Franklin Has a Sleepover

In this Franklin Classic Storybook, Franklin and Bear face the excitement and fear of a first sleepover.

The Myth of the Perfect Girl

New insights and practical solutions for overworked and stressed-out girls and their parents. In today's achievement culture, many girls seem to be doing remarkably well—excelling in honors and sports and attending top colleges in ever greater numbers—but beneath the surface, girls are stressed out and stretched too thin as they strive to be “perfect.” In their efforts to juggle schoolwork and extracurriculars, family life and social lives, friends and frenemies, as well as relationships online and IRL (in the real world), many girls begin to lose sight of who they really are, and instead work overtime to please their friends, parents, teachers, and others. With honesty, empathy, and a fresh perspective, *The Myth of the Perfect Girl* presents advice to empower both parents and girls themselves to discover what true success and happiness means to them — and how to work to achieve it.

The Sleepover: A Graphic Novel

Perfect for fans of *Stranger Things*, this middle grade graphic novel follows a group of kids trying to cheer up

their friend after a recent loss with a fun-filled sleepover, but their plans soon take a dark turn when they discover his new nanny may literally be a monster. When the Russo family returns home from vacation to discover their nanny, Ruby, has unexpectedly passed away, Matthew takes the news the hardest. After weeks of reeling, his three best friends decide to cheer him up with a night of junk food, prank calls, and scary movies. But their plans for a sleepover are jeopardized when Matt's single mother—unable to take any more time off of work—is forced to hire a new nanny on the fly to watch over Matt and his younger sister, Judy. Miss Swan, however, is all too happy to have the boys over. And although she seems like the perfect babysitter, letting the kids eat whatever they want and mostly leaving them alone, there's something about her that Matt doesn't trust. He thinks she may actually be the witch from local legend—the one who torments children into the night and then eats them. Is he just having a hard time dealing with Ruby's replacement, as his friends suspect? Has he watched one too many scary movies, as his mom fears? Or are he and his horror-buff friends in for the fright of their lives as they come face-to-face with a real monster? Don't miss Michael Regina's next horror graphic novel, *Deepwater Creek*, coming soon!

Mallory's Super Sleepover

Mallory is turning 10, and she's planning a super sleepover! To celebrate her tenth birthday, Mallory wants to have the most super sleepover celebration ever! Mallory plans out everything to the last detail. As long as she promises not to let the fun get out of control, her parents agree to letting her friends sleep over. But Mallory's best friend, Mary Ann, has her own ideas about what a super sleepover party should include. Before Mallory can put a stop to things, uninvited guests show up, a water balloon fight gets out of hand, and a good friend has her feelings hurt. How did a super sleepover turn into such a super mess?

Just Grace and the Super Sleepover

In the eleventh installment in the Just Grace series, Just Grace gets an invitation to a super sleepover!

Working Mother

The magazine that helps career moms balance their personal and professional lives.

BK OF ENDLESS SLEEPOVERS

"I love how Henry Hoke plays fast and loose with autobiography and genre. *The Book of Endless Sleepovers* is wry and finely-wrought, a philosophical fever dream studded with the pleasure of proper names and surprising turns of phrase, a lyric page-turner." --Maggie Nelson, author of *The Argonauts* "In his atmospheric debut, Henry Hoke maps the wild country of adolescence, the murky realm of childhood and its mysterious stirrings, where the names of cities are always changing along with our own, as we swap them for those of our favorite characters: The Hardy Boys or Huck Finn or Peter Pan. A land where pet bunnies are eaten by owls in the night and cats change owners at their own will. *The Book of Endless Sleepovers* is beguiling and evocative and sometimes sad. It is not to be missed." --Kate Durbin, author of *E!* Entertainment "The Book of Endless Sleepovers is hot and cool, fine and blunt, new and ancient, puzzling and cannily revealing. Hoke's sharp, funny fictions are like shards of the books I hope to find lying around in Borges' garden of forking paths." --Mark Childress, author of *Crazy in Alabama* "Hoke's book dazzles. Beneath the surface of linguistic playfulness and narrative experimentation are real truths about love and brotherhood and especially about childhood: wild and thrilling and, as all childhoods are, full of terror. Worth reading for the brilliant reimaginings of Tom Sawyer and Huck Finn alone, there is so much here that will astonish, surprise, and delight." --Rahul Mehta, author of *No Other World*

Having a Sleepover

Pack your pajamas and sleeping bag, and get ready to learn all about sleepovers. This carefully leveled text includes full-color photos, critical thinking questions, and a photo glossary to guide readers through the basics and prepare them for their first sleepover. This fun topic is a great introduction to nonfiction for early readers.

No More Sleepovers, Patti?

The grisly legend of a haunted inn where murder most foul and tragic took place. A chilling apparition, viewed in a mirror, that ultimately saves the life of the man who saw it. Following in the wake of the spine-tingling Scary Stories for Campfires and the hair-raising Scary Stories for Halloween comes a collection of deliciously terrifying and uncanny tales that make sleepovers more exciting than ever. Adventurous kids with a taste for fear will enjoy huddling together in the darkened room and hearing about \"Strangers Who Foretold Death.\" They'll listen wide-eyed to \"Voices of the Dead.\" And youngsters will never forget the legend of \"Blackbeard the Pirate.\" Sweet dreams, sleepover guests!

Scary Stories for Sleepovers

Creative ideas for games, crafts, food, decorations, and favors, as well as planning and trouble-shooting tips, to guarantee a successful sleepover. Is it possible to make slumber parties even more fun than they already are? Absolutely, say the fun experts at American Girl Library. The secret's in the planning, and \"Super Slumber Parties\" contains ideas for all kinds of themes, crafts, invitations, food, games, and more.

More Super Scary Stories for Sleep-Overs

Sleepovers aren't for sleeping? From debut author-illustrator Blythe Russo comes a delightful and heartwarming friendship story that is also perfect for bedtime. Sloth is invited to her first sleepover at her best friend Paloma's house and even though she doesn't quite know what to expect, she's very confident in her sleep skills. She's an expert when it comes to napping, dozing, or catching some Zs, so she's ready to excel at sleepovers too. But when she arrives, she finds out that Paloma wants to stay up all night! Will Sloth be able to keep her eyes open or is their friendship in for a rude awakening? At its heart, Sloth Sleeps Over is a story of togetherness, and is sure to leave readers and their best pals grinning as they snooze the night away.

Sloth Sleeps Over

Ruby and her friend Mai are camping out in Mai's garden where giants, dragons, and pirates head toward their tent, but fortunately Ruby has some magical objects to keep the girls safe.

Ruby's Sleepover

This delightful story of an irrepressible bunny will engage readers on many levels as it celebrates creativity, making the best of circumstances, and the joy of the changing seasons. How can two friends share winter when one of them is hibernating? Beatrice and Bear meet one spring day and become best buddies. They play together through summer and fall. Then winter comes and Beatrice can't find Bear anywhere. She hears he's

gone to hibernate—but where on earth is that? When Beatrice learns that hibernation is not a place and that Bear will be sleeping all winter long, she fears it will be a lonely season . . . unless she comes up with a brilliant plan to share winter with Bear too.

Sleepover with Beatrice and Bear

In a cumulative story, one animal after another asks to come in out of the winter cold to sleep in Bearsie Bear's big bed.

Bearsie Bear and the Surprise Sleepover Party

\“Twelve-year-old Meghan and her friends Paige and Anna Marie are ready to have The. Best. Night. Ever. There will be junk food, crazy-scary horror movies, and karaoke smackdowns! Not even the last-minute addition of Anna Marie's awkward soon-to-be step-sister, Veronica, can dampen their spirits.\”--Page [4] cover.

The Sleepover

Eva can't wait for her super-special birthday sleepover and tries to help a friend overcome her first-sleepover jitters. Aligned to Common Core Standards and correlated to state standards. Chapter Books is an imprint of Spotlight, a division of ABDO.

Let's Celebrate!

Solutions for navigating an ever-changing social media world Today's students face a challenging paradox: the digital tools they need to complete their work are often the source of their biggest distractions. Students can quickly become overwhelmed trying to manage the daily confluence of online interactions with schoolwork, extracurricular activities, and family life. Written by noted author and educator Ana Homayoun, *Social Media Wellness* is the first book to successfully decode the new language of social media for parents and educators and provide pragmatic solutions to help students: Manage distractions Focus and prioritize Improve time-management Become more organized and boost productivity Decrease stress and build empathy With fresh insights and a solutions-oriented perspective, this crucial guide will help parents, educators and students work together to promote healthy socialization, effective self-regulation, and overall safety and wellness. \

"Ana Homayoun has written the very book I've yearned for, a must-read for teachers and parents. I have been recommending Ana's work for years, but *Social Media Wellness* is her best yet; a thorough, well-researched and eloquent resource for parents and teachers seeking guidance about how to help children navigate the treacherous, ever-changing waters of social media and the digital world.\

" —Jessica Lahey, Author of *The Gift of Failure* \

"This is the book I've been waiting for. Ana Homayoun gives concrete strategies for parents to talk with their teens without using judgment and fear as tools. This is a guidebook you can pick up at anytime, and which your teen can read, too. I'll be recommending it to everyone I know.\

" —Rachel Simmons, Author of *The Curse of the Good Girl*

Social Media Wellness

We live in a visual culture. Today, people increasingly rely upon visuals to help them understand new and difficult concepts. The rise and stunning popularity of the Internet infographic has given us a new way in which to convey data, concepts and ideas. But the visual portrayal of truth is not a novel idea. Indeed, God himself used visuals to teach truth to his people. The tabernacle of the Old Testament was a visual representation of man's distance from God and God's condescension to his people. Each part of the tabernacle was meant to display something of man's treason against God and God's kind response. Likewise, the sacraments of the New Testament are visual representations of man's sin and God's response. Even the cross was both reality and a visual demonstration. As teachers and lovers of sound theology, Challies and Byers have a deep desire to convey the concepts and principles of systematic theology in a fresh, beautiful and informative way. In this book, they have made the deepest truths of the Bible accessible in a way that can be seen and understood by a visual generation.

Visual Theology

Anna wrestles with a big secret at Isabel's super-fun sleepover in the seventh book of this "fast-paced, fun, and funny" (Megan McDonald, bestselling author of the *Judy Moody* series) illustrated chapter book series about the joys and challenges of elementary school friendships. Anna and her friends love having sleepovers. So, when Isabel invites Anna and Sadie to spend the night at her house for the first time Anna can't wait! Between pranking Isabel's older sisters, make-your-own pizzas, and truth or dare this is going to be the best night ever. But when one of Isabel's older sisters' dares results in Anna breaking a really special vase, everything stops being all fun and games. Isabel's sisters convince the girls they can hide it from their parents, but after her friends fall asleep, Anna lies on the floor in her sleeping bag, wide awake. At night, with the lights out and everyone else sleeping, Isabel's house seems different. Unfamiliar. Not like home. Anna misses Banana terribly, and worst of all she feels really guilty keeping what happened a secret. If Anna doesn't stay at the sleepover, everyone might get mad at her for ruining it, but if she stays and lets the secret slip about the broken vase, everyone might get mad at her for that instead. Anna and her friends share all their secrets, but can they help her with her secret dilemma?

The Sleepover

A collection of frightening tales including "The Invitation" and "The Shape of Fear."

Peppa's First Sleepover

Bestselling author Suzanne Selfors brings heart and humor to this middle grade novel about a group of misfits who find true friendship where they least expect it. Five misfits. One magical wish. Leilani dreams of being friends with the most popular girls in her class—the Haileys—who are always throwing awesome themed sleepovers. She devises a master plan: throw her own sleepover of the century and invite them! When Tutu, her grandmother, accidentally mails Leilani's invitations to the DO NOT INVITE list, the best sleepover in the history of the world becomes the worst. Instead of the Haileys, the only guests are the three kids Leilani definitely did not want to show up: the neighbor who never speaks, the girl who draws mean pictures of her, and her farting older cousin. At least her best friend August will be there. Leilani and her guests decide to make Tutu's recipe for Sleepover Soup, which requires each of them to collect one ingredient that has significant meaning in their lives. They embark on a scavenger hunt that reveals unexpected surprises. What Leilani finds is not what she wanted, but it might just be even better. An Imprint Book "Big-hearted, fast-paced, and funny." —Kim Baker, author of *Pickle* "Equal parts heartbreaking, hopeful and hilarious. It's impossible not to cheer for these unlikely heroes" —Sara Nickerson, author of *The Secrets of Blueberries, Brothers, Moose & Me* "Anyone who's ever felt different from the crowd will relish this story of kids who find the magic of being their own unique selves—together." —Sundee T. Frazier, author of the Coretta Scott King Award-winner *Brendan Buckley's Universe and Everything In It* and the Cleo Edison Oliver series "Huzzah for Suzanne Selfors! By turns humorous and poignant, this terrific book was impossible to put down." —Suzanne Williams, coauthor of *The Goddess*

Besties

Winner of a second-place award in the spirituality category from the Association of Catholic Publishers. One of the most difficult challenges we may face as parents is to have that first “talk” with our kids. You know the one—discussing their changing bodies and sex for the first time. When do we begin? Where do we start? How do we do it in a way that makes sure they have the information they need, doesn’t make them (or us) feel overwhelming shame, and forms them in Catholic teaching? In *Start Talking to Your Kids about Sex*, clinical psychologist Julia Sadusky will answer questions you may have and give you the boost of confidence you need as you have foundational conversations with your elementary-age children long before they hit puberty. As Christians, we believe that the body is a blessing and a gift from God—and worth protecting—from the beginning of life. But many parents and educators wait until puberty to begin conversations with kids about sexuality and relationship boundaries. We miss opportunities along the way to reinforce their body’s goodness—like when young children discover their most intimate body parts, for example. We might react out of fear and embarrassment because we don’t know how to respond calmly. Sadusky says we have to be proactive about providing our children a healthy understanding of the goodness of their bodies and offering them ways to respond if someone doesn’t respect their boundaries. If we don’t, our discussions about sexuality end up being too little, too late. By the time puberty hits, children will have learned from culture, social media, and sometimes, early experiences of trauma. Our failure to engage well in these conversations earlier has significant consequences. *Start Talking to Your Kids about Sex* is one of only a few resources focused on these issues. It is organized in a question-and-answer format, making it easy for you to begin with the topic that’s most pertinent at the time. It will help you identify barriers to these conversations with a child. You’ll be able to draw from concrete scripts addressing everything from responding to questions about genitalia, exploratory play, sexual abuse, and technology use. With each chapter, the content will help you grow your courage and practical knowledge. This go-to resource is structured around the most frequently asked questions Sadusky receives in her clinical practice, including What is healthy body exploration? Should I make my kids hug strangers? How can I help my kids learn to say no when I’m not around? What are good “house rules,” and how do I justify them to other adults? What do I do if my kids say they had an unwanted sexual experience? How should I respond to invitations to sleepovers and overnight trips? An appendix offers additional resources for parents. While the book is geared toward parents, extended family members, caregivers, mentors, mental health professionals, and educators also will find the information helpful.
