Everyone thinks that Sophie is an orphan.

Baby Sophie was found floating in the English Channel in a cello case.

So when the Welfare Agency writes to her guardian, threatening to send Sophie to an orphanage

they takes matters into their own hands and flee to Paris to look for Sophie's mother, starting with the only clue they have—the address of the cello maker.

Hiding from the French authorities, she meets Matteo and his network of rooftoppers- urchins who live in the hidden spaces above the city.

Together they search the city for Sophie's mother—but can they find her before Sophie is caught and sent back to London?
