Right-Minded manner. Steps 11 and 12 comprise the final phase, in which your team implements new learnings and teamwork processes from their real-world, team-building workshop. A Note from Dan Hogan, Co-Creator of RMT In the thirty-five years of my team-building career, I facilitated over 500 teams in seven countries. For every workshop I led, I used RMT's 12 Steps. Though the teammates and team leaders I served weren't always aware of the process we were following, they definitely appreciated the results. Today, RMT has improved the lives and teams of thousands of people worldwide. Though I no longer actively facilitate, leaving it to the next generation of team leaders and facilitators to carry on Reason's message of oneness and shared interest, I will always continue to support those who believe in Right-Minded Teamwork. If you choose to add RMT to your team-building toolkit, I'll be here, ready to offer direction. Of course, you can also blaze your own trail: All RMT's tools and packages are openly available, with no licensing or certification requirements. The only thing you need to get started is an open mind and a willingness to apply what you learn. Better teamwork can be yours with Right-Minded Teamwork. Start today. Dan Hogan, Certified Master Facilitator

The Maxwell Daily Reader

Ready to see your team shine? With Right-Minded Teamwork (RMT), your team can compassionately address interpersonal conflict, regain focus, and produce astounding results. What Is This Book About? RMT is an intelligent and empowering teamwork system that guides teams to overcome interpersonal challenges, improve processes, and work together seamlessly to achieve business goals. It is a business-oriented, psychological approach to team building where acceptance, forgiveness, and adjustment are teammate characteristics, and 100% customer satisfaction is the team's result. RMT produces positive business results by allowing your team to work together as one, do no harm, and get real work done. In this book, you will learn about RMT's core framework of interlocking teamwork components, called the 5 Elements: 1. Team Business Goal: Achieve 100% Customer Satisfaction 2. Team Psychological Goal: Commit to Right-Minded Thinking 3. Work Agreements: Create & Follow Commitments 4. Team Operating System: Make It Effective & Efficient 5. Right-Minded Teammates: Strengthen Individual Performance First, we'll take an in-depth look at each of RMT's 5 Elements. Then we'll review a proven implementation plan consisting of three, team-building workshops conducted over a six-to-12-month period. Once your team completes their third workshop, you will move into a 90-day, continuous improvement operating plan that allows the team to achieve their goals, do no harm, and work together as one. Is This Book for You? This book will teach you exactly how to implement Right-Minded Teamwork in your team. It is primarily intended as a resource for team leaders and facilitators. But it is also much more than that. The content you will find here can positively benefit everyone, everywhere, on any team. RMT is a universal, self-evident, self-validating process with the power to transform even the most challenged team situations. Real-World Team Building Most team-building programs do not address or resolve a team's real issues. There are many common team-building practices, like education, games, and social events, but as far as real team building goes, none of these approaches is effective. Not one of them produces proven, reliable results. Right-Minded Teamwork is the most reliable way to achieve and sustain high-performance teamwork. It is a real-world approach to team building that directly addresses team issues in a non-confrontational, compassionate way. Apply RMT, and improve work processes while strengthening teammate relationships. Apply RMT, and help your team achieve 100% customer satisfaction. Apply RMT, and make the world a better place. A Note from Dan

Hogan, Co-Creator of RMT As I write this, RMT is, to my knowledge, the only model of its kind. However, I pray it is not unique. I hope one day real-world methodologies like RMT become the prevailing team-building approach around the world. I'm optimistic this future is on its way because I know I'm not alone in wishing for it. Though I'm now retired from active facilitation, for decades, I served teams around the globe as a Certified Master Facilitator. I repeatedly heard my clients express the same desire I had: That this kind of approach to team-building would become commonplace, for the betterment of everyone. They were changed by our work together and what they learned, and many of them went on to share RMT's concepts and principles with others. Through them, the ripple effect began. Through you, it can continue. Together, with the help of RMT, we will build teams that do no harm, get work done, and work as one. Dan Hogan, CMF

Design a Right-Minded, Team-Building Workshop

Feeling states, including emotional experiences, are pervasive to human functioning. Feeling states deeply influence the individual's effort, attention, decision making, memory, behavioural responses, and interpersonal interactions. The sporting environment offers an ideal setting for the development of research questions and applied interventions to improve the well-being and well-functioning of the people involved. This ground-breaking book is the first to offer cutting-edge knowledge about contemporary theoretical, methodological, and applied issues with the contributions of leading researchers and practitioners in the field. Feeling states in sports are comprehensively covered by adopting an international and multi-disciplinary perspective. Part I covers most relevant conceptual frameworks, including emotion-centred and action-centred approaches, challenge and threat evaluations, an evolutionary approach to emotions, and the role of passion in the experience of emotion. Part II focuses on interpersonal aspects related to emotions and regulation, encompassing social and interpersonal emotion influence and regulation, social identity and group-based emotions, and performance experiences in teams. Part III presents applied indications surrounding emotional intelligence training, and emotional regulation strategies including imagery, self-talk, the use of music, mindfulness, motor skills execution under pressure, self-regulation in endurance sports, and the use of technology. Finally, Part IV examines issues related to athlete well-being, including the role of emotions in sport injury, emotional eating, and mental recovery. *Feelings in Sport: Theory, Research, and Practical Implications for Performance and Well-being* is an essential source for sport psychology practitioners, researchers, sports coaches, undergraduate and postgraduate students.

Right-Minded Teamwork in Any Team

Intercultural Collaboration by Design introduces a framework for collaborating across cultures and learning to use multicultural perspectives to address pressing global issues. This handbook helps people work, learn, and teach across cultures. Through the activities highlighted in this book, virtual and intercultural teams will find a practical route for initiating and sustaining productive work across disciplinary and social barriers. Teams can craft a plan to achieve their goals by selecting the activities that best meet their needs and interests. First-person anecdotes from the authors demonstrate how the activities encourage teams to embrace diverse perspectives in order to create innovative solutions. With over 30 hands-on activities, this book will be of great interest to diverse teams from a variety of disciplines who want to enhance intercultural learning and co-working. Whether in the classroom or workplace, the activities are appropriate for a variety of collaboration contexts, without a need for background in art or design.

Feelings in Sport

This book is devoted to the encounter and interaction of agents such as robots with other agents and describes how they cooperate with their previously unknown teammates, forming an Ad Hoc team. It presents a new algorithm, PLASTIC, that allows agents to quickly adapt to new teammates by reusing knowledge learned from previous teammates. PLASTIC is instantiated in both a model-based approach, PLASTIC-Model and a policy-based approach, PLASTIC-Policy. In addition to reusing knowledge learned from previous teammates, PLASTIC also allows users to provide expert-knowledge and can use transfer learning (such as

the new Two Stage Transfer algorithm) to quickly create models of new teammates when it has some information about its new teammates. The effectiveness of the algorithm is demonstrated on three domains, ranging from multi-armed bandits to simulated robot soccer games.

Intercultural Collaboration by Design

I provide an in-depth, analytical, and philosophical explanation of why specific cultural and social issues exist. With each topic, I discuss what it is, give examples for each, and break down each example providing more detail of just some of the possible reasons as to why people do them (possible mentalities). I also give some of my own experiences and everything discussed in this book, I have personally witnessed and or have gone thru. I included the following: * Situations based on personal experience and or witnessing them, with some online research to support specific issues. * My perception, perspective, and mentality on various issues that affects everyone to some degree * Quotes that further support certain chapter topics * Philosophies, analogies, and comparisons to provide better contextual clarification on certain issues * Detailed breakdown of the examples provided within each chapter * Explanation of what it will take to help fix each of these issues * Some of the many possible reasons why people behave the way they do and some of the possible motives, intentions, and life experiences from both sides (the person doing the behavior and the person receiving the treatment) * Solutions to all the topics that are discussed (changes that we need to make with how we think and act towards others) Furthermore, I provide much thought-provoking material to challenge the way we think and view society, in ways you might not have considered. I discuss many unhealthy mentalities and behaviors which is damaging to people on a much larger scale and it's having a much greater influence on others both directly and indirectly in ways that we do not even realize. This book is something the whole world needs to read and here is why: * Providing solutions to some of the biggest cultural and social issues which have existed for far too long * The way the world is with how we treat others is badly broken and some of the solutions are in this book which the world needs the solutions I provide * We do the same or similar behaviors towards others expecting different results and this is not working at all * We need to step outside our comfort zone by changing their behaviors in ways we're not used to doing (to get something you've never had, you must first do something that you've never done) * The world needs to be less close-minded and use less tunnel vision (the mind is like a parachute, it can't work if it's not opened) I see the world differently, and the purpose of this book is to share different ways of looking at situations and the numerous possibilities to take into consideration. I share my perception and perspective, viewpoint, mentality, and some of my own philosophies. I provide a more in-depth perspective of looking at a variety of life situations and the possible reasons why people choose to treat others the way they do. I think a lot of people might find this content in general interesting, beneficial, inspiring, and or even life-changing.

Making Friends on the Fly: Advances in Ad Hoc Teamwork

Communication and Sport: Surveying the Field, Third Edition examines a wide array of topics necessary to understand sports media, rhetoric, culture, and organizations from micro- to macro-level issues. All levels of sports are addressed through varied lenses such as mythology, community, and identity. The Third Edition is newly expanded to incorporate the latest topics and perspectives in the field such as fan cultures; racial identity and gender in sports media; politics and nationality in sports; crisis communication in sports organizations and more.
